(a) **"Affiliates"** shall mean any person or entity, including any corporation, limited liability company, partnership, joint venture, division or other legal entity, directly or indirectly, in whole or in part, or through one or more intermediaries, owning, controlling, controlled by, or under the common control with, the Company and its officers, officials, directors, trustees, partners, managers, members, employees, agents and representatives.

(d) **"Consultant Parties"** shall mean Consultant and Consultant's agents, employees, subcontractors, advisors, support consultants and other parties employed or engaged by Consultant or any of the foregoing or for whom Consultant is liable, and any other persons performing Services on behalf of Consultant under this Agreement.

(e) **"Legal Requirements"** shall have the meaning set forth in Section 22.

(f) **"Services"** shall have the meaning set forth in Section 1.

AGREEMENT

1. **Consultant's Services.** On the terms and conditions contained herein, Company hereby retains Consultant, and Consultant hereby agrees to perform all services identified on the attached Exhibit A, together with all other services and work product reasonably necessary to complete and/or customarily performed in connection with the Scope of Services identified on Exhibit A (collectively, the **"Services"**).

2. **Term.** Unless earlier terminated by the express provisions hereof, the term of this Agreement (**"Term"**) shall commence on the Effective Date and expire on the Expiration Date.

3. **Quality of Services.** Consultant shall devote Consultant's commercially reasonable and professional efforts consistent with other professionals in Consultant's industry, and fully and faithfully perform the Services (i) in an efficient and diligent manner so that the Services provided by Consultant hereunder will be timely (and in any event in accordance with the Schedule of Performance) and of a scope and quality not less than that performed by

other professionals engaged in the performance of similar services in connection with projects of similar size, scope and complexity, and (ii) in compliance with the Legal Requirements. Consultant shall provide, at no charge (other than amounts payable as Fees or Reimbursements), progress copies of drawings, reports, specifications and other necessary information, as required hereunder or as requested by Company, to Company and Company's contractors and other consultants. Consultant shall ascertain the requirements for the Services, shall confirm such requirements to Company and inform Company of any additional information Consultant needs from Company or Company's contractors or other consultants sufficiently ahead of time to allow Company to obtain such additional information and shall promptly notify Company of any deficiencies in the information provided to Consultant by Company or Company's contractors or other consultants. Company will employ other contractors, engineers and consultants in connection with the Project, and Consultant shall cooperate and coordinate its Services with such other contractors, engineers and consultants as required to facilitate reasonable, orderly and timely completion of the Project; provided that Consultant shall not be required to perform any Services other than as set forth herein and those customarily furnished in connection therewith.

4. **Licenses or Permits.** If any governmental license or permit shall be required for the proper and lawful conduct of Consultant's business, or shall be required for the Consultant Parties in connection with providing the Services hereunder, Consultant, at its expense, shall duly procure and thereafter maintain such license or permit, or cause such license or permit to be procured and thereafter maintained, and submit the same to the Company for inspection. Consultant, at its expense, shall at all times comply with the requirements of each such license or permit and shall cause any Consultant Parties providing the Services hereunder to so comply with the requirements of each such license or permit during the Term of this Agreement. The failure of Consultant to comply with the terms of this Section shall in no way relieve Consultant of its indemnification obligations under Section 13 of this Agreement.

5. **Personnel and Other Consultants.** All Consultant Parties providing the Services hereunder on behalf of Consultant shall (i) be qualified and competent professionals experienced in rendering the Services described in the Exhibit(s), conforming to the professional standards set forth in Section 3 and (ii) licensed to the extent required by Section 4. Consultant shall ensure that such persons perform the Services in the manner described in Section 3 above. If Consultant's proposal(s) identifies other persons to provide all or a portion of the Services other than Consultant, Consultant shall provide the Company with such person's or persons' qualifications and experience. Consultant shall nevertheless be fully responsible to Company and the indemnity set forth in Section 13 shall apply to Services rendered by other parties to or on behalf of Consultant.

6. **Fees and Reimbursements.** In consideration of the performance of the Services, the Company agrees to pay Consultant the Fees and Reimbursements, computed and presented as set out in Exhibit B hereto. Any single cost or expense subject to reimbursement by the Company which exceeds Five Thousand Dollars (\$5000.00) or which is not listed on Exhibit B must be approved by the Company in advance of the obligation being incurred in order for such cost or expenses to be reimbursed.

7. **Invoices.** Consultant shall bill the Company for the Services based on invoice(s) with appropriate support documentation for the Fee and Reimbursements. Consultant shall submit invoices for the Fee and Reimbursements broken down separately as to each item. Provided Consultant has submitted invoices with appropriate support documentation by the first (1st) of the month, Consultant shall be paid by the thirtieth (30th) of such month unless such invoice is disputed as described below. The format of the invoice and backup documentation shall strictly adhere to the requirements established by Company. If the Company disputes or questions any part or all of an invoice, the Company shall advise Consultant in writing of such questions or disputes within thirty (30) days of the Company's receipt of such invoice. In the event of any dispute regarding the Services performed to date, Consultant, including any of Consultant's subcontractor(s) or agent(s) responsible for the Services, in Company's sole and absolute discretion, shall, so long as Company is pursuing resolution of such dispute in an expeditious manner, continue to carry on performance of the Services and maintain their progress during any such dispute, lawsuit or other proceeding to resolve the dispute, and Company shall continue to make payments of undisputed amounts to Consultant in accordance with this Agreement. Except as otherwise determined by the Company, all payments for approved advisors and support consultants will be made to Consultant for payment to the designated advisors and support consultants.

8. **Ownership of Materials.** All materials produced or purchased at the Company's expense by Consultant or its approved advisory and support consultants shall be the property of the Company. When Consultant completes the Services and is paid in full for all approved and non-disputed Fees and Reimbursements, Consultant shall deliver the originals of all materials produced or purchased by Consultant to the Company within thirty (30) days. The Company shall be the owner of any and all work product (including, without limitation, all writings, drawings, specifications, blueprints, pictures, photographs and recordings) created, produced, developed, prepared or submitted by Consultant to the Company under this Agreement whether it be in printed or electronic form, and Company may reproduce, modify and otherwise use the work product created for any and all purposes. The Company shall also be the owner of all intellectual property rights in such work product, including all rights of copyright therein. Without any additional consideration, Consultant will execute and deliver any and all further documents that Company reasonably determines may be desirable to perfect its ownership of any intellectual property rights, including any copyright rights, in any of the work product. It is the intention of Consultant and the Company that the work product is a "**work for hire**" as that term is used in the federal Copyright Act. To the extent that any of the work product is not deemed "work for hire," Consultant hereby assigns, grants and conveys and agrees to assign, grant and convey all of Consultant's worldwide right, title and interest in and to such work product and all rights of copyright therein. However, if the work product consists of plans and specifications for physical structures, the Company will indemnify Consultant from any claim for property damage or personal injury arising from the use of the plans and specifications for any purpose other than the purpose for which originally produced.

9. **Company's Intellectual Property.** Consultant agrees that all trademarks, trade names, service marks, logos, or copyrighted materials of the Company that Consultant is permitted to use in connection with the Services are used by the consent of the Company and shall remain the sole and exclusive properties of the Company or its Affiliates, and this Agreement does not confer upon Consultant any right or interest therein or in the use thereof.

10. **Termination.**

(a) For convenience, the Company may terminate this Agreement or any of the Services of Consultant at any time with or without cause on seven (7) days' prior written notice. Upon receipt of a notice of termination, Consultant shall cease providing the Services as directed by the Company. Commitments for Services from advisors and support consultants shall be concluded as expeditiously and economically as possible, unless otherwise directed by the Company. If the Company selects an alternate provider of the Services, Consultant shall cooperate with the alternate provider so that the transfer of responsibility may occur as quickly as possible without disruption of the Company's business. Consultant shall in any case be entitled to payment in full for any non-disputed Fees and Reimbursements in connection with all Services it performs until termination of performance has occurred.

(b) This Agreement may be immediately terminated at the election of Company with twenty-four (24) hours written notice to Consultant, upon the occurrence of any of the following events:

(i) Consultant's breach of any covenant or failure to perform any obligation under this Agreement; or

(ii) The failure of Consultant to comply with any statute, law or regulation applicable to Consultant in performing Consultant's Services hereunder.

11. **Confidentiality.** Consultant shall not disclose any Confidential Information to others without the Company's prior written consent. Disclosure to Consultant's employees and other professional advisors who agree to be bound by the terms of this Section is permitted when required in connection with the Services. Upon the conclusion of the Services, Consultant shall return all Confidential Information to the Company or shall certify to the Company that all Confidential Information has been destroyed. In addition, Consultant agrees that ideas or concepts under consideration by the Company and disclosed to or developed by Consultant are confidential and proprietary to the Company and may not be utilized by Consultant for any purpose other than in connection with the Services or disclosed to any third party unless authorized in writing by the Company. Consultant shall not refer to or show the Services provided for Company under this Agreement in any of Consultant's marketing or promotional materials absent Company's prior written approval, which may be withheld in Company's sole and absolute discretion.

Consultant agrees to commit the Consultant Parties to protect the confidential and proprietary nature of these ideas and concepts.

12. **Performance Reviews.** During the Term, Consultant and the Company shall meet as frequently as either party deems necessary to review Consultant's performance of the Services.

13. **Indemnification by Consultant; Exculpatory Clause and Waiver.** Consultant hereby agrees to defend, indemnify, protect and hold harmless the Company and its Affiliates and their respective members, managers, partners, lenders, officers, joint-venturers, directors, affiliates, representatives, agents, shareholders, attorneys and employees, and each of them and their respective successors and assigns (collectively, the "Owner Parties") from and against any and all Claims occurring incident to or resulting in whole or in part from, the activities of any of the Consultant Parties in connection with this Agreement; provided however, that this indemnity shall not apply to the extent of Company's gross negligence or willful misconduct. This indemnity shall survive the expiration or termination of this Agreement as to any such Claims arising out of this Agreement. Consultant shall, upon receipt of notice of any Claim, promptly take all action necessary to make a claim under any applicable insurance policy or policies Consultant is carrying and maintaining. In any and all Claims against one or more of the Owner Parties by any employee of any of the Consultant Parties, the indemnification obligation under this Section 13 shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Consultant Parties under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts.

14. **Waiver.** The failure of either party to require the strict performance of any provisions of the Agreement in any one or more instances, or to exercise its rights hereunder or at law or in equity, shall not be construed as and shall not constitute a waiver or relinquishment of any such provisions or rights, and such provisions and rights shall continue in full force and effect.

15. **Books and Records.** Consultant agrees that it will maintain records and books of account reflecting all Fees and Reimbursements and other charges invoiced to the Company, including supporting documentation, according to generally accepted accounting principles consistently applied, for a period of at least two (2) years after the Services are completed or terminated, and that the Company shall have the right to inspect and audit such books, records and supporting documentation at Consultant's office, including any and all correspondence, contracts, books, accounts, and other materials prepared or held by Consultant that are directly related to its performance of the Services. If any overcharges are discovered, Consultant agrees to refund promptly the overcharge to the Company, plus interest at the lesser of (i) eighteen percent (18%) per annum or (ii) the maximum rate allowed by law.

16. **Supervision.** Consultant shall supervise the performance of subcontractors or support consultants retained by it and when requested to do so those retained by the Company in connection with the Services.

17. **Releases, Licenses and Permits.** Consultant shall obtain all releases, licenses, permits or other authorizations required to use drawings, plans, photographs, copyrighted materials, art work, or any other property or rights belonging to third parties that are required for use in performing the Services. The Company shall cooperate with Consultant in obtaining any such release, license, permit, or other authorization.

18. **Insurance.** Consultant and its advisors and support consultants of every tier shall maintain, with companies satisfactory to the Company, any and all insurance which would otherwise be obtained in the course of prudent business practice and shall comply with all terms and conditions thereof. Such insurance shall include, without limitation, the types of insurance in minimum amounts as listed on the Schedule of Insurance attached to this Agreement as Exhibit C. Consultant understands and agrees that Consultant is not covered and may make no claim under any of Company's insurance policies.

19. **Miscellaneous.**

(a) **Notices.** All notices required to be given under this Agreement shall be given to the other party in writing and by personal delivery, facsimile (with telephonic confirmation of receipt), or certified mail with

return receipt requested, to the address of each party given in the Summary of this Agreement and with copies to such other parties as set forth below. Notice given by personal delivery or facsimile shall be effective when received and notices by certified mail shall be effective the third business day after such notice is deposited in the United States mail postage prepaid. Copies of any such notices shall be provided as follows:

(b) **Independent Contractor.** Consultant is an independent contractor in the performance of its duties under this Agreement. The detailed methods, manner and means of conducting the Services shall be under the complete control and direction of Consultant. Consultant understands and agrees that none of the Consultant Parties are entitled to any of the rights, privileges or benefits established for Company's employees. Consultant understands and agrees that Company will not pay or withhold from any amounts paid to Consultant under this Agreement any income tax, self-employment tax, payroll tax, workers compensation or other similar payments, and all such payments as may be required by law are the sole responsibility of Consultant. No partnership or joint venture is intended or implied by this Agreement.

(c) **Safety.** Consultant shall comply with all safety and loss prevention rules and procedures established at each work site as well as all applicable safety and health laws and regulations including, but not limited to, the standards and regulations promulgated by the Secretary of Labor under the Occupational Safety and Health Act of 1970 (OSHA) and any other legislation enacted for the safety and health of Consultant's employees. Consultant shall notify the Company immediately, by telephone with prompt confirmation in writing, of injuries and fatalities that occur to its employees or subcontractors in connection with this Agreement and shall provide the Company with reports of any injuries and fatalities as the Company shall deem necessary, including but not limited to copies of all reports and other documents filed or provided to Consultant's insurers and the agencies having jurisdiction in connection with injuries or fatalities. If the Company determines that Consultant has breached or violated the terms of this Section 19.c., the Company shall have the right to suspend the Services or terminate this Agreement, as the Company shall determine, in its sole discretion, and the Services shall not recommence until and unless the Company is satisfied that the safety provisions will not thereafter be breached or violated. Nothing contained in this Section shall be interpreted as (i) enlarging the Company's legal duty to Consultant or to Consultant's agents, employees, subcontractors, advisors, support consultants or third parties, or (ii) altering the status of Consultant as an independent contractor under this Agreement.

(d) **Assignment.** This Agreement may not be assigned by Consultant, but may be assigned by the Company to an Affiliate, lender, or in connection with a sale of the property which is the subject matter of the Services hereunder.

(e) **Amendment.** This Agreement may be amended only by a written instrument which refers to this Agreement and is executed by each of the parties hereto.

(f) **Entire Agreement.** This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes any and all prior agreements with respect to such subject matter between Consultant and the Company.

(g) **Governing Law.** The laws of the city, county and state where the Project is located shall govern and control the construction, interpretation and enforcement of this Agreement, excluding any conflict of law rule which would refer any matter to the laws of any other jurisdiction.

(h) **Non-Discrimination in Employment.** During the Term of this Agreement, neither Consultant nor the other Consultant Parties shall unlawfully discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, medical condition, marital status, age (over 40) or sex. Consultant and the other Consultant Parties shall assure that the evaluation and treatment of their employees and applicants for employment are free of such discrimination. Consultant and its affiliates, employees and agents shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. During the Term of this Agreement, Consultant, its affiliates, employees and agents shall conduct their respective activities in accordance with Title VI of the Civil Rights Act of 1964 and the rules and regulations promulgated therein.

(i) **Counterparts.** This Agreement may be executed in counterparts, and when all counterpart documents are executed, the counterparts shall constitute a single binding instrument. In addition, properly executed authorized signatures may be transmitted via facsimile and upon receipt shall constitute an original signature.

(j) **Successors.** Subject to the provisions of Section 19(d) above, this Agreement shall be binding upon and inure to the benefit of the permitted successors and assigns of the respective parties and any person claiming by, through or under any of the respective permitted successors or assigns.

(k) **Headings.** The headings used in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Agreement or the intent of any provision thereof.

(l) **Severability.** If any provision of this Agreement shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect or impair the validity or enforceability of the remaining provisions of this Agreement, which shall remain in full force and effect, and the parties hereto shall continue to be bound thereby.

(m) **Time of the Essence.** Time is of the essence of this Agreement. Consultant shall prosecute the Services hereunder with diligence and in such a manner as is necessary to complete the Services on or before the completion date or dates specified in the Exhibit(s), it being understood by Consultant this being of the utmost concern and matter to the Company.

(n) **Cumulative Remedies.** All rights, privileges and remedies afforded the parties by this Agreement shall be cumulative and not exclusive, and the exercise of any one of such remedies shall not be deemed to be a waiver of any other right, remedy or privilege provided for herein or available at law or equity.

20. **Dispute Resolution.** Any dispute or claim between the Company and Consultant relating to or arising out of this Agreement and/or the Services performed by Consultant under this Agreement shall be subject to the provisions of this Section 20.

(a) Company and Consultant shall first submit all claims, disputes and other matters in question arising out of or relating to this Agreement or the actual or alleged breach thereof (collectively, "**Dispute**") to non-binding attempts at mediation before a neutral third party mediator, unless participating in the mediation would cause the dispute to be barred by the passing of any applicable statute of limitations or barred by any legal requirements. Unless the parties mutually agree otherwise, such mediation shall be conducted in accordance with the Construction Industry Mediation Rules of the American Arbitration Association currently in effect. Such mediation shall include all necessary parties and proceedings by consolidation to resolve the dispute, including, but not limited to, all Consultant Parties. If any Dispute has not been resolved within forty five (45) calendar days after submission thereof to mediation, any party may initiate arbitration in accordance with the following paragraph.

(b) Except as provided in paragraph (c) below, any Disputes which cannot be resolved by the parties through mediation as provided for above, including but not limited to the validity, interpretation of performance or non-performance of this Agreement and the jurisdiction of the arbitrator, shall be subject to and decided by binding arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association currently in effect (the "**Rules**"). Such arbitration shall take place at a location determined by

Company in the State in which the Project is located. If the amount in controversy in the Dispute does not exceed One Hundred Thousand Dollars (\$100,000), the arbitration and hearing shall be conducted without any rights to discovery and the parties hereby knowingly waive any rights to discovery in connection with such Dispute. If the amount in controversy is in excess of One Hundred Thousand Dollars (\$100,000), all discovery shall be completed within one hundred twenty (120) days of a demand for arbitration. Subject to the foregoing, discovery may be obtained in accordance with the Rules. Except as set forth in paragraph (c) below, no arbitration arising out of or relating to this Agreement shall include, by consolidation, joinder or in any other manner, an additional person or entity not a party to this Agreement, except by written consent containing a specific reference to this Agreement signed by Company and Consultant and any other person or entity sought to be joined. Consent to arbitration involving an additional person or entity shall not constitute consent to arbitration of any claim, dispute or other matter in question not described in the written consent. The foregoing agreement to arbitrate and other agreements to arbitrate with an additional person or entity duly consented to by the parties to this Agreement shall be specifically enforceable in accordance with applicable law in any court having jurisdiction thereof. In no event shall a demand for arbitration be made after the date when institution of legal or equitable proceedings based on such Dispute would be barred by the applicable statutes of limitations and/or provisions of law relating to timing for stop notices and mechanics' liens. In rendering its decision, the arbitrator shall prepare written findings of fact and conclusions of law. The award rendered by the arbitrator or arbitrators shall be final and binding and not subject to appeal or review. Judgment may be entered upon the arbitrator's decision in accordance with applicable law in any court having jurisdiction thereof. The fees and expenses of the arbitrator shall be paid in the manner allocated by the arbitrator. The arbitration shall be conducted and completed not later than one hundred eighty (180) days from the date of demand for arbitration by a party and the award shall be rendered within thirty (30) days of completion of the arbitration. The arbitrator shall have no authority to award punitive or exemplary damages.

(c) Notwithstanding the foregoing, if Company is involved in any Dispute, arbitration, judicial reference, litigation or other legal or administrative action with a person or persons other than Consultant, which Company believes involves or may involve Consultant, then Company shall have the sole and exclusive right, but not the obligation, to consolidate proceedings in any Dispute, mediation, arbitration, judicial reference, litigation or other legal or administrative action with Consultant into the Dispute, arbitration, litigation or other legal or administrative action between Company and such other person(s). Consultant hereby consents to such consolidation. Further, if such dispute resolution procedure provides that the decision of the court, referee or arbitrator will be final, binding and not subject to appeal or review, then Consultant agrees to be so bound by such decision. Consultant also agrees to attend and participate fully at any mediation which Company believes involves or may involve Consultant, and to participate equally with other parties in sharing costs of such mediation. Notwithstanding any provision herein, pending any decision in arbitration, judicial reference, mediation or litigation, Consultant shall continue to perform all obligations under this Agreement, unless terminated by Company as provided herein.

(d) If either party institutes any action or proceeding against the other relating to the provisions of this Agreement or any default hereunder, the nonprevailing party in such action or proceeding shall reimburse the prevailing party for the reasonable expenses of such attorneys' fees and all cost and disbursements incurred therein and in any mediation respecting the subject matter of such action or proceeding and including any appeal from such action or proceeding. Subject to the provisions of local law, the prevailing party shall recover all such fees, costs or disbursements as costs taxable by the court, arbiter or mediator in the action or proceeding itself without the necessity for a cross-action by the prevailing party.

(e) Each party to this Agreement hereby waives its respective right to a trial by jury.

21. **Acknowledgment and Understanding; Interpretation.** Each of the parties hereto specifically agrees that it has a duty to read this Agreement and agrees that it is charged with notice and knowledge of the terms of this Agreement; that it has in fact read the Agreement and is fully informed and has full notice and knowledge of the terms, conditions and effect of this Agreement; that it has been represented by independent legal counsel of its choice throughout the negotiations prior to its execution of this Agreement and has received the advice of its attorney in entering into this Agreement; and it recognizes that certain of the terms of this Agreement result in one party assuming the liability inherent in some aspects of the transaction and relieving the other party of its responsibility for such liability. In addition, each party agrees that this Agreement shall not be construed against Company merely because of

Company's involvement in its preparation and the parties hereto agree that such fact shall not create a presumption, construction, or interpretation favoring the position of either party in interpreting the Agreement. Further, the parties agree that any deletion of language from this Agreement shall not be construed to have any particular meaning or to raise any presumption, construction or implication, including without limitation, any implication that the parties intended thereby to state the opposite of the deleted language.

22. **Compliance with Laws.** Consultant agrees, at its own expense, to comply and to cause the Consultant Parties to comply with all requirements of any existing federal, state and local laws, rules, regulations and requirements ("Legal Requirements") at all pertinent times in connection with the performance of the Services hereunder.

23. **Exhibits.** If there are any terms and conditions contained in any exhibit(s) attached hereto which are inconsistent with the terms and conditions contained in this Agreement, the terms and conditions of this Agreement shall prevail. All exhibits attached hereto are incorporated herein by this reference.

24. **Conflict of Interest.** Consultant hereby agrees to notify Company and seek Company's approval prior to Consultant's retention by any other individuals or entities, which either directly or indirectly may create a conflict of interest in Consultant's Services under this Agreement. Company may deny any such approval for Consultant's retention set forth above, in the event Company, in Company's sole and absolute discretion, should conclude that such retention would have an adverse affect on Consultant's Services under this Agreement or on the Project generally.

25. **Fair Housing.** Consultant acknowledges that Company and its Affiliates are (i) pledged to the letter and spirit of U.S. policy for achievement of equal housing opportunity throughout the nation and (ii) encourage and support community development programs in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, familial status or national origin.
