PETITION TO OPPOSE A ZONE CHANGE FROM RESIDENTIAL TO C-COMMERCIAL OR TO ANY COMMERCIAL RE ZONING

We the undersigned residents and/or owners of homes in the Curtis Park Manor and neighborhood residents surrounding these properties are opposed to and would like to voice our objections to a proposed zone change. This zone change would reclassify the residential property (vacant lot) APN 138-24-611-064 between 4872-4924 W. Lake Mead Blvd, Las Vegas Nv from R-E (Residential Estates) to C-1 (COMMERCIAL). We are further opposed to the construction of any type **Commercial Building** or **Business Facility** on this property. Many of us are long time residents on or near W. Lake Mead Blvd and we propose that this vacant lot was purchased to build a **residential single family home** so why change the zoning just to make **huge profits for a few**. Vacant business sites already erode our community and others create blown trash in our neighborhoods.

Our objections to these changes are noted by our signatures below...

Dept. of Planning

We the undersigned residents and/or owners of homes in the Curtis Park Manor and neighborhood residents surrounding these properties are opposed to and would like to voice our objections to a proposed zone change. This zone change would reclassify the residential property (vacant lot) APN 138-24-611-064 between 4872-4924 W. Lake Mead Blvd, Las Vegas Nv from R-E (Residential Estates) to C-1 (COMMERCIAL). We are further opposed to the construction of any type **Commercial Building** or **Business Facility** on this property. Many of us are long time residents on or near W. Lake Mead Blvd and we propose that this vacant lot was purchased to build a **residential single family home** so why change the zoning just to make **huge profits for a few**. Vacant business sites already erode our community and others create blown trash in our neighborhoods.

Our objections to these changes are noted by our signatures below...
