24 against me. I understand that if a writ of execution is obtained, my wages and/or bank accounts

22 (F) If the Hearing Officer finds that the infraction did not occur or that an infraction
23 was committed, but one or more of the defenses set forth below is applicable, the Hearing Officer shall
24 enter his decision for the defendant. Such a decision shall release the registered owner and/or operator
25 from all liability thereunder. Such defenses include, but are not limited to:

26 (1) At the time of the receipt of the notice, possession of the subject vehicle

16 defendant's burden to establish by a preponderance of the evidence that, through no fault of himself or his
17 agent, he failed to receive notice of the issuance of the Notice of Infraction as provided in this Chapter. If
18 the defendant meets this burden, he is not liable for any civil penalties which would otherwise apply and
19 such penalties shall not be included in any decision against the defendant.

20 (H) Upon request and proper proof, the Hearing Officer may reduce the amount set
21 forth in his or her decision concerning liability by up to twenty-five percent of the original amount found
22 due in consideration of the timely payment of the prior balance if satisfied by the defendant that a
23 preponderance of the evidence shows that the defendant has become indigent and will be unable to pay the
24 balance.
