Re: Amy Tabor – Park and Recreation Advisory Commission Reappointment

RECEIVED
CITY CLERK
2014 JUN 11 P 3:30

Amy Tabor has served on the Parks & Recreation Advisory Commission since November 20, 2013 to finish the unexpired term of Jerry Farler as he resigned. These seats are not term limited or tied directly to a Ward. Ms. Tabor's current term expires on July 6, 2014, and is eligible for reappointment. Ms. Tabor has expressed an interest to be reappointed to the Park and Recreation Advisory Commission. She is an active attendee and is in good standing with the Commission; therefore, I would recommend her reappointment.
