Re: Replacement of Daniel Fischer on the SWAC

The City of Las Vegas appoints three members to serve on the technical advisory committee for the County Sewage and Wastewater Advisory Committee (SWAC). Daniel Fischer, former Environmental Compliance and Laboratory Manager, was one of the three members serving on this committee. Mr. Fischer is no longer employed by the City of Las Vegas. We are requesting that an Agenda item be placed on the July 2, 2014 Council for discussion and possible action to appoint a new member to the County Sewage and Wastewater Advisory Committee (SWAC). The Department of Public Works recommends the appointment of John Bettencourt, Engineering Project Manager, to replace Daniel Fischer as member of SWAC.
