PURPOSE/BACKGROUND:

This request is for a sewer connection to connect 1 church. A 18-inch public sewer is available for connection adjacent to this parcel in Centennial Parkway to a depth and location acceptable to the City of Las Vegas Collection System Planning. The proposed use for the site does not comply with the expired Exception Area agreement land use. The Planning Department has determined the project does conform to the City's general plan for the area. The applicant has signed a Sewer Connection Agreement and a Petition for Annexation agreement. The property is not currently eligible for annexation and will be permitted in Clark County.

RECOMMENDATION:

Building & Safety in conjunction with Public Works recommends approval subject to conformance with all City codes and departmental standards and off-site improvements.
