Comment I believe that the park should be renamed for the ultimate sacrifice that Alyn Beck made as he put his life on the line everyday to make this the safest city in America. It is the right and moral thing to do for such a great officer and an amazing husband.

Comment This is the perfect place to honor Alyn. He lived in this area, attended Church, and his children went to the schools in this area, including the one right next door Bilbray Elementary. A lot of us who consider him a great hero, mentor to our children , and a friend, live in this area too. What an honor it would be, & a pleasure to have our families & community, gather at a Park named in his remembrance & Honor. I hope this happens! Thank you!
