PURPOSE/BACKGROUND:

On July 12, 2007 the CCRFCD entered into an Interlocal Contract with the City to provide funding for the engineering design, environmental mitigation and right-of-way associated with the Gowan Outfall - Lone Mountain Branch (Rancho Drive to Decatur Boulevard) storm drain project. The First Supplemental Interlocal Contract dated December 13, 2007 increased funding for engineering and extended the date of completion. The Second Supplemental Interlocal Contract dated November 12, 2009 extended the completion date. The Third Supplemental Interlocal Contract dated October 13, 2011 decreased project funding. The Fourth Supplemental Interlocal Contract dated June 13, 2013 extended the project completion date and the Fifth Supplemental Interlocal Contract August 14, 2014 increased project funding. This Sixth Supplemental Interlocal Contract will extend the project completion date from June 30, 2015 to June 30, 2016 as additional time is required to complete the project. The CCRFCD approved this contract at their May 21, 2015 Board Meeting.
