**PURPOSE/BACKGROUND:**

On July 14, 2011 the CCRFCDD entered into an Interlocal Contract with the City to provide funding for construction for Local Drainage Improvements for Concord Street Storm Drain. The First Supplemental Interlocal Contract dated May 16, 2013 extended the project completion date. This Second Supplemental Interlocal Contract will request the formal name change of this project from Local Drainage Improvements for Concord Street Storm Drain to Local Drainage Improvements for Lexington Street Storm Drain. The storm drain pipe location was moved from Concord Street to Lexington Street to provide better flood protection for the neighborhood. This Interlocal Contract also extends the project completion date from June 30, 2015 to June 30, 2017 as additional time is necessary to complete the project.
