PURPOSE/BACKGROUND:

This bill will repeal Code chapters pertaining to pistols and other weapons so as to conform to State law. The Nevada Legislature took action this past session to eliminate the ability of cities and counties to regulate most aspects in the area of firearms regulation, including a number of City provisions that had been grandfathered in previously. This bill also repeals obsolete Code provisions related to weapons generally.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
