DEPARTMENT: PLANNING AND DEVELOPMENT

ITEM DESCRIPTION: Report by Department of Planning regarding an update on the 2015 Historic Preservation Fund grant, multiple APNs, multiple Zones, Ward 3 (Coffin) and Ward 5 (Barlow)

BACKGROUND

- 06/25/14 Historic Preservation Commission voted to approve (HPC-54504) the revised scope for the 2014 Historic Preservation Fund Grant to include a WWII subdivision historic context report in Las Vegas.
- 10/22/14 Historic Preservation Commission voted to approve the scope of the 2015 Historic Preservation Fund grant (HPC-56349), Ward 1 (Tarkanian), Ward 3 (Coffin) and Ward 5 (Barlow).
- 05/27/15 Historic Preservation Commission voted to approve with comments (HPC-59260) the draft World War II Era Residential Housing in Las Vegas, Clark County, Nevada (1940 – 1945) funded by the 2014 Historic Preservation Fund grant, multiple APNs, multiple Zones, Ward 1 (Tarkanian), Ward 3 (Coffin) and Ward 5 (Barlow)

ANALYSIS

On May 27, 2015 the HPC received a presentation by Logan Simpson regarding the findings and recommendation from the “World War II Era Residential Housing in Las Vegas, Clark County, Nevada (1940 – 1945)” historic context report.

The report provided more detailed information on the Las Vegas neighborhoods constructed during WWII, including the Huntridge, Biltmore, Vega Verde, Beckley Subdivision, Sebec Acres, Eastland Heights and Charleston Square neighborhoods. The report also provided guidelines for assessing the National Register of Historic Places eligibility of single family and multiple family dwellings and subdivisions. Recommendations include further study of all neighborhoods with the exception of the Beckley Subdivision. The majority of Eastland Heights is located in Clark County which would require significant support from Clark County to initiate and implement a district nomination of the entire subdivision.

REPORTS BY STAFF: ITEM 9

The 2015 Historic Preservation Fund grant scope includes a nomination report for one neighborhood as an historic district, combined with a public outreach campaign to the nominated neighborhood based on the findings in the 2014 historic context report. A public meeting to present the 2014 report findings to all subdivisions excluding Beckley is planned for July. Comments from this meeting will provide direction for any necessary scope changes for the 2015 HPF grant. Any scope changes will be brought to the HPC for consideration prior to submittal to SHPO.

Legislative Counsel’s Digest:

Assembly Bill No. 356 of the 77th Legislative Session encouraged the development of recommendations to preserve the Nevada State Prison for use as a historical, educational and scientific resource for the State of Nevada. The provisions of this bill are based upon the recommendations presented to the Legislature pursuant to Assembly Bill No. 356. Upon notice from the Department of Corrections that the Department has ceased all operational activities at the Prison, **section 2** of this bill requires the State Land Registrar, in consultation with Carson City, the Department of Corrections, the Department of Tourism and Cultural Affairs, the State Department of Conservation and Natural Resources and the Nevada State Prison Preservation Society to: (1) determine which property of the Prison is appropriate for continued administration by the Department of Corrections and which property is appropriate for administration as a historical, cultural, educational and scientific resource; and (2) assign for administration the property in the former category to the Silver State Industries Division of the Department of Corrections and the latter property to an appropriate state agency.

Section 4 of this bill creates the Silver State Industries Endowment Fund, which must be administered by the Silver State Industries Division. **Section 4**

prescribes the uses of the money in the Fund, which include maintaining the modern structures, buildings and other property of the Prison. **Section 4** also requires the State Treasurer, at the end of each fiscal year, to transfer to the Endowment Fund for the Historic Preservation of the Nevada State Prison, created by **section 6** of this bill, a portion of the money remaining in the Silver State Industries Endowment Fund. **Section 6** creates the Endowment Fund for the Historic Preservation of the Nevada State Prison and requires that the money in the Fund be used to operate, maintain and preserve the historic structures, buildings and other property of the Prison.

Sections 7 and 10 of this bill authorize the Department of Corrections and any other state agency to which an assignment of the historic property of the Prison is made to grant a special use permit or enter into an agreement with a nonprofit corporation, pursuant to which the corporation is authorized to conduct tours and engage in other activities relating to that property.

Existing law requires the Board of Museums and History to create and administer the Division of Museums and History Dedicated Trust Fund. (NRS 381.0031, 381.0033) **Section 8** of this bill requires the Board to create a similar trust fund for the deposit of certain money that becomes available from grants, donations and gifts to be used for further study and development of the historic property of the Prison. **Section 8** requires that the trust fund be administered by the Board in consultation with the state agency to which that property is assigned and the Nevada State Prison Preservation Society or its successor.

Park Neighborhood Historic District, (APN 162-03-515-090), R-1 (Single-Family Residential) Zone, Ward 3 (Coffin)

BACKGROUND

- 03/19/03 The City Council approved a request (DIR-1208) to designate parcels of land as a Historic District in the City of Las Vegas generally bound by Park Paseo in the north, Ninth Street in the east, Franklin Avenue in the south, and Fifth Place in the west, (APN: Multiple), containing approximately 31 acres, Ward 3 (Reese).

- 03/19/03 The City Council approved a request (DIR-1208) to designate parcels of land as a Historic District in the City of Las Vegas generally bound by Park Paseo in the north, Ninth Street in the east, Franklin Avenue in the south, and Fifth Place in the west, (APN: Multiple), containing approximately 31 acres, Ward 3 (Reese).

ANALYSIS

The Historic Preservation Officer completed an administrative approval of an application for a Certificate of Appropriateness (HPC-58260) to construct a 20' x 20' utility shed in the rear yard of the home located at 1249 8th Place. This home was constructed in 1946 and is a contributing resource in the John S. Park Neighborhood Historic District.

Chapter 19.10.150 of the city of Las Vegas Unified Development Code requires that all work requiring a zoning or building permit on the exterior of a building designated on the city's Historic Property Register is subject to review by the Historic Preservation Commission.

FINDINGS

The Historic Preservation Officer reviewed the application for compliance with the city of Las Vegas Unified Development Code, Chapter 19.10.150 and has found the work to be minor in nature due to the proposed location and reduced visibility from the right of way. Additionally, paint colors for the shed will match the primary structure. Therefore, the work is considered compatible with the recognized distinctive character of the historic building.

LAS VEGAS REVIEW-JOURNAL

With more than \$2 million to spend on the project, North Las Vegas officials celebrated the first phase of construction at Kiel Ranch Historic Park on Wednesday.

The 7-acre historic site near the corner of Carey Avenue and Commerce Street is the last remnant of the original 240-acre homestead settled by Conrad Kiel in the mid-1800s, according to the city's news release. Records indicate that Mormon missionaries established the land as an "Indian Farm."

A groundbreaking ceremony on Wednesday brought city officials to the site, and visitors toured the site that will eventually include the preserved historic site, a park and open space area.

Construction funding was made possible in part by the Southern Nevada Public Land Management Act and Land & Water Conservation Fund grants totaling more than \$2 million.

Kiel Ranch was placed on the list of the National Register of Historic Places in October 1975. The present-day site contains an adobe structure that is one of the oldest buildings still standing in Nevada (c.1880s-1900), a shed referred to as the Doll House," and a natural artesian pond.
