ANALYSIS

This home was constructed in 1942 and is a contributing resource in the John S. Park Neighborhood Historic District.

Chapter 19.10.150 of the city of Las Vegas Unified Development Code requires that all work requiring a zoning or building permit on the exterior of a building designated on the city's Historic Property Register is subject to review by the Historic Preservation Commission.

FINDINGS

The Historic Preservation Officer reviewed the application for compliance with the city of Las Vegas Unified Development Code, Chapter 19.10.150 and has found the work to be minor in nature as it concerns the use of the accessory structure only and will not result in any exterior changes to the accessory structure or the primary residential structure. Therefore, the work is considered compatible with the recognized distinctive character of the historic building.
