RE: Officer Igor Soldo Memorial Park

Dear Commissioners,

It is my honor as Mayor Pro Tem of the City of Las Vegas to recommend and sponsor the construction of Officer Igor Soldo Memorial Park.

Our community needs a place to honor the memory of Officer Soldo tragically killed in the line of duty June 8, 2014. Officer Soldo was a member of our Northwest Las Vegas community. He moved his family to this area in part to enjoy the recreation opportunities available to his young family. It is a fitting tribute to celebrate his life as an officer, father, and good Samaritan with a public park to honor his legacy.

I have personally spoken to Officer Soldo's widow whom is in support of this project. For all this family has given to the people of Las Vegas through the loss of this great man; a park is but a small measure of our gratitude.

My life has been personally touched through the loss of Officer Igor Soldo. If there is anything I can ever do to again express the full measure of the gratitude of the people of Las Vegas have for his great sacrifice, do not hesitate to call upon my service.
