ARREST REPORTS		SUSPECT INFO:					COMMENTS:																																			
Most Prominent:																																										
Ward 1																																										
Littering/Disturbing the peace		Suspect was skating at Doc Romeo skate park, and while skating was spreading liquid, glitter nail polish on the skate park flooring. Suspect was loud and causing a disturbance yelling expletives throughout the park and was subsequently arrested for disturbing the peace, defacing public property, and having a weapon in the park (found in pocket).																																								
Ward 2																																										
Traffic Violations		One arrest for the month – outstanding warrants for traffic violations – Driving without a license and failure to obey a red light.																																								
Ward 3																																										
Resisting a Police Officer		A suspect had stolen a pair of glasses at the Fremont Street Experience. When Marshals tried to stop him he resisted and refused to provide his name. He was heavily intoxicated and eventually a name was found via fingerprints. It was found that he had existing warrants and he was placed under arrest accordingly.																																								
Ward 4																																										
Arson		Three juveniles were arrested for setting fires in and around the park and basin area of Bunker Park. All three kids resisted arrest and ran from the police after being seen setting fires to the wash area. They were arrested and booked into Juvenile Hall.
