City of Las Vegas Business License

RE: Justification Letter Pre Plan #000851

Our business, Canelo Restaurant would like to add beer and wine for our customers.

Our business is losing money due to we are unable to serve beer and wine with food.

Thank you,

RE: EL Canelo Restaurant

Dear Church,

We are writing this letter regarding that our restaurant has applied with the City of Las Vegas to have the opportunity to sell beer and wine with food only.

Our restaurant culture has beer and wine all over the world with food at restaurants.

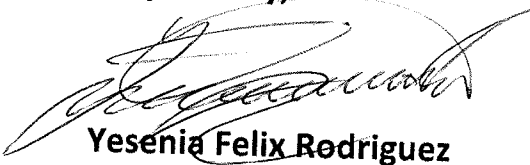

THERE WILL NOT BE ANY BEER NOR WINE SOLD AS OUTSIDE SALES SEPARATELY FROM THE RESTAURANT.

Beer and wine will only be served with food ordered to eat in the restaurant only.

Please be invited to come to our restaurant to explore our menu and service.

We would greatly appreciate your "blessing" with this new venture for our restaurant.

Respectfully,

Yesenia Felix Rodriguez
