To Whom It May Concern:

This letter is in regards to submitting a request to install signage on a proposed gas canopy on the property located at 7050 N Decatur. Due to the unique design of this development, we feel that this signage is necessary to advertise for a business that may have a difficult time otherwise. The current master sign plan does not allow for any signage related to gas stations or gas canopies. This will be an amendment to the section marked "Gas Station and Mini Mart Pad Site(s)". We feel that the design of the proposed signage will compliment the aesthetic theme of the existing signs and buildings. We hope you will agree that this signage is a great addition to this area of our city.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jesse Wetherill', with a large, sweeping horizontal stroke extending to the right.

Jesse Wetherill
