Facilities are provided throughout City Hall for convenience of persons with disabilities. For meetings held in the Council Chambers, sound equipment is available for persons with hearing impairments. If you need an accommodation to attend and participate in this meeting, please call the DEPARTMENT DESIGNEE at (702) 229-6301 and advise of your need at least 48 hours in advance of the meeting. Dial 7-1-1 for Relay Nevada.

September 9, 2014

6:00 PM

ITEMS MAY BE TAKEN OUT OF THE ORDER PRESENTED AT THE DISCRETION OF THE CHAIRPERSON. TWO OR MORE AGENDA ITEMS FOR CONSIDERATION MAY BE COMBINED; AND ANY ITEM ON THE AGENDA MAY BE REMOVED OR RELATED DISCUSSION MAY BE DELAYED AT ANY TIME. BACKUP MATERIAL FOR THIS AGENDA MAY BE OBTAINED FROM CHRYSTAL JACOBS, DEPARTMENT OF PLANNING, 333 NORTH RANCHO DRIVE, 3RD FLOOR, (702)-229-6301 OR ON THE CITY'S WEBPAGE AT www.lasvegasnevada.gov.

NOTICE: This meeting has been properly noticed and posted at the following locations:

City Hall, 495 South Main Street, 1st Floor
Clark County Government Center, 500 South Grand Central Parkway
Grant Sawyer Building, 555 East Washington Avenue
City of Las Vegas Development Services Center, 333 North Rancho Drive

ACTIONS: ALL ACTIONS EXCEPT GENERAL PLAN AMENDMENTS, REZONINGS AND RELATED CASES THERETO ARE FINAL UNLESS AN APPEAL IS FILED BY THE APPLICANT OR AN AGGRIEVED PERSON, OR A REVIEW IS REQUESTED BY A MEMBER OF THE CITY COUNCIL WITHIN TEN DAYS AND PAYMENT OF THOSE COSTS SHALL BE MADE UPON FILING OF THE APPLICATION.

ANY ITEM LISTED IN THIS AGENDA MAY BE TAKEN OUT OF ORDER IF SO REQUESTED BY THE APPLICANT, STAFF, OR A MEMBER OF THE PLANNING COMMISSION AND AGREED TO BY THE PLANNING COMMISSION. THE PLANNING COMMISSION MAY IMPOSE TIME LIMITATIONS, AS NECESSARY, ON THOSE PERSONS WISHING TO BE HEARD ON ANY AGENDAED ITEM.

PLANNING COMMISSION MEETING RULES OF CONDUCT:

1. Staff will present each item to the Commission in order as shown on the agenda, along with a recommendation and suggested conditions of approval, if appropriate.
2. The applicant is asked to be at the public microphone during the staff presentation. When the staff presentation is complete, the applicant should state his name and address, and indicate whether or not he accepts staff's conditions of approval.
3. If areas of concern are known in advance, or if the applicant does not accept staff's condition, the applicant or his representative is invited to make a brief presentation of his item with emphasis on any items of concern.
4. Persons other than the applicant who support the request are invited to make brief statements after the applicant. If more than one supporter is present, comments should not be repetitive. A representative is welcome to speak and indicate that he speaks for others in the audience who share his view.
5. Objectors to the item will be heard after the applicant and any other supporters. All who wish to speak will be heard, but in the interest of time it is suggested that representatives be selected who can summarize the views of any groups of interested parties.
6. After all objectors' input has been received; the applicant will be invited to respond to any new issues raised.
7. Following the applicant's response, the public hearing will be closed; Commissioners will discuss the item amongst themselves, ask any questions they feel are appropriate, and proceed to a motion and decision on the matter.
8. Letters, petitions, photographs and other submissions to the Commission will be retained for the record. Large maps, models and other materials may be displayed to the Commission from the microphone area, but need not be handed in for the record unless requested by the Commission.

As a courtesy, we would ask those not speaking to be seated and not interrupt the speaker or the Commission. We appreciate your courtesy and hope you will help us make your visit with the Commission a good and fair experience.

BUSINESS ITEMS:

1. CALL TO ORDER
2. ANNOUNCEMENT: COMPLIANCE WITH OPEN MEETING LAW
3. ROLL CALL
4. PUBLIC COMMENT DURING THIS PORTION OF THE AGENDA MUST BE LIMITED TO MATTERS ON THE AGENDA FOR ACTION. IF YOU WISH TO BE HEARD, COME TO THE PODIUM AND GIVE YOUR NAME FOR THE RECORD. THE AMOUNT OF DISCUSSION, AS WELL AS THE AMOUNT OF TIME ANY SINGLE SPEAKER IS ALLOWED, MAY BE LIMITED
5. FOR POSSIBLE ACTION TO APPROVE THE FINAL MINUTES FOR THE PLANNING COMMISSION MEETING OF AUGUST 12, 2014
6. FOR POSSIBLE ACTION - Any Items from the Planning Commission, staff and/or the applicant wish to be stricken or held in abeyance to a future meeting may be brought forward and acted upon at this time.

CONSENT ITEMS:

CONSENT ITEMS ARE CONSIDERED ROUTINE BY THE PLANNING COMMISSION AND MAY BE ENACTED BY ONE MOTION. HOWEVER, ANY ITEM MAY BE DISCUSSED IF A COMMISSION MEMBER OR APPLICANT SO DESIRES.

ONE MOTION - ONE VOTE

THE FOLLOWING ARE ITEMS THAT MAY BE CONSIDERED IN ONE MOTION/ONE VOTE. THEY ARE CONSIDERED ROUTINE NON-PUBLIC AND PUBLIC HEARING ITEMS. ALL PUBLIC HEARINGS AND NON-PUBLIC HEARINGS WILL BE OPENED AT ONE TIME. ANY PERSON REPRESENTING AN APPLICATION OR A MEMBER OF THE PUBLIC OR A MEMBER OF THE PLANNING COMMISSION NOT IN AGREEMENT WITH THE CONDITIONS AND ALL STANDARD CONDITIONS FOR THE APPLICATION RECOMMENDED BY STAFF, SHOULD REQUEST TO HAVE THAT ITEM REMOVED FROM THIS PART OF THE AGENDA.

Re: Justification Letter – **General Plan Amendment for Transmission Line Relocation Project (APNs attached)**

Dear Staff,

This application is a request for a General Plan Amendment (GPA) to designate a 230/138/69kV electrical facilities route, for the relocation of existing transmission facilities and associated communication facilities. NV Energy currently has a route for four circuits that has two 138kV transmission circuits, one 69kV transmission circuit and associated fiber and must relocate those facilities within existing and/or future NDOT right-of-way and City of Las Vegas right-of-way that conflicts with Project Neon. The proposed relocated transmission line route is the least impactful route to residents and commercial businesses. The proposed transmission route line will be constructed to accommodate 230/138/69kV electrical facilities, plus communication facilities.

NV Energy's "route plan" will deviate from the existing alignment north of proposed DN1 site, head east to Martin Luther King and install a new transmission pole on the west side of Martin Luther King Boulevard, shallow angle crossing on Martin Luther King to the east side of Martin Luther King Boulevard, head south to a point, then south west to the north west corner of Alta Drive and Martin Luther King Boulevard, west along the north side of Alta Drive to Desert Lane, then south on the east side of Desert Lane to Hastings Avenue; continuing east on Hastings Avenue crossing Interstate 15 to a point; then south crossing Charleston Boulevard, then angles southeast to the existing alignment, to an existing pole located on the west side of S. Commerce Street (north of W. Colorado Avenue).

Two types of poles will be used to support these 230/138/69kV transmission facilities and communication facilities, identified as Tangent Structures and Dead End Angle Structures. The maximum height of the structures will be approximately 140 feet above ground;

In order to satisfy the requirements of *Section 19.18.030 General Plan Amendment - Paragraph C 3b.* in the City of Las Vegas Zoning Code, NV Energy provides the following response to the questions identified in that paragraph in order to support this GPA request:

1. Address whether there has been unanticipated growth and development of the community in the area surrounding the application site or growth and development not specifically considered when the General Plan was adopted.
 - *The driver of the transmission line route relocation is the need to accommodate the improvement (widening) to the I-15 Corridor, as the current electrical transmission route conflicts with the proposed NDOT widening plans; and thus the impact to the General Plan from the relocated transmission route is merely an ancillary result of the NDOT project.*

2. Address whether the proposed amendment to the General Plan will allow a zoning classification which imposes burdens similar to the burdens imposed by the classification currently provided for under the General Plan.
 - *The zoning classifications of the properties along this relocated transmission line route will remain the same. NV Energy is not requesting any changes in zoning.*
 - *The relocated transmission line route will require easements from the property owners along the route; and these easements have typical restrictions in order to satisfy the National Electrical Safety Code.*
3. Address whether the amendment to the General Plan continues to promote the objectives of the General Plan as designated in NRS 278.
 - *NV Energy will continue to work closely with the City of Las Vegas Planning Department throughout the General Plan Amendment submittal and approval process to ensure that all the objectives of the General Plan (as designated in NRS 278) are promoted. Additionally, NV Energy is always focused on public health and safety and follows the National Electrical Safety Code.*

To satisfy Section 19.18.030 General Plan Amendment – Paragraph I, of the City of Las Vegas Zoning Code, NV Energy provides the following response to the questions addressing the GPA Determination:

1. Is the density and intensity of the proposed GPA compatible with the existing adjacent land use designations?
 - *The existing land use designations of the properties adjacent to this relocated transmission line route are a mixture of Industrial District, Light Industrial Research, Commercial Industrial District, Limited Commercial District, Planned Development District, and Office. There are three (3) Overlay Districts along the proposed relocated route – Planned Development, Live/Work Overlay, and Downtown Centennial Plan (Industrial Corridor, Downtown South, & 18b Las Vegas Arts District). Since power lines are compatible with all types of land use and districts, we are not requesting any changes in zoning.*
2. Will the zoning designations allowed by the proposed amendment be compatible with the existing adjacent land uses or zoning districts?
 - *NV Energy is not requesting any changes in zoning. The zoning classifications of the properties along this relocated transmission line route are a mixture, all of which are compatible with the Utility Transmission Line Use.*
3. Are there adequate transportation, recreation, utility, and other facilities to accommodate the uses and densities permitted by the proposed General Plan designation?
 - *This relocated utility transmission line project serves the community in a different manner than the operation and function of a traditional development. There will be no permanent staff assigned to this transmission line after it is constructed, yet the hours of operation are continuous. This particular determination would not appear to be applicable for this transmission line project.*
 - *Future access to the power lines and poles for maintenance would be available via public roads and the transmission line easements and/or permits.*
4. Does the proposed amendment conform to other applicable adopted plans and policies?
 - *NV Energy has developed several other transmission lines throughout the City of Las Vegas over the years to meet the needs of our customers. Specifically, NV Energy was directly involved in the Centennial Hills General Plan which indicated both existing and proposed transmission line routes and electrical substations. The proposed amendment is consistent with the forgoing.*

GPA-55281

July 11, 2014

Justification Letter – General Plan Amendment for Transmission Line

During the initial stages of NV Energy's relocation caused by Project Neon, NV Energy voluntarily held an Open House, on April 21, 2011, for this project, and invited property owners within one thousand feet (1000') of the relocated transmission line route, and all City of Las Vegas registered Neighborhood Associations within one (1) mile of this route. This invitation radius / criteria are identical to that specified by the City of Las Vegas Title 19 Code. NV Energy representatives were available at this Open House to explain the project purpose and need, and answer any questions. In addition, NV Energy has worked closely with representatives from the City of Las Vegas and NDOT on the route and solicited feedback from property owners impacted by the route. The proposed route incorporates changes NV Energy could accommodate in response to feedback received. We look forward to hosting the forthcoming Open House which is required as part of the GPA application submittal/approval process.

Should you need any further information, please feel free to contact me at 702-990-9300.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Ruedy", written over a horizontal line.

**Re: Justification Letter – 777 Advisors
A Major Modification from SX-TC to GC-TC; Special Use Permit to Allow a Liquor
Establishment (Tavern) with Waiver of Separation Requirement; Special Use Permit
to Allow Gaming Establishment (Restricted License Use With Restaurant & Tavern)
with Waiver of Separation Requirement; and Site Plan Review with Variance to
Reduce Parking
APN: 125-27-222-013 (the “Property”)**

To Whom It May Concern:

Please be advised this office represents 777 Advisors (the “Applicant”) in the above referenced matter. The Applicant is requesting a restaurant and tavern with a restricted gaming use called “Remedy’s” (the “Establishment”) on the Property. The Property is located on the south side of Azure Drive and just west of Tenaya Way.

Major Modification

A restaurant with a tavern is appropriate for the area. In order to accomplish the tavern use a major modification is necessary. The Applicant is seeking to modify the plan from Suburban Mixed Use (SX-TC) to General Commercial (“GC-TC”). There will be no adverse impacts to the surrounding area as there is a mixture of commercial and office uses planned in the immediate area.

Site Plan Review & Variance to Reduce Parking

The proposed Establishment will be approximately 6,500 square feet. The Property is accessible from Azure Drive. The exterior design of the Establishment will include brick veneer elevations with fabric awnings, and faux window frames. The building height is twenty-eight feet (28’) to the parapet. The Property is providing 75 parking spaces where 83 parking spaces are required, less than a 10% variance request. A reduction in the parking is justified as the Establishment is the only proposed use on the Property. There are no other uses that would require parking during peak mid day hours that are typically associated with many developments. Therefore, a minor parking reduction is appropriate.

**MOD-55204, VAR-55205, SUP-55202,
SUP-55203 and SDR-55201**

PRJ-54831
07/22/14

Special Use Permit For A Tavern & Waiver of Separation Requirement Between a Tavern Use and School Use

A tavern is a permitted use, with approval of a special use permit, in the General Commercial (GC-TC) land use designation and Town Center (TC) zoning district. Here, the Property is zoned Town Center (TC) with a proposed modification of the land use designation to General Commercial (GC-TC). The Establishment is also located near a commercial intersection, Azure Drive and Tenaya Way, capable of handling traffic generated by the use. Therefore, the proposed tavern use on the Property is suitable and compatible with the other uses and the proposed land use and zoning designations.

Additionally, the Property exceeds the minimum distance separation requirements between a tavern use and churches and parks. The Applicant, however, is seeking a separation requirement between a tavern use and a school use. The separation requirement between a tavern use and school use is 400'. Here, the distance between the proposed tavern and the approved school, from building to building, is over 490'. However, the City of Las Vegas does not necessarily measure from property line to property, as in this case. Rather, because both the proposed tavern use and the school use are located in commercial subdivisions, the City of Las Vegas measures the distance between the commercial subdivision, regardless of the fact that the proposed tavern and school are separated by three different legal parcels. As a result, the Applicant is requesting a reduction in the separation between the proposed tavern use and school to zero feet where 400' is required. The Applicant's waiver is justified because the Applicant meets the "spirit" of the separation requirement as the property lines between these two uses exceeds the minimum separation requirement of 400'.

Gaming Establishment (Restricted Use) & Waiver of Separation Requirement Between a Gaming Establishment (Restricted Use) and Residential

Similar to a tavern use, a restricted gaming establishment is permitted, with approval of a special use permit, in a GC-TC land use designation. Here, the Applicant is requesting a modification to the land use plan from SX-TC to GC-TC. Therefore, the proposed restrict gaming use on the Property is appropriate.

In conjunction with the restricted gaming use, the Applicant is requesting to waive the separation requirement between the restricted gaming use and the single family residential use south of the Property. A waiver is justified for the following reasons: (1) the Establishment is located on Azure Drive and situated on the Property as far away as possible from the residential use; (2) there is an existing 30' wide buffer with landscaping and walking trail on the south portion of the Property between the residential uses and the proposed parking lot; and (3) the parking lot is located between the above referenced 30' wide walking trail and the proposed Establishment.

Re: JUSTIFICATION LETTER for PRJ-55033 for APNs 139-34-712-032 to 034, 139-34-612-057 to 059

Dear Mr. Fagg:

Please accept this as the Applicants official justification letter for a Site Development Plan Review, Rezoning, and Vacation for a proposed multi-family residential complex. The Application is for an SDR FOR A 5-STORY MIXED-USE DEVELOPMENT TO INCLUDE 246 RESIDENTIAL UNITS, 7 LIVE/WORK UNITS AND 15,000 SQUARE FEET OF COMMERCIAL SPACE on 1.36 acres at 901 Fremont Street, Las Vegas, Nevada 89101. The Application also includes a REZONING FROM C-1 (LIMITED COMMERCIAL) AND R-4 (HIGH DENSITY RESIDENTIAL) TO: C-2 (GENERAL COMMERCIAL), and a VACATION of 9th Street and the Alley east of 9th Street between Fremont Street and Carson Avenue.

The proposed Multi-family Residence will provide a much needed boost to Downtown living opportunities as well as enhance other redevelopment efforts in the area. The project will be primarily studio apartment units but will also include a large number of 1-, 2-, and 3-bedroom units. In addition, the project will provide 15,000 square feet of retail space as well as 7 live/work units that will further the growing Retail experience along East Fremont Street. The ground floor façades of the building include six Art locations which will rotate on a regular basis with seasonal murals, interactive art installations and other genres. The building meets all the architectural standards of the Downtown Centennial Plan (DCP).

Since the project is inside of the DCP overlay, no parking is required. However, the applicant controls the Llama Lot across Fremont Street, which offers 376 parking spaces as well as many other parking lots within a 1 block radius. Furthermore, the applicant plans to partner with SHIFT (formerly Project 100), dedicating many of the onsite parking spaces to shared vehicle parking.

Lastly, we are requesting a vacation of 9th Street between Fremont and Carson. This will allow the opportunity to have street festivals, farmers markets and other community events as well as create a more pedestrian-friendly experience along 9th Street. Vehicular traffic along 9th Street will be one lane heading southbound and when the street is closed for an event it will be blocked off with “temporary crash-gates” in order to allow emergency access for the Fire Department.

This much needed project will help increase residential density and further enhance the revitalization of Downtown Las Vegas. This development will not change the history and culture that has been well established in Downtown, but will rather create more energy and help enhance the attractiveness of the Downtown Renaissance.

Sincerely,

Todd Kessler

Re: Buffalo/Oakey Residential Subdivision

Subject: Justification letter for Variance on Parcels #163-03-201-003, 004 & 005.

Dear Mr. Rankin:

As representatives of DR HORTON we respectfully request for a Variance for a 10' front yard setback in the above mentioned parcels. The subject property is located within City of Las Vegas.

The applicant is requesting a Variance for a 10' minimum front yard setback where 20' minimum is required for this proposed 11 lot single-family residential development. This 10' minimum front yard setback would be to the building and an 18' minimum front setback would be maintained to the garage. This variance is being requested for all eleven (11) lots within this development even if these variances are to be separated out into eleven (11) separate hearing items.

If you should have any questions concerning this, please contact either myself or Kelly J. Wittwer, P.E. at Triton Engineering. We thank you in advance for your consideration and approval.

Sincerely,

Aimee Ignatowicz-English
Project Coordinator

Re: Signage Application for 200 S. Las Vegas Blvd and 201 S. 4th Street

Dear Mr. Swanton:

Attached please find the required documents for proposed signage on the above referenced properties. As we are new to this process, any assistance you can provide would be very much appreciated.

These properties are currently being utilized as a temporary parking lot, authorized under the Downtown Centennial Plan, and may only be used for parking for a term of 3 years. After this time, the lot must be extended with appropriate approval, developed or upgraded to full, permanent parking lot standards.

The proposed signage is not compliant with signage regulations applying to the property, and to comply with these regulations for a period of less than 2 years during the temporary use would be extremely expensive and counterproductive.

These signage regulations were clearly designed for permanent use of the properties within the boundaries and not for temporary use. We have received a temporary signage permit, however the term of this permit is only 6 months, and the hope is that the appropriate authorities will recognize the disconnect in the length of the temporary use of the property and the temporary sign permit limitations (3 years vs. 6 months).

We are requesting illumination and animation variances for Carson Street and Las Vegas Boulevard signs as well as setback variances on Las Vegas Boulevard and 4th Streets. The free standing signs will abut the existing fence inside the property line, as moving them back into the lot to comply with the setback requirement will result in the loss of a total of 6 parking spaces.

Sincerely,

A handwritten signature in cursive script that reads "Brandy Stanley".

Justification Letter for Private School (Innovation Academy)
Special Use Permit & Site Development Review & waiver of development
standard

To Whom it may concern:

We are respectfully submitting Special Use Permit and Site Development Design Review application for a private school use at Rainbow BLVD and Ann Road. APNs 125-27-803-004.

The proposed 0.94 ac project is located at 5705 N. Rainbow BLVD. The site is currently composed of 3 standing alone buildings where only the ground floor of the main building is proposed for the school use for current application. Remaining buildings on site will be remodeled to fit the school needs in the future.

The building A ground floor will be remodeled to meet the code requirement for school use. The building exterior will not be changed and will maintain the residential look. Building exterior will be repaired and repainted using existing building color. Please see existing photo for reference.

we provided 15' landscape buffer on the North and West Property line with tree 30' on center landscaping for a good separation to the residential area. We also provided landscape buffer on the parameter facing streets and the landscape are provided per code requirement. The existing trees are remained for the project.

At the south property line where parking spaces are provided, we have 56' long landscape buffer of 2' where 8' is required per development standard. Other areas we have 8' or more than 8' in landscape buffer. We respectfully request a landscape waiver of development standard.

We will allow a 90min drop-off and pickup time frame to not increase flow on street. There is no need for increased utility or changes that will affect neighboring units. Class ratios will be very low and we are expected to open with less than 50 students for the first 2 years.

There are total of 10 parking spaces provided with 1 handicap space. The parking ratio is at 4 cars per classroom and 1 car for teachers & staffs, which is higher than code requirements for 3 cars per classroom.

SUP-55031 & SDR-55043

Las Vegas, NV 89106

RE: SUP for Tenaya Creek Brew Pub – 831 W. Bonanza Rd., Las Vegas, NV 89106
APN: 139-28-801-010 & 139-28-801-011

We are requesting a Special Use Permit for a Brew Pub at the above referenced property. The proposed Brew Pub location is located within the City of Las Vegas Redevelopment Area and is currently zoned "M" Industrial.

We are proposing a Brew Pub with Bar and production Brewery on premises. We will be brewing beer daily as well as bottling and canning on premises. If approved, we will sell beer for consumption on premises as permitted under the Brew Pub designation, with a Beer/Wine Room & Beer/Wine/Cooler Off-Sale Business License.

We expect to have approximately 10 employees to start, with planned hours of operation from 6:00am to 7:00pm Monday – Saturday and 9:00am to 4:00pm on Sunday. There is seating for 14 at the bar and seating for an additional 26 at tables inside the bar area.

The site at 831 Bonanza Rd. consists of 1.57 acres (68,389sf) on two parcels. The existing building is approximately 11,325sf of warehouse with 1,541sf of office/showroom space. The building will be extensively remodeled. Total costs for the project (acquisition, remodel & equipment) will be in excess of \$2,500,000.

We have the ability for extensive parking on premises. Although some customers may arrive via public transportation or by private (tourist) bus, we believe the majority of our customers and employees will arrive via private vehicles.

Tenaya Creek is a family owned and operated business owned by Tim Etter, Christina Etter Roush, Vince & Kathryn Telles and Dan & Amy Etter. We are currently in operation as Tenaya Creek Brewery within the City of Las Vegas' Tech

SUP-55212 & SUP-55214

PRJ-55210
07/22/14

Center, at 3101 N. Tenaya Way and have been under the same continuous ownership and operation since our inception in November, 1999.

We will be relocating to operate under the same ownership in this new facility at 831 W. Bonanza Road in December of 2014.

We appreciate your consideration and look forward to opening soon Downtown!

Sincerely,

Tim Etter - Applicant

Re: SUP Application
Smashburger
6300 W Charleston Blvd, #170
Las Vegas, NV

To Whom it May Concern:

Please accept this letter as our official Justification Letter for a Special Use Permit for a Beer, Wine, Cooler On-Sale license in conjunction with our Restaurant business that is already in operation. The Restaurant is location within the Charleston Festival District. The Application is for a **SUP FOR A BEER, WINE, COOLER, ON-SALE ESTABLISHMENT** at the referenced address, zoned C-1 (Limited Commercial District).

We intend to serve beer and wine in conjunction with meals on the premises. The operation is compatible with the existing surrounding uses. The restaurant is approximately 1,886SF and will employ approximately 10-15 employees. The hours of operation are 10:00AM to 10:00PM Monday through Sunday. The prior use of the space was also restaurant use, so no further demand is being presented on the parking requirements.

We are requesting a waiver to allow for a Beer, Wine, Cooler On-Sale business. This Restaurant will enhance the Commercial Center it is within and the sale of Beer, Wine and Coolers is an additional element to attract patrons to the Commercial Center. We appreciate your support for this SUP and look forward to working with the City of Las Vegas Staff during this process. If you have any questions and/or concerns, please feel free to contact me.

Re: Justification letter – Funeral home
APN: 163-03-501-022

To Whom It May Concern:

Please be advised, this office represents Davis Funeral Home (the "Applicant"). On behalf of the Applicant, we are requesting a special use permit for a funeral home. The subject property is located at 1401 S. Rainbow (APN: 163-03-501-022) (the "Site"). The Site is zone C-1 and was previously used as a restaurant location. The building is still existing as is the parking lot.

The Applicant intends to use the existing building but will be updating the look of the building with new paint colors. The funeral home will be used for funeral services, memorials, viewing services as well as ancillary uses to meet this need. There will be approximately 4-5 employees on site. The typical hours of operation for funeral services would be seven days per week from 8:00 a.m. to 10:00 p.m. Parking on-site significantly exceeds code requirements for this type of use.

The Applicant respectfully submits that conversion of the existing building into a funeral home would be a compatible use for the area. The existing funeral home at 2127 West Charleston Boulevard also is adjacent to residential homes and has been in that location for 20 years with no code violations.

Thank you for your consideration of this request.

Sincerely,

KAEMPFER CROWELL

Jennifer Lazovich

SUP-55200

Village Square – 9440 W. Sahara Ave., Las Vegas, NV 89117

To: Las Vegas Department of Planning,

We are applying for a specialty use permit for beer/wine/cooler at our on site establishment at 9440 W. Sahara Ave. Unit 175, Las Vegas, NV 89117.

Yojie Japanese Fondue will be located at in the Southwest corner of the Village Square Plaza. Las Vegas has gained popularity and has had a reputation to be a foodie and entertainment destination spot. Many of the establishment's are the highest rated amongst reviewers in Nevada. The area includes the opening of several new retailers and restaurants with more to come in the near future. Village Square is located at the cross streets of Sahara and Fort Apache on the border of Summerlin and Spring Valley. Yojie will contribute as one of the only shabu shabu restaurants in the Summerlin area and will cater to all demographics in the mixed commercial area. Our estimated opening date will be mid October 2014 with operating hours between 12:00pm and 10:00pm.

At Yojie Japanese Fondue Restaurant, the guest is the chef. We take the average restaurant experience to the next level with a unique and interactive, "cook it yourself" fondue concept. We specialize in serving Japanese dishes that include: Shabu Shabu, Sukiyaki, and decadent Swiss chocolate sauces.

Shabu Shabu and Sukiyaki are Japanese dishes of vegetables and a selection of meat cooked by individuals in a pot of boiling water or broth. The fresh ingredients are then dipped in a variety of Japanese sauces and eaten with rice. Shabu Shabu is a savory dish while Sukiyaki is a sweet dish. Shabu is concentrated towards the sauces, while Sukiyaki is focused on the broth. Yojie's sauces and broth are proprietary and was created by our executive chef, a Le Cordon Bleu top graduate.

To better compliment the meal, Yojie also provides a variety of condiments for guests. The guests are in control in enhancing the fresh ingredients anywhere from the level of spiciness to the texture of the sauces. The condiments include: Daikon (sweet radish), togarashi (Japanese chili pepper), diced green onions, garlic, and pure cap hot drops. The well-balanced meal provides a healthy alternative for all guests. Each dish contains a balance of protein and vitamins with no grease, oil, or added MSG.

Yojie's dessert fondue comes in four decadent chocolate flavors: Milk, dark, red velvet, and our signature green tea chocolate. Guests are able to dip pastries and fruits such as strawberries, bananas, pound cake, rice crispies treats and gourmet marshmallows. Yojie also provides ice cream desserts such as banana foster, mochi, and Japanese floats.

Our inviting environment is comfortable for all audiences. We strive to embrace all forms of art to enhance all senses. Yojie provides clean and trendy ambiances. The space also acts as an art gallery, allowing us to showcase local artists' recent work. This also allows a different atmosphere for guest every time they visit. We play instrumental hip-hop music so it relaxing and not offensive to any guest.

Sincerely,
Antonio Guerrero

Re: Special Use Permit Application

Applicant:	Target Corporation
Proposed Use:	Retail Establishment with Accessory Package Liquor
Project Name:	Target Stores T-1207
Project Address:	8750 W. Charleston Blvd., Las Vegas, NV 89117
APN:	138-32-412-003

Dear Sir/Madam:

This firm represents Target Corporation (the "Applicant") at the above-referenced Target business location (the "Business"). The Applicant operates retail department and grocery store businesses in 49 states and Washington D.C. and has been a long-time anchor tenant in the Boca Park Shopping Center. The Applicant has recently expanded general grocery and food product sales with the roll-out of its Fresh Grocery product line at many Target locations throughout the Las Vegas valley. In that regard, the Applicant desires to complement its expanded grocery business to allow for the sale of package beer, wine and liquor as a convenience to its customers and to be competitive with other grocery stores in the valley.

The addition of alcoholic beverage sales to the Applicant's Business will demonstrate a uniform presence for Target stores in the community by providing similar goods that will soon be offered at numerous other Nevada Target locations that sell grocery and related food items. The Applicant acknowledges that no more than ten percent (10%) of the retail floor space of the Business may be dedicated to the display of alcoholic beverages. The Applicant has enclosed a Floor Plan which includes an outline of the initial area dedicated for the display of alcoholic beverages. The Applicant plans to devote approximately 158 square feet to the display of alcoholic beverages at the Business.

The Business is committed to ensuring compliance with all local and State laws regarding the sale of alcoholic beverage products for off-premises consumption. The Business has implemented and will adhere to strict internal policies to prevent the sale of alcoholic beverage

SUP-55235

City of Las Vegas Department of Planning and Development
July 22, 2014
Page 2

products to minors and to ensure that alcoholic beverage products are not consumed on the premises of the Business or in the parking area.

The Business provides a benefit to the community and neighboring businesses in the Boca Park Shopping Center and the surrounding area. As an anchor tenant and national retail brand, the Business draws vital customer traffic to the neighboring businesses in the community. The proposed package liquor off-sale establishment use is harmonious and compatible with adjacent development and with existing land uses in the immediate vicinity. We do not believe that any additional public services, utilities or parking accommodations will be necessary to accommodate the proposed use at the Business.

The site provides adequate pedestrian and vehicle ingress/egress to and from the Boca Park Shopping Center in which the Business is located, from Charleston Blvd. and Rampart Blvd. Please note that the Business operates every day between the hours of 8:00 a.m. and 11:00 p.m. and employs approximately 120 employees.

In the event you have any questions with regard to the foregoing, please do not hesitate to contact us. Thank you.

Very truly yours,

KOLESAR & LEATHAM

Re: Special Use Permit Application

Applicant:	Target Corporation
Proposed Use:	Retail Establishment with Accessory Package Liquor
Project Name:	Target Stores T-0826
Project Address:	3210 N. Tenaya Way, Las Vegas, NV 89129
APN:	138-10-815-002

Dear Sir/Madam:

This firm represents Target Corporation (the "Applicant") at the above-referenced Target business location (the "Business"). The Applicant operates retail department and grocery store businesses in 49 states and Washington D.C. and has been a long-time anchor tenant in the Cheyenne Crossing Shopping Center. The Applicant has recently expanded its business to include the sale of general grocery and food products to many of its stores throughout the Las Vegas valley. In that regard, the Applicant desires to complement its grocery business to allow for the sale of package beer, wine and liquor as a convenience to its customers and to remain competitive with other grocery stores in the valley.

The addition of alcoholic beverage sales to the Applicant's Business will demonstrate a uniform presence for Target stores in the community by providing similar goods that will soon be offered at numerous other Nevada Target locations that sell grocery and related food items. The Applicant acknowledges that no more than ten percent (10%) of the retail floor space of the Business may be dedicated to the display of alcoholic beverages. The Applicant has enclosed a Floor Plan which includes an outline of the initial area dedicated for the display of alcoholic beverages. The Applicant plans to devote approximately 158 square feet to the display of alcoholic beverages.

The Business provides a benefit to the community and neighboring businesses in the Cheyenne Crossing Shopping Center and the surrounding area. As an anchor tenant and national retail brand, the Business draws vital customer traffic to the neighboring businesses in the community. The Business is committed to ensuring compliance with all local and State laws

City of Las Vegas Department of Planning and Development
July 22, 2014
Page 2

regarding the sale of alcoholic beverage products for off-premises consumption. The Business has implemented and will adhere to strict internal policies to prevent the sale of alcoholic beverage products to minors and to ensure that alcoholic beverage products are not consumed on the premises of the Business or in the parking area.

The proposed package liquor off-sale establishment use is harmonious and compatible with adjacent development and with existing land uses in the immediate vicinity. We do not believe that any additional public services, utilities or parking accommodations will be necessary to accommodate the proposed use at the Business. The site provides adequate pedestrian and vehicle ingress/egress to and from the Cheyenne Crossing Shopping Center in which the Business is located, from W. Cheyenne Ave. and N. Tenaya. Please note that the Business operates every day between the hours of 8:00 a.m. and 10:00 p.m. and employs approximately 125 employees.

In the event you have any questions with regard to the foregoing, please do not hesitate to contact us. Thank you.

Very truly yours,

KOLESAR & LEATHAM

Matthew D. Saltzman, Esq.

Greg Kapovich, Planner I
City of Las Vegas Planning Department
333 N. Rancho Drive
Las Vegas, NV 89106

RE: 200 S. 3rd, APN: 139-34-210-047
PRJ55231_JF001

Dear Mr. Kapovich:

Derek & Greg Stevens (the applicant) purchased the Clark County Courthouse land October 1, 2013 under the entity DROCK 3rd Street, LLC. Currently, the site is being used a temporary valet parking lot for the D Las Vegas (known as the D). We (the applicant) are proposing to hold special events at this location that would be operated by Downtown Las Vegas Events Center, LLC (DLVEC) also owned by the applicant. DROCK 3rd Street, LLC has a land lease with DLVEC to utilize the property for special events. The number of special events will exceed the maximum allowed per year under a special events license. We are requesting to serve alcohol in conjunction with the special events and are requesting a special use permit for a tavern, limited. The lot will not be a tavern but will be used for special events (similar to Cashman). The size of the property is 300x400 (120,000 sq feet) and therefore we qualify for the general on sale liquor license based on size greater than 100,000 sq feet.

The special events are permissible in the C-2 (General Commercial) zone as a Commercial Recreation/Amusement Outdoor use. The use is defined as an outdoor facility or area for sport, entertainment, games of skill or recreation that is open to use by the general public for a fee. This use includes without limitation-game courts, water slides, golf courses, outdoor miniature golf courses, drive-in theatres, batting cages, practice/instructional fields, amusement parks, amphitheaters, and sports events. Planning staff considers the special events (concerts, food festivals, etc) as an amphitheatre.

The original intent of the applicant was to maybe have an event or two there if ever an event space of that size was needed. The applicant has determined there is a desire for a space of this size & location for hosting 3rd party events as well as a venue for events planned by DLVEC. The lot has permanent slide-able fencing, power & water

SUP-55328

PRJ-55231
07/24/14

distributed throughout while maintaining sewer access. The DLVEC has also built in a stage platform and purchased a semi-permanent roof system for that stage.

In addition, DLVEC purchased top-of-the-line audio products for a concert quality stage presence and is in the process of procuring tour quality lighting & video systems for the stage. The DLVEC is in negotiations to purchase "containers" or cubes and have them customized internally as restroom facilities to support the venue for a better client experience. The DLVEC will also be purchasing and customizing cubes as bars to provide a more permanent and controllable environment for alcohol distribution for the best possible customer experience.

So while the original intent was to be a parking lot more than an events center, the applicant has tipped the scale slightly with the event infrastructure created. As a result, the DLVEC has more interest in utilizing the venue for its own signature events to encourage downtown visitation. The DLVEC has had increased interest from 3rd party event promoters interested in hosting an event at a venue where the infrastructure is intact. The DLVEC hopes to host many types of events including, but not limited to food festivals, headline concert events, private corporate-type dinners, weddings, sporting events such as boxing matches or mixed martial arts and so much more. The DLVEC hopes to be able to maintain a semi-modular venue, much like a convention space, that can be sized according to the number of guests and the layout can be changed to support multiple types of events & performances.

Many of the above referenced events will have alcohol sales as a component of the event. A Special Use Permit is required to serve alcohol at the special events. We are requesting a Special Use Permit for a Tavern Limited use.

The interest in the property is so significant that the site has been reserved for future venues. The tentative calendar of events for the remainder of 2014 that have either been agreed upon and are waiting to contract or are still being negotiated is below:

Date	Event Name	Estimated number of people
F 9/6 & Sa 9/7	Gridiron Grilloff	5000/day
Sa 9/20	Concert	5000
Fri 9/26, Sa 9/27 & Su 9/28	" Ramen Yokocho " (Ramen Street)	Target attendance 20K
10/2-5 – BikeFest	Secured Motorcycle parking	
10/11	Greek artist concert (set cabaret style)	1000-1500

SUP-55328

PRJ-55231
07/24/14

10/12	WFC MMA Industry event	1300-2000
10/18 & 19	Grand Opening Concert	15,000 per night
11/7	Charity Concert*	6000
11/12 – 11/15 Wed-Sun	World Food Championships	Per day estimates from WFC as follows 11/13 – 2000-5000 11/14 – 5000-7500 11/15 – 7500-10,000 11/16 – 2000-5000
12/4-12/13	NFR Viewing Parties (tented event)	1000 per day (max)
12/6	Country concert for NFR	TBD
12/12-12/14	Downtown Throwdown BBQ event	Zero – only FSE BBQ contest participants in the area

Any event held prior to approval of the Special Use Permit we will request a special events permit. Attached is a site plan including the basics of the site as well as a sample concert set-up.

In order to approve a proposed Special Use Permit application, the Planning Commission or City Council must determine that:

a. The proposed use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan; *The general plan is commercial and the property is zoned C-2. The property is also in the Centennial plan. The downtown area is an attraction for tourists and local alike. The events held at this location, with the addition of alcohol in a control, contained environment meets the several of the policies of the plans for the tourist area.*

b. The subject site is physically suitable for the type and intensity of land use being proposed; *The site is a vacant property. It is ideal for this type of venue.*

SUP-55328

PRJ-55231
07/24/14

c. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use; *This site is surrounded on four sides with streets, making access easy to the site easy.* and

d. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety and welfare or the overall objectives of the General Plan. *A venue with alcohol sales supports the general plan and the public health and safety and welfare. It provides jobs to the community, provides additional security in the area with security guards when there are events. This will provide for another opportunity to attract tourists and locals to events in the downtown area. Approval of the SUP should be an enhancement to the area and community in general.*

We believe this to be an excellent addition to the downtown area and respectfully request approval of our SUP. Please do not hesitate to contact me with any questions you might have.

Yours truly,

Lucy Stewart

Parking Agreement-Shared Parking

A Shared Parking Agreement may be revoked by the parties to the agreement only if an Alternative Parking Standard plan is approved pursuant to Section 19.18.4.

THIS PARKING AGREEMENT is made and entered into as of the June 24th 2010 by and between HARRISON PROPERTIES LTD and HARRISON PROPERTIES LTD.

WHEREAS, HARRISON PROPERTIES LTD is the owner of SEC 34 TWP 20 RNG 61 SOUTH ADD PLAT BOOK 1 PAGE 51 LOT 7 BLOCK 25 & LOT 8 located at 713 S. Las Vegas Blvd. within the City of Las Vegas, Clark County, Nevada (herein after referred to as "Gold and Silver Pawn Shop")

WHEREAS, HARRISON PROPERTIES LTD is the owner of SEC 34 TWP 20 RNG 61 SOUTH ADD PLAT BOOK 1 PAGE 51 LOT 9 BLOCK 25 & LOTS 10-12 located at 725 S. Las Vegas Blvd. within the City of Las Vegas, Clark County, Nevada (herein after referred to as "Parking Lot")

WHEREAS in order to be used as Parking, Gold and Silver Pawn Shop requires additional off street parking to comply with the the parking requirement set forth by the City of Las Vegas Code;

NOW, THEREFORE, In consideration of the mutual covenant and agreements set forth herein, the sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Use of parking lot
2. Grant of Easement.
 - a. The easement is nonexclusive and irrevocable, but only for so long as the Gold and Silver Pawnshop is used for the purposes of Commercial pawnshop.
 - b. This Easement shall remain in full force and effect for so long as the Gold and Silver Pawn Shop is used for the purposes of a Commercial Pawnshop. At such time that the Gold and Silver Pawn Shop is no longer used for purposes of a Commercial Pawnshop the Easement shall become null and void by its own terms.

Maintenance & Liability: by applicants

No portion of the drives or parking areas on the Gold and Silver Pawnshop or the Parking lot shall be used for any purpose other than authorized by this instrument an no fence, barricade or improvement shall be constructed by either party that would prohibit the use of the Gold and Silver Pawnshop or The Parking Lot for the Easement purpose.

RE: Site Development Review with Waivers of proposed retail at 725 Las Vegas Blvd.

Dear Mr. Boyles:

On behalf of our client we respectfully request consideration to demolish an existing two story 4,835 SF structure (c. circa 1950) then replace it with a 5,556 SF multi-tenant retail structure that also provides 4,371 SF of outdoor shaded area. No use permits nor signage review is requested at this time.

The site plan design meets the intent of the Centennial Plan guidelines by maintaining a comfortable pedestrian environment. Five feet of frontage spanning the property line of Las Vegas Blvd land will be dedicated to the City to ensure an adequate pedestrian realm. The massing of the building is scaleable in that it is only 50 feet wide and 26 feet tall. The building is sufficiently narrow with an articulated entrance so as not to have a “monolithic facade.” The longer walls on shared property lines use several different colors and have breezeways to ensure all sides of the building are visually appealing. HVAC units will not be visible from grade as they are screened within the different heights of units within the center. A cantilevered balcony along the Las Vegas Blvd frontage that will act as a canopy that provides in sheltered area in different weather conditions. Trash collection is will not disturb the public as dumpsters are located between the building and the adjacent alley.

Waiver of Parking requirement: Parking is also provided within the Centennial Plan guidelines in that onsite parking is limited to reduce sprawling lots which compromise the feel of a pedestrian oriented area. Onsite parking and driveways are shared with the project’s sister property Gold and Silver Pawnshop. (ref. instrument 201007060001160.) A share of the project’s customers are expected to be generated from the sister property. Currently, several of Gold and Silver Pawnshop’s patrons arrive via taxis, “The Deuce” public transit and various tour busses. As several patrons are visitors using alternate transit and the property is an a walkable area, different parking standards should be applied to this retail than the Title 19 standards used for suburban areas. Further, a downtown parking locator exhibit submitted with this application indicates that on-street parking meters are located on most streets within a three block radius. Also, there are two pay-lots within a three block distance. The Centennial Plan intends for the public to use these meters as all are payable to the city.

Waiver of Architectural Standards (Articulated roofline) - The streetside elevations indicate a semi-circular metal awning on the upper floor. The north and south sides do not see perimeter articulation yet mitigate a redundant shape with a vertical semi-circular canopy projecting over the rooflines. The rear wall has no articulation thereby requiring a waiver to roofline articulation

on all sides. While the published standards cannot be met with this construction type, the alternative measures use provide visual interest to the building.

In closing the proposed updated building on the site will benefit the Downtown South District by replacing inefficient structure with a new design that will accommodate several small businesses as well as bring the public shaded promenade which, so far, does not exist in the vicinity.

Should you have concerns or queries, please phone me at (702) 598-1408.

Very truly yours,

Lora Dreja

**RE: Cheyenne West of Hualapai
Vacation**

To Whom It May Concern:

Taney Engineering, on behalf of the applicant, Adaven Homes, is submitting a vacation for existing patent easements on Parcel APN 137-12-801-004 that are remaining from previous BLM sales. As the parcels are being developed, right-of-way will be dedicated to the City of Las Vegas where necessary, making the patent easements no longer necessary. Right of way will be dedicated where appropriate on the associated Final Map for this project. The Patent Easement we are requesting vacation of is:

- Patent Easement Doc#104618

We are hopeful that this letter satisfactorily describes our intent. If you have any questions or need any additional information please do not hesitate to contact this office.

Sincerely,

Rebecca Chiriboga
Taney Engineering
