SECTION 2: The City Council hereby determines that the described territory meets the requirements provided by law for annexation to the City for the following reasons:

A. The area to be annexed was contiguous to the City's boundaries at the time the annexation proceedings were instituted;

B. More than one-eighth (1/8) of the aggregate external boundaries of the area are contiguous to the City;

C. The territory proposed to be annexed is not included within the boundaries of another incorporated city or within the boundaries of any unincorporated town as those boundaries existed as of July 1, 1983;

D. The City is eligible to annex the described territory because the landowners have signed a petition constituting one hundred percent (100%) of the owners of record

1 of individual lots or parcels of land within the annexation area.

2 SECTION 3: The City will provide police protection through the Las Vegas
3 Metropolitan Police Department, fire protection, street maintenance, and library services
4 immediately upon annexation. Garbage collection by the company franchised by the City will also
5 be provided immediately. The City sanitary sewer system will serve the proposed annexation area.
6 Any connection to or extension of this sewer line to serve the annexation area shall be at the
7 expense of the landowners. Other services, such as participation in the City's recreational
8 programs, special education classes and programs, public works planning, building inspections, and
9 other City services will also be available immediately. Utilities such as gas, electricity, telephone,
10 and water are provided by private utility companies and other services to the area will not be
11 affected by annexation. Street paving, curbs and gutters, sidewalks and street lights which are not
12 in place at the time of annexation will be installed in the presently developed areas upon the request
13 of the property owners and at their expense by means of special assessment districts. Such
14 improvements will be extended into the undeveloped areas as development takes place and the
15 need therefor arises, and will be located according to the needs of the area at that time. Such
16 installations will also be made at the expense of the property owners, either by means of special
17 assessment districts or as prerequisites to the approval of subdivision plats, building permits or
18 other land use or development applications.

19 SECTION 4: The annexation of the described territory shall become effective
20 on the 11th day of July, 2014, and on that date the City will have the funds appropriated in
21 sufficient amount to finance the extension into the described territory of police protection, fire
22 protection, street maintenance, street sweeping, and street lighting maintenance.

23 SECTION 5: The described territory, together with the inhabitants and property
24 thereof, shall, from and after the 11th day of July, 2014, be subject to all debts, laws, ordinances
25 and regulations in force in the City and shall be entitled to the same privileges and benefits as other

1 parts of the City, and shall be subject to municipal taxes levied by the City.

2 SECTION 6: The City Engineer is hereby instructed to cause to be prepared an
3 accurate map or plat of the described territory and to record the map or plat, together with a
4 certified copy of this ordinance, in the office of the County Recorder of Clark County, Nevada,
5 which recording shall be done prior to the 11th day of July, 2014.

6 SECTION 7: The described territory, which previously has been zoned R-D

12 validity or effectiveness of the remaining portions of this ordinance or any part thereof. The City
13 Council of the City of Las Vegas hereby declares that it would have passed each section,
14 subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that
