SECTION 2: The City Council hereby determines that the described territory  
meets the requirements provided by law for annexation to the City for the following reasons:

A. The area to be annexed was contiguous to the City's boundaries at the time  
the annexation proceedings were instituted;

B. More than one-eighth (1/8) of the aggregate external boundaries of the  
area are contiguous to the City;

C. The territory proposed to be annexed is not included within the boundaries  
of another incorporated city or within the boundaries of any unincorporated town as those  
boundaries existed as of July 1, 1983;

D. The City is eligible to annex the described territory because the present or

1 previous landowners have signed a petition constituting one hundred percent (100%) of the owners  
2 of record of individual lots or parcels of land within the annexation area.

3           SECTION 3: The City will provide police protection through the Las Vegas  
4 Metropolitan Police Department, fire protection, street maintenance, and library services  
5 immediately upon annexation. Garbage collection by the company franchised by the City will also  
6 be provided immediately. The City sanitary sewer system will serve the proposed annexation area.  
7 Any connection to or extension of this sewer line to serve the annexation area shall be at the  
8 expense of the landowners. Other services, such as participation in the City's recreational  
9 programs, special education classes and programs, public works planning, building inspections, and

11 and water are provided by private utility companies and other services to the area will not be  
12 affected by annexation. Street paving, curbs and gutters, sidewalks and street lights which are not  
13 in place at the time of annexation will be installed in the presently developed areas upon the request  
14 of the property owners and at their expense by means of special assessment districts. Such  
15 improvements will be extended into the undeveloped areas as development takes place and the  
16 need therefor arises, and will be located according to the needs of the area at that time. Such  
17 installations will also be made at the expense of the property owners, either by means of special  
18 assessment districts or as prerequisites to the approval of subdivision plats, building permits or  
19 other land use or development applications.

20           SECTION 4: The annexation of the described territory shall become effective  
21 on the 12th day of December, 2014, and on that date the City will have the funds appropriated in  
22 sufficient amount to finance the extension into the described territory of police protection, fire  
23 protection, street maintenance, street sweeping, and street lighting maintenance.

24           SECTION 5: The described territory, together with the inhabitants and property

The City Council of the City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional, invalid or ineffective.
