Under Las Vegas Municipal Code, the Director shall prepare a report on the merits of each complete medical marijuana compliance permit application based on the factors of LVMC 6.95.070 (D). Each application was referred to various departments for evaluation and the review of this application shows that this application for a medical marijuana dispensary, as presented, shows minimum compliance to city code, based on the information presented reviewers noted the following concerns.

CONCERNS:

- Resumes demonstrate business experience. However, knowledge in dispensing medical marijuana and the needed education to manage such a facility has not been demonstrated. (LVMC. 6.95.070).

- Described ancillary services exceed allowable functions under LVMC 6.95.160.
- Product list and services proposed at facility did not conform to all code requirements (LVMC 6.95.150 and .160).
