Senate Joint Resolution 1

SUMMARY—Urges Congress to enact legislation creating a new state from within the present State of Nevada, to be called South Nevada, consisting of the territory added to the State of Nevada in 1867 and gives the consent of the Legislature to the creation of the new state. (BDR R-3)

FISCAL NOTE: Effect on Local Government: May have Fiscal Impact.

Effect on the State: Yes.

SENATE JOINT RESOLUTION—Urging Congress to enact legislation creating a new state from within the present State of Nevada, to be called South Nevada, consisting of the territory added to the State of Nevada in 1867 and giving the consent of the Legislature to the creation of the new state.

WHEREAS, When the State of Nevada was admitted to the Union in 1864, its original southern boundary was established as a straight line running from east to west along the thirty-seventh degree of north latitude; and

WHEREAS, In 1866, the United States ceded to the State of Nevada, subject to its consent, certain new territory that lay immediately south of the original boundary of the State consisting of all that extent of territory lying within the following boundaries, to wit: commencing on the thirty-seventh degree of north latitude, at the thirty-seventh degree of longitude west from Washington; and running thence south on said degree of longitude to the middle of the River Colorado of the West; thence down the middle of the said river to the eastern boundary of the

State of California; thence northwesterly along said boundary of California to the thirty-seventh degree of north latitude; and thence east along said degree of latitude to the point of beginning; and

WHEREAS, In 1867, the Legislature of the State of Nevada consented to the new territory ceded by the United States being added to and made a part of the State of Nevada; and

WHEREAS, The new territory so added to and made a part of the State of Nevada consists of all of what is now Clark County as well as the very southernmost portions of Lincoln, Nye and Esmeralda Counties; and

WHEREAS, The overwhelming majority of the growth of the population of this State in recent years has occurred in Clark County, whose population now constitutes more than 70 percent of the total population of the State of Nevada; and

WHEREAS, The increasing concentration of population in Clark County has led directly to a corresponding concentration of political power and has had the effect of progressively diminishing the ability of residents in the remaining parts of this State to participate meaningfully in the political process and to elect to State Government representatives of their choice; and

WHEREAS, The principles of representative government upon which this nation was founded require that its citizens be actually represented in its governing councils and reject the notion that it is sufficient if citizens are virtually represented therein by persons whose interests and loyalties may be remote from those of the citizens they purport to represent; and

WHEREAS, The creation of a new state from within the present State of Nevada consisting of the territory added to the State of Nevada in 1867 would restore and protect the political rights of

residents of this State who reside outside of Clark County and provide more representative governments to the residents of both states; and

WHEREAS, Section 3 of Article IV of the Constitution of the United States provides, in part, that: “New States may be admitted by the Congress into this Union; but no new State shall be formed or erected within the Jurisdiction of any other State; nor any State be formed by the Junction of two or more States, or Parts of States, without the Consent of the Legislatures of the States concerned as well as of the Congress”; now, therefore, be it

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That the Legislature of this State hereby consents to the creation of a new state from within the present State of Nevada consisting of the new territory that was added to and made a part of the State of Nevada in 1867; and be it further

RESOLVED, That the members of this present Legislature urge Congress and the Nevada Congressional Delegation to enact legislation creating a new state from within the present State of Nevada, to be called South Nevada, consisting of the territory added to and made a part of the State of Nevada in 1867; and be it further

RESOLVED, That the Secretary of the Senate prepare and transmit a copy of this resolution to the President of the United States, the Vice President of the United States as the presiding officer of the Senate, the Speaker of the House of Representatives and each member of the Nevada Congressional Delegation; and be it further

RESOLVED, That this resolution becomes effective upon passage.

AN ACT relating to education; prescribing a statewide standard attire for pupils enrolled in public schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law authorizes the board of trustees of a school district to establish a
2 policy that requires pupils to wear school uniforms. (NRS 392.415) This bill
3 removes that authorization for a local school district policy and prescribes
4 requirements for a statewide standard attire for pupils while attending public
5 school, including requirements for: (1) pants, slacks, blue jeans and shorts; (2)

1 **Section 1.** Chapter 392 of NRS is hereby amended by adding
2 thereto a new section to read as follows:
3 *All pupils enrolled in public schools must comply with the*
4 *following requirements for standard attire while attending public*
5 *school:*
6 *1. Pants, slacks, blue jeans and shorts may be worn in solid*
7 *colors without patterns if they are sized to fit. Such articles of*
8 *clothing may not be worn with rips or tears that are visible*

2 *and without patterns. A shirt or blouse may be long-sleeved or*
3 *short-sleeved.*

4 4. *Skirts, skorts, jumpers and dresses may be worn in*
5 *approved colors. The length of any such article of clothing must*
6 *be at least to the tip of the longest finger when the pupil's arms are*
7 *vertically downward while the pupil is standing or the equivalent,*
8 *if using an alternative form of measurement.*

9 5. *Ties may be worn in any color, both solid and with*
10 *patterns.*

11 6. *Leggings or tights may be worn in approved solid colors.*

12 7. *Athletic shorts are prohibited attire except during periods*
13 *in which a pupil is participating in physical education or a*
14 *sporting or athletic event sanctioned by the public school or the*
15 *Nevada Interscholastic Activities Association.*

16 **Sec. 2.** NRS 392.415 is hereby amended to read as follows:

17 392.415 ~~1. The board of trustees of a school district may, in~~
18 ~~consultation with the schools within the district, parents and legal~~
19 ~~guardians of pupils who are enrolled in the district, and associations~~
20 ~~and organizations representing licensed educational personnel~~
21 ~~within the district, establish a policy that requires pupils to wear~~
22 ~~school uniforms.~~

23 ~~2. The policy must:~~

24 ~~(a) Describe the uniforms;~~

25 ~~(b) Designate which pupils must wear the uniforms; and~~

26 ~~(c) Designate the hours or events during which the uniforms~~
27 ~~must be worn.~~

28 ~~3. If the board of trustees of a school district establishes a~~
29 ~~policy that requires pupils to wear school uniforms, the board shall~~
30 ~~facilitate the acquisition of school uniforms for pupils whose parents~~
31 ~~or legal guardians request financial assistance to purchase the~~
32 ~~uniforms.~~

33 ~~4. The board of trustees of a school district may establish a~~
34 ~~dress code enforceable during school hours for the teachers and~~
35 ~~other personnel employed by the board of trustees.~~

36 **Sec. 3.** This act becomes effective on the July 1 immediately
37 following the passage and approval of this act.
