We strongly oppose this "Bed & Breakfast" in a neighborhood with very little parking available & homes crowded together. We already have several AirBNB homes in the neighborhood that are unlicensed or unpermitted. We are a tight-knit neighborhood & watch out for each other. We don't need any suspicious activity.

Comments: This is a sensitive neighborhood, and with the recent surge of short term rental applications , there are real questions about the precedents being set, and the conditions and restrictions which should be applied.

I would urge the Commission to DENY without prejudice this and all such applications which come before it when that application has not been reviewed and discussed in open public meeting by the relevant Neighborhood Association and not be considered as deserving to be an exception to the rules unless it can obtain the endorsement of its neighbors and spoken for by a City-recognized Association.

RE: Proposed Bed & Breakfast Permit for 309 Arnold Street

May 8th, 2017

To the City Council, Planning Commission, and Neighbors of 309 Arnold Street:

As the current renter of the past three years at 340 Arnold Street - a property across the street from the proposed Bed & Breakfast at 309 Arnold - we are writing to express our views on this proposal.

Insofar as Dillon and Venza Bracken:

- Are making efforts to secure a formal permit
- Are seeking open dialogue with all surrounding neighbors and potentially affected parties to address and remedy any concerns (such as parking, noise levels, and security)
- Have, during their short tenure as residents at 309 Arnold, demonstrated good neighborly conduct, keeping their property and vehicles well maintained, never having gatherings of excessive size or noise, and freely and eagerly approaching their neighbors in efforts to increase community interaction

And insofar as we:

- Are in no position to criticize the provision of temporary accommodation, as renters who enjoy the short-term privilege of living here at our landlord's indulgence
- Are medical professionals who have worked in the nearby medical district and believe that access to close, quiet, and safe temporary accommodation could benefit the numerous families who visit Las Vegas every year, often in great distress, to assist hospitalized family members

We are satisfied that the proposed Bed & Breakfast at 309 Arnold Street will likely be a welcome addition to the neighborhood and, at this time, have no significant concerns or protests against allowing it.

Sincerely,

Lucius Morehouse PT, DPT, MA & Veronika Bayer RN

I am writing in reference to SUP-69676, regarding the property on 309 Arnold St, Las Vegas, NV 89106.

I would like to express my support of this application for a B&B permit. I am an architectural designer and helped produce the drawings and plans for their application. I believe it is worth noting that they have gone through great and sincere lengths to be compliant with the city requirements in obtaining this type of permit, and I hope you look upon that favorably.

Thank you for your careful and earnest consideration of this matter.
