

Dear Neighbors:

I am writing Seeking your Support for Pos Pague? Takos to stay in the neighborhood. We have been here for a short Period of time but have realize how amazing and Supportive everyone is.

The City has giving us a permit to conduct our vending bussness but have later realize that they made a mistake. They are asking us to leave and re-establish Somewhere else or to try and apply for a special permit.

Making a move for us would be starting again and Spending money we no longer have. We have already Put everything we had into this little dream of ours, and it would be a set back if we move and start again.

If is not too much to ask will you please be so kind as to give us your Signature so that we know you Support our Stay, here at 1468 E. Charleston Blvd.

(Sometimes a Small dream can become a Struggle but with Patience and Perxverence everything is possible.)

Sincerely,
Sonia and Gerardo + Letty
