Re: Justification Letter:

Dear Planning and Development Department:

We are submitting a special use permit application for a convenience liquor store for our property at 311 Main Street, Downtown, and Las Vegas.

Prior to our closing of the property, the previous owner had the tenants vacate the property, which we did not understand as the convenience store was a successful sales and tax generator for business.

With the entire New City Hall next store, the area is in dire need of more open businesses to revitalize the area.

Previously I had a meeting with Councilman Coffin, who represents the above stated ward. At that time, he had stated that he had no objection to a convenience store opening again at that location.

We are anxious to return the properties we own on the 300 block of Main Street to viable businesses instead of vacant boarded up buildings. This is just one step of that process. The adjacent parking lot shown on our site plan will be utilized for parking (17 plus spaces).

If you have any questions or comments, please feel free to call me at 1-847-609-4663.

Respectfully,

Kevin M. Plencner
