Subject: MSP-48470 and SDR-48469

Mark and Patricia Nelson, 9841 Tarzana Lane, Las Vegas NV 89117, 682-8479, patricia.nelson@nvoncology.com reported that they support MSP-48470 and the commercial center component of SDR-48469 since it does not include a large box store, but strongly oppose the waiver of the landscaping buffer.

Thank you.
