**\*\* STAFF REPORT \*\***

**PROJECT DESCRIPTION**

The applicant is proposing to operate a Short-Term Residential Rental unit at 7609 Advantage Court that meets all minimum special use permit requirements of Title 19.12.

**ISSUES**

- Pursuant to Title 19.12, a Short-Term Residential Rental use is permitted in the R-PD7 (Residential Planned Development – 7 Units per Acre) zoning district as a Conditional Use.
- Applicant will not comply with the bedroom limitations of the Conditional Use Regulations and therefore per Title 19.12.040 a Special Use Permit is requested.
- In their justification letter, the applicant intends to remain in their home during each period of rental.
- Applicant is required to schedule an inspection through the Department of Planning - Code Enforcement Division. The inspection must be approved prior to the issuance of the business license.

**ANALYSIS**

The property contains a single-family dwelling, is zoned R-PD7 (Residential Planned Development – 7 Units per Acre) and is subject to Title 19 requirements. The dwelling contains five bedrooms per Clark County Assessor. The Short-Term Residential Rental definition specifically prohibits the rental or occupancy of an accessory structure (Class I or II), a tent, a trailer or a mobile unit. Staff included a recommended condition that has this restriction.

A Short-Term Residential Rental use is permitted in the R-PD7 (Residential Planned Development – 7 Units per Acre) zoning district as a Conditional Use. The proposed use would not meet the Conditional Use Regulations requiring it to contain three or fewer bedrooms; therefore, per Title 19.12.040 a Special Use Permit is requested. If another Short Term Residential Rental Special Use Permit (SUP) is approved within the 660-foot separation radius after a complete application is submitted, the additional SUP may factor into the determinations made by staff, Planning Commission and City Council. Further, it may necessitate additional waivers, renotification at the expense of the applicant, and delays in obtaining final action.

**Staff Report Page Two**  
**September 11, 2018 - Planning Commission Meeting**

The Short-Term Residential Rental use is defined as “The commercial use, or the making available for commercial use, of a residential dwelling unit for dwelling, lodging or sleeping purposes, wherein any individual guest rents or occupies the entire dwelling unit or one or more individual rooms within the unit for a period of less than 31 consecutive calendar days. This use does not include a “Community Residence,” “Facility for Transitional Living for Released Offenders,” or any other facility with dwelling units that is specifically defined in Chapter 19.18. For purposes of this Title, this use does not include the rental or occupancy of an accessory structure (Class I or II), a tent, a trailer or a mobile unit. In the case of a single parcel containing more than one dwelling unit, each dwelling unit constitutes a separate short-term residential rental use.” Per justification letter stamped 07/26/18, the applicant intends to rent the house as a short-term residential rental, and will occupy it while the unit is rented.

Minimum Special Use Permit Requirements for this use include (the requirements marked with an asterisk cannot be waived):

- \*1. The operator must obtain a business license to operate the use.

*If this Special Use Permit is approved, the applicant will be required to obtain a business license prior to operating.*

- \*2. The use must comply on an ongoing basis with all governmental licensing and regulatory requirements, including the payment of applicable room taxes and licensing fees.

*If a business license is issued for this Short-Term Residential Rental, it will be subject to license renewal and annual compliance review to ensure that all regulatory requirements continue to be met.*

- \*3. The use must comply with the City’s noise regulations as they apply to residential uses, as well as any applicable provisions of the Municipal Code that may pertain to odor nuisances.

*The Code Enforcement Division will investigate noise and odor nuisance allegations and take enforcement action when appropriate. Reports of violations will be forwarded to the Business Licensing Division for action when appropriate.*

- \*4. Vehicle parking associated with the use shall comply with applicable parking regulations, and vehicles of guests and invitees shall not obstruct traffic or access to other properties in the area.

**September 11, 2018 - Planning Commission Meeting**

*The Code Enforcement Division will investigate traffic and access obstruction allegations and take enforcement action when appropriate. Reports of violations will be forwarded to the Business Licensing Division for action when appropriate.*

- \*5. In addition to and independent of any enforcement authority or remedy described in this Title, the failure to comply with a Minimum Special Use Permit Requirement or other condition of approval associated with this use may be enforced as in the case of a violation of Title 6 by means of a civil proceeding pursuant to LVMC 6.02.400 to 6.02.460, inclusive.

*If a business license is issued for this Short-Term Residential Rental, it will be subject to license renewal and annual compliance review to ensure that all regulatory requirements continue to be met.*

- \*6. The use is allowed in the P-O, O, C-1, C-2 and C-PB Zoning Districts only in connection with the residential component of a mixed-use development or in a dwelling unit permitted as a legal nonconforming use.

*This condition does not apply, as the site is not zoned P-O, O, C-1, C-2 or C-PB.*

- \*7. The maximum occupancy of the residential dwelling unit shall not exceed the limits provided for in LVMC 6.75.090.

*The Code Enforcement Division will investigate maximum occupancy allegations and take enforcement action when appropriate. Reports of violations will be forwarded to the Business Licensing Division for action when appropriate.*

8. The use may not be located closer than 660 feet to any other Short-Term Residential Rental use (measured from property line to property line).

*The proposed use meets this requirement, as the property is 4,291 feet from the nearest Short-Term Residential Rental use.*

Additional parking for a Short-Term Residential Rental is only required if the unit has more than five bedrooms, at which point one additional space is required for every two additional bedrooms, or fractional portion thereof. The proposed Short-Term Residential Rental has five bedrooms and therefore is not required to provide additional parking.

The property is located in a residential neighborhood. The site meets distance separation requirements and the use can be conducted in a manner harmonious with existing surrounding land uses. Staff recommends approval subject to conditions.
