City of Las Vegas Recommending Committee

Ref: Bill No. 2016-50 on Aug 1, 2016

Dear Members of the Recommending Committee:

The Las Vegas Valley Humane Society would like to express its disagreement with this bill. In a review of the changes, it appears that in 11.39.050 (A), more hours are allowed for this type of travel as the morning prohibition from 6 a.m. to 9:30 a.m. has been deleted; and, the boundaries of the area for allowed travel have been changed, although no map of the changes was provided (11.02.035). There are additional changes regarding picking up and discharging passengers. However, horse drawn conveyances are still allowed as seen in portions of this bill and references to Section 6.44-Horse Drawn and Other Animal Drawn Vehicles.

The Las Vegas Valley Humane Society has stated its opposition to horse drawn carriages in a previous request for licensing. This bill perpetuates a business, and expands the hours for operation of a business, that, so far as this organization is aware, does not even exist in the city of Las Vegas. The referenced Section 6.44 which defines the conditions for the horses drawing the carriages provides for highly questionable business practices; having the horses work six out of seven days and for 8 hours a day in up to 90 degree weather which means that the pavement in the sun is even hotter.

LVVHS proposes the Recommending Committee deny this bill and also suggest to the Planning Director to bring forth a proposal which deletes Section 6.44-Horse Drawn and Other Animal Drawn Vehicles in its entirety. It may also want to suggest that any reference to animal drawn conveyances be deleted from Section 11 other than to disallow them.

Some of the more pertinent sections of 6.44 are attached.

Cordially,

Karen Layne  
President
