Comments:

I strongly oppose this. The homes in our neighborhood should be used for families that want to live in a great community. I don't want the neighborhood to become full of investors looking to make money with short term rentals etc.

Comments:

I oppose additional short term rental properties in the neighborhood after have lived next to one for a year now. There have two instances where tenants have attempted to break into vehicles and being loud. I made a choice to buy into a neighborhood not an apartment complex or hotel, it is not right to steal the intimacy of a neighborhood and turn it into a business.
