AGREEMENTS

1. The City agrees to provide for the Agency such staff assistance, supplies, technical services and other services and facilities of the City as the Agency may require in carrying out its functions under the Community Redevelopment Law. Such assistance and services may include the services of officers and employees and special consultants. Attached hereto as Exhibit "A" is a schedule of activities and services (the "Schedule of Activities and Services") which the City will render and make available to the Agency in furtherance of the functions under Community Development Law during Fiscal Year 2017.

2. The City and Agency agree that the Schedule of Activities and Services shall be updated on an annual basis prior to the commencement of the next fiscal year of the City and Agency. The City Council of the City and the Governing Board of the Agency hereby designate and authorize the City Manager and Executive Director, respectively, to approve the annual Schedule of Activities and Services.

3. The City will keep records of activities and services undertaken pursuant to this Agreement and the costs thereof in order that an accurate record of the Agency's liability to the City can be ascertained. The City shall periodically, but not less than annually, submit to the Agency a statement of the costs incurred by the City in rendering activities and services of the

City to the Agency pursuant to this Restated Agreement. Such statement of costs may, but not required to, include a proration of the City's administrative and salary expense attributable to services of City officials, employees and departments rendered for the Agency.

4. Pursuant to NRS Section 279.680, the Agency hereby agrees to reimburse the City for all costs incurred for services by the City pursuant to this Restated Agreement from and to the extent that funds are available to the Agency for such purpose pursuant to NRS Section 279.676 or from other sources; provided, however, that the Agency shall have the sole and exclusive right to pledge any such sources of funds to the repayment of other indebtedness incurred by the Agency in carrying out the redevelopment project. The costs of the City under this Cooperation Agreement will be shown on statements submitted to the Agency pursuant to Section 3 above. Although the Parties recognize that repayment may also occur over a period of time, it is the express intent of the parties that the City shall be entitled to repayment of the expenses incurred by the City under this Agreement, consistent with the Agency's financial ability, in order to make the City whole as soon as practically possible.

5. The obligations of the Agency under this Restated Agreement shall constitute an indebtedness of the Agency within the meaning of NRS Section 279.767.1 (b) of the Community Redevelopment Law.

6. This Restated Agreement is for the benefit of the Parties only and for the benefit of the owners of the Bonds or other bonds described above. No person or entity is intended to ever be a third party beneficiary of this Restated Agreement except the owners of the Bonds and such other bonds.

If either Party fails to make any payment due hereunder at times specified herein, or either Party fails to abide by the provisions of this Restated Agreement, this Restated Agreement may be enforced by the other Party hereto in a court of competent jurisdiction to enforce the provisions of this Restated Agreement, for damages or to obtain any other remedy that may be available in law or in equity, including specific performance of the provisions of this Restated Agreement. The provisions of this Section are not intended as a limitation on the remedies that may be available in case of breach of this Restated Agreement.

8. No failure or delay on the part of any Party to this Restated Agreement to enforce the provisions hereof shall operate as a waiver thereof, nor shall a single or partial enforcement of any provision hereof preclude any other or further enforcement or exercise of any other right, power or remedy that any party of this Restated Agreement may have.

9. Time is of the essence to this Restated Agreement. Each Party agrees that it shall perform all of its obligations under this Agreement promptly when required.

10. This Restated Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and their assigns. No assignment of this Restated Agreement or any right or obligation hereunder by any of the Parties shall be valid unless the other Party consents to that assignment in writing.

11. This Restated Agreement may be modified at any time by the Parties, but only by a written instrument signed by each of the Parties.

12. If any provision of this Restated Agreement is deemed to be invalid or unenforceable, the invalidity or unenforceability shall not affect the remaining provisions of this Restated Agreement that can be given effect without the invalid or unenforceable provision, and the Parties agree to replace the invalid or unenforceable provision with a valid provision which has as nearly as possible the same effect.

13. This Restated Agreement may be executed in one or more counterparts, each of which shall be regarded as the original and all of which shall constitute the same agreement.

14. By approving and executing this Restated Agreement, the City is Authorizing and Consenting to undertakings of the Agency and finding that these actions are in compliance with and furtherance of the Redevelopment Plan.
