Comments: Allowing less green space or less trails or lack of culs-de-sacs or hammerhead street ends makes the lots in the sub development less likely to maintain their value. It also makes them less desirable should the original buyer wish to resale.

Comments: We do not want 2 and 3 story homes facing our backyard!! We were told that the desert property behind our back wall was zoned for commercial ONLY when we purchased our home. If we knew they were going to put 2 and 3 story homes behind us we would have never even bought it !!!
Thanks,
Alex and Brandi Mazzola
