

To Whom it may concern

Hello, My Name is Ranbir S Sidhu, im writing this justification letter today in regards to the special use permit for Homeowners at the Ogden Condominium building. In accordance to our cc&rs we are within guidelines to go ahead and request the Short term Rental Process to obtain a SUP. Aside from the rules and Las Vegas has been an amazing place to live. Las Vegas has given plenty of Job opportunities and is an amazing city to conduct business. As a Business Owner, Former Las Vegas Hospitality trained, and a Member of the Local 165 Bartenders union, and Clark High School as my alma mater. I would be a great fit and host to ensure all rules and regulations are met and exceeded. During the guest stay i will NOT be in the unit.

- Thank you
