**\*\* STAFF REPORT \*\***

**PROJECT DESCRIPTION**

The subject site has been operating as a Short-Term Residential Rental with a business license issued on 02/01/17 on the property located at 1908 Chapman Drive, but requires a Special Use Permit to continue operating after 6/30/19 per Ordinance No. 6585.

**ISSUES**

- Pursuant to Title 19.12, a Short-Term Residential Rental use is permitted in the R-1 (Single Family Residential) zoning district as a Conditional Use.
- The applicant will not comply with the owner occupied requirements and bedroom limitations of the conditional use regulations and therefore per Title 19.12.040 a Special Use Permit is required.
- The applicant has been operating a Short-Term Residential Rental at this site under business license (G65-00784) issued on 02/01/17. The applicant received planning approval through a Conditional Use Verification (CUV-68497) approved on 02/01/17. The applicant began operations prior to the requirement of a Conditional Use Verification or Special Use Permit for a Short-Term Residential Rental use. As a result of Ordinance 6585, adopted on 06/21/17, existing Short-Term Residential Rentals are required to be approved via a Special Use Permit prior to 07/01/19.

**ANALYSIS**

The subject property located at 1908 Chapman Drive contains a Short-Term Residential Rental use that is zoned R-1 (Single Family Residential) and is subject to Title 19 requirements. The dwelling contains four (4) bedrooms per Clark County Assessor records. The Short-Term Residential Rental definition specifically prohibits the rental or occupancy of an accessory structure (Class I or II), a tent, a trailer or a mobile unit. Staff has included a recommended condition that includes that restriction.

A Short-Term Residential Rental use is permitted in the R-1 (Single Family Residential) zoning district as a Conditional Use. The proposed use would not meet the Conditional Use Regulations requiring it to be owner occupied during each period the unit is rented and to contain three or fewer bedrooms; therefore, per Title 19.12.040 a Special Use Permit is required. If another Short Term Residential Rental Special Use Permit (SUP)

is approved within the 660-foot separation radius after a complete application is submitted, the additional SUP may factor into the determinations made by staff, Planning Commission and City Council. Further, it may necessitate additional waivers, renotification at the expense of the applicant, and delays in obtaining final action.

The Short-Term Residential Rental use is defined as “The commercial use, or the making available for commercial use, of a residential dwelling unit for dwelling, lodging or sleeping purposes, wherein any individual guest rents or occupies the entire dwelling unit or one or more individual rooms within the unit for a period of less than 31 consecutive calendar days. This use does not include a “Community Residence,” “Facility for Transitional Living for Released Offenders,” or any other facility with dwelling units that is specifically defined in Chapter 19.18. For purposes of this Title, this use does not include the rental or occupancy of an accessory structure (Class I or II), a tent, a trailer or a mobile unit. In the case of a single parcel containing more than one dwelling unit, each dwelling unit constitutes a separate short-term residential rental use.” Per justification letter stamped 10/23/18, the house is intended to serve as a vacation rental.

The Minimum Special Use Permit Requirements for this use include: (The requirements marked with an asterisk cannot be waived.)

- \*1. The operator must obtain a business license to operate the use.

*The applicant will be required to maintain the current business license.*

- \*2. The use must comply on an ongoing basis with all governmental licensing and regulatory requirements, including the payment of applicable room taxes and licensing fees.

*The active business license issued for this Short-Term Residential Rental will be subject to license renewal and annual compliance review to ensure that all regulatory requirements continue to be met.*

- \*3. The use must comply with the City’s noise regulations as they apply to residential uses, as well as any applicable provisions of the Municipal Code that may pertain to odor nuisances.

*The Code Enforcement Division will investigate noise and odor nuisance allegations and take enforcement action when appropriate. Reports of violations will be forwarded to the Business Licensing Division for action when appropriate.*

**Staff Report Page Three**  
**December 11, 2018- Planning Commission Meeting**

- \*4. Vehicle parking associated with the use shall comply with applicable parking regulations, and vehicles of guests and invitees shall not obstruct traffic or access to other properties in the area.

*The Code Enforcement Division will investigate traffic and access obstruction allegations and take enforcement action when appropriate. Reports of violations will be forwarded to the Business Licensing Division for action when appropriate.*

- \*5. In addition to and independent of any enforcement authority or remedy described in this Title, the failure to comply with a Minimum Special Use Permit Requirement or other condition of approval associated with this use may be enforced as in the case of a violation of Title 6 by means of a civil proceeding pursuant to LVMC 6.02.400 to 6.02.460, inclusive.

*The current business license will be subject to license renewal and annual compliance review to ensure that all regulatory requirements continue to be met.*

- \*6. The use is allowed in the P-O, O, C-1, C-2 and C-PB Zoning Districts only in connection with the residential component of a mixed-use development or in a dwelling unit permitted as a legal nonconforming use.

*This condition does not apply, as the subject site is not zoned P-O, O, C-1, C-2 or C-PB.*

- \*7. The maximum occupancy of the residential dwelling unit shall not exceed the limits provided for in LVMC 6.75.090.

*The Code Enforcement Division will investigate maximum occupancy allegations and take enforcement action when appropriate. Reports of violations will be forwarded to the Business Licensing Division for action when appropriate.*

- 8. The use may not be located closer than 660 feet to any other Short-Term Residential Rental use (measured from property line to property line).

*The proposed use meets this requirement, as the subject property is 849 feet from the nearest Short-Term Residential Rental use.*

The applicant has been operating a Short-Term Residential Rental at this site under business license (G65-00784) issued on 02/01/17. The applicant received planning approval through a Conditional Use Verification (CUV-68497) issued on 02/01/17. The subject use is located more than 660 feet from another Short-Term Residential Rental use; therefore, staff recommends approval of this request.
