Re: U-34-59 (HO)

Dear Mr. Bialac:

At the regular meeting of the Board of Zoning Adjustment held September 25, 1969, consideration was given to your request for a Home Occupation Permit to allow a mail order business in philatelic items (stamps & coins) on property generally located at 2105 Michael Way between Stacey Avenue and Sawyer Avenue in Land Use Zone, I-1.

It was voted by the Board of Zoning Adjustment to approve this item as being in accord with the general spirit and purpose of the Ordinance subject to the following condition:

1. If any complaint arises regarding this operation, it be brought back for public hearing and review.

Sincerely,

Harold P. Foster
Senior Planner
Acting for Don J. Saylor
Director of Planning

HPF:bjw

Jones, appeared. He stated they have improved 180 feet fronting on Decatur to a depth of 660 feet. They are asking for a sign that would direct the traffic to the entrance to the used car sales area.

There being no further comments or protests, Chairman Hoggard declared the public hearing closed.

Mr. Johnston moved that the application of FLETCHER JONES CHEVROLET for a Variance to allow a 40 sq. ft. double face sign at entrance of Used Car and Truck Department on property generally located on the west side of Decatur Boulevard between Alta Drive and Mayflower in Land Use Zone, C-2 be APPROVED; seconded by Mr. White and unanimously carried.

Application of ALFRED A. POLACO for a Home Occupation Permit to allow mail order business only in connection with Fiberfab Inc. on property legally described as Lot 185, Block 6, Meadow Homes Unit #3, and generally located at 120 Kathy Jo Way in Land Use Zone, R-1.

Mr. Foster stated this is an application for a Home Occupation Permit. We do not normally conduct public hearings unless requested by the Board. The applicant has sent us a letter in response to ours requesting him to be here and he is unable to attend the meeting. He explains the type of operation in this letter. Mr. Foster then read the letter to the Board. He stated the applicant answered the questionnaire satisfactorily with all "NO" answers. Staff believes this is a typical type of home occupation which is acceptable. It is up to the Board to either hold a public hearing, approve, or deny the application. If approved, staff would request a condition that if any complaints arise, it be brought back for a review.

Mr. Johnston moved that the application of ALFRED A. POLACO for a Home Occupation Permit to allow mail order business in connection with Fiberfab Inc. on property generally located at 120 Kathy Jo Way north of Sunrise Avenue in Land Use Zone, R-1 be APPROVED subject to staff's recommendations; seconded by Mr. White and unanimously carried.

Application of SHELLY BIALAC, DBA SHELLY STAMP CO. for a Home Occupation Permit to allow a mail order business in philatelic items (stamps and coins) on property legally described as Lot 69, Block 6 of Charleston Heights 50B, and generally located at 2105 Michael Way between Stacy Avenue and Sawyer Avenue in Land Use Zone, R-1.

Mr. Foster stated this is located in an R-1 zone on Michael Way in the northwest part of the City. This is primarily a mail order business for stamps and coins. On the questionnaire, he answered two questions "yes" with clarifying comments by each and it still appears to be within

the realm of a home occupation. Staff would like to make sure there isn't any extra vehicular traffic. It is up to the Board to hold for public hearing, approve or deny the application. If this application is approved, staff recommends the condition that if any complaint arises we bring it back for review.

MR. BIALAC, the applicant, appeared. He stated the purchases and sales will be done by mail or telephone. He has been a stamp collector for a good many years and desires to go into the mail order business on stamps. There will be very little coin business. As far as vehicular traffic is concerned, only if he happens to purchase a large order, it would come by parcel post which is not out of the ordinary. This would not be an every day, every week, or even an every month occurrence. There will be advertising in the newspaper but all inquiries will be addressed to a post office box.

Mr. Johnston asked if anyone would be coming to his home to view his collection.

Mr. Bialac replied he would make an appointment with them to meet somewhere else. His collection will not be shown in the home.

Chairman Hoggard asked if he was just going into this business.

Mr. Bialac stated he does know the business because he has been a collector for a long time. He is relatively new resident of Las Vegas and feels this will be an additional source of income.

Mr. White moved the application of SHELLY BIALAC DBA SHELLY STAMP CO. for a Home Occupation Permit to allow a mail order business in philatelic items (stamps and coins) on property generally located at 2105 Michael Way between Stacey Avenue and Sawyer Avenue in Land Use Zone, R-1, be APPROVED subject to staff's recommendations. The motion was seconded by Mr. Robbins and unanimously carried.

9. U-35-69 (HO)

Approved

Application of WAYNE G. HATHAWAY for a Home Occupation Permit to allow Family Achievement Institute Program operation on a temporary basis of 6 months on property legally described as Lot 5, Block 22, Twin Lakes Village #5, and generally located at 1217 Arrowhead Avenue between Riverside and Turquoise in Land Use Zone, R-1.

Mr. Foster stated this is in the Twin Lakes Subdivision and located northwest part of the City in an R-1 zone. We are not quite sure what the operation really is and would like to hear from the applicant.

MR. HATHAWAY, the applicant, appeared and stated the Family Achievement is associated with Art Linkletter. The reason he will be using his home is to avoid the high overhead in a commercial area; however, he hoped to move into a commercial area within three months.
