**RE: 22-0412 [VAC1 AND TMP1]
CITY COUNCIL MEETING OF OCTOBER 19, 2022**

Dear Applicant:

The City Council at a regular meeting held on **October 19, 2022** voted to **APPROVE** the following Land Use Entitlement project requests on a portion of 106.18 acres at the southwest corner of Iron Mountain Road and Sheep Mountain Parkway (APN 126-12-101-003), T-D (Traditional Development) Zone [L (Residential Low) Skye Canyon Special Land Use Designation], Ward 6 (Fiore)

22-0412-VAC1 - VACATION - PETITION TO VACATE PUBLIC RIGHT-OF-WAY EASEMENTS GENERALLY LOCATED AT THE SOUTHWEST CORNER OF IRON MOUNTAIN ROAD AND SHEEP MOUNTAIN PARKWAY. NOTE: The easements being considered in the application are SLOPE easements.

22-0412-TMP1 - TENTATIVE MAP - SKYE CANYON PARCEL 5.06 - FOR A PROPOSED 449-LOT SINGLE-FAMILY DETACHED AND ATTACHED RESIDENTIAL SUBDIVISION

This approval is subject to the following conditions:

22-0412-VAC1 Conditions:

Planning

1. The limits of this Petition of Vacation shall be unused slope easement that is west of Sheep Mountain Parkway and south of Iron Mountain Road.
2. Wall construction and grading is allowed within the Public Slope Easement prior to the recordation of the Order of Vacation. However, the Order of Vacation shall not record until a retaining wall is constructed, inspected, and accepted by the City to eliminate the need for the Slope Easement.
3. This Order of Vacation shall record immediately prior to and concurrent with any mapping action or recording of rights-of-way or easements.

4. All public improvements, if any, adjacent to and in conflict with this vacation application are to be modified, as necessary, at the applicant's expense prior to the recordation of an Order of Vacation.
5. Reservation of easements for the facilities of the various utility companies together with reasonable ingress thereto and egress there from shall be provided if required.
6. All development shall be in conformance with code requirements and design standards of all City Departments.
7. The Order of Vacation shall not be recorded until all of the conditions of approval have been met provided, however, the conditions requiring modification of public improvements may be fulfilled for purposes of recordation by providing sufficient security for the performance thereof in accordance with the Subdivision Ordinance of the City of Las Vegas. City Staff is empowered to modify this application if necessary because of technical concerns or because of other related review actions as long as current City right-of-way requirements are still complied with and the intent of the vacation application is not changed.
8. If the Order of Vacation is not recorded within four (4) years after approval by the City of Las Vegas or an Extension of Time is not granted by the Planning Director, then approval will terminate and a new petition must be submitted.

22-0412-TMP1 Conditions:

Planning

1. Approval of the Tentative Map shall be for no more than four (4) years. If a Final Map is not recorded on all or a portion of the area embraced by the Tentative Map within four (4) years of the approval of the Tentative Map, this action is void.
2. Approval of Minor Deviations (22-0412-DVN1 through DVN21) and Vacation (22-0412-VAC1) shall be required, if approved.
3. Street names must be provided in accordance with the City's Street Naming Regulations.
4. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.
5. In conjunction with creation, declaration and recordation of the subject common-interest community, and prior to recordation of the Covenants, Codes and Restrictions ("CC&R"), or conveyance of any unit within the community, the Developer is required to record a Declaration of Private Maintenance Requirements ("DPMR") as a covenant on all associated properties, and on behalf of all current and future property owners. The DPMR is to include a listing of all privately owned and/or maintained infrastructure improvements, along with assignment of

maintenance responsibility for each to the common interest community or the respective individual property owners, and is to provide a brief description of the required level of maintenance for privately maintained components. The DPMR must be reviewed and approved by the City of Las Vegas Department of Field Operations prior to recordation, and must include a statement that all properties within the community are subject to assessment for all associated costs should private maintenance obligations not be met, and the City of Las Vegas be required to provide for said maintenance. Also, the CC&R are to include a statement of obligation of compliance with the DPMR. Following recordation, the Developer is to submit copies of the recorded DPMR and CC&R documents to the City of Las Vegas Department of Field Operations.

6. All development is subject to the conditions of City Departments and State Subdivision Statutes.

Public Works

7. No permits shall be issued and no Final Maps for this site shall record until all remaining Master Developer infrastructure identified in the Skye Canyon Development Agreement is constructed or guaranteed to the satisfaction of the Director of Public Works.
8. Private streets must be granted and labeled on the Final Map for this site as Public Utility Easements (P.U.E.), Public Sewer Easements, and Public Drainage Easements to be privately maintained by the Homeowner's Association.
9. No walls, signs, lights, parking area, buildings or other structures, or permanent landscaping having a mature height of greater than 3-feet shall be placed anywhere in any public sewer easement or in the vehicle ingress or egress pathways to such easements.
10. Grant a minimum 20-foot wide Public Sewer Easement to be privately maintained for the public sewer within Common Element "Q" on the Final Map for this site.
11. The proposed unit count of 448 is greater than the capacity reserved for Parcel 5.06 per the Skye Canyon West Wastewater Masterplan (WWMP). Provide a WWMP Update justifying the increased flow to Skye Canyon Park Drive. Update the reserved capacities for the parcels fronting Skye Canyon Park Drive to verify that the added flow from 5.06 will not cause downstream capacity shortfalls. Comply with the recommendation of the Sanitary Sewer Section of the Department of Public Works.
12. An update to the previously approved Master Traffic Impact Analysis must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits or the submittal of any construction drawings, whichever may occur first. Comply with the recommendations of the approved update to the Traffic Impact Analysis prior to occupancy of the site. Phased compliance will be allowed if recommended by the approved Traffic Impact Analysis. No recommendation of the approved Traffic Impact Analysis, nor compliance therewith, shall be deemed to modify or eliminate any condition of approval imposed by the Planning Commission or the City Council on the development.

13. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits or submittal of any construction drawings, whichever may occur first. Provide and improve all drainageways recommended in the approved drainage plan/study. The developer of this site shall be responsible to construct such neighborhood or local drainage facility improvements as are recommended by the City of Las Vegas Neighborhood Drainage Studies and approved Drainage Plan/Study concurrent with development of this site. Any Drainage right of way or public drainage easements that need to be vacated must be addressed by the approved drainage study and any new drainage easements indicated by the study must be granted and must record concurrently with the Order of Vacation.
14. As per Unified Development Code (UDC) 19.16.060.G, all requirements must be complied with or such future compliance must be guaranteed by an approved performance security method in accordance with UDC sections 19.02.130.
15. The approval of all Public Works related improvements shown on this Tentative Map is in concept only. Specific design and construction details relating to size, type and/or alignment of improvements, including but not limited to street, sewer and drainage improvements, shall be resolved prior to approval of the construction plans by the City. No deviations from adopted City Standards shall be allowed unless specific written approval for such is received from the City Engineer prior to the recordation of a Final Map or the approval of subdivision-related construction plans, whichever may occur first. Approval of this Tentative Map does not constitute approval of any deviations. If such approval cannot be obtained, a revised Tentative Map must be submitted showing elimination of such deviations.

The Notice of Final Action was filed with the Las Vegas City Clerk on October 19, 2022.

Sincerely,

Seth T. Floyd
Director of Community Development
Department of Planning
