Subject: Customer Service List Abolishment- Approval

Hello,

A request was put in for abolishment of the list for the Customer Service Representative due to the age of the list (almost one year and 3 months). An updated recruitment has been completed and a new list is ready to certify. Instead of allowing the expiration of the list previously in March, we extended it knowing we would request to abolish the old list and certify the new list. This would ensure that we would not be without a Customer Service Representative list for any vacancies that may have come up between the gap.

Please let me know if you have any questions.

Thank you!
