

Youth Neighborhood Association Partnership Program (YNAPP) Grant Review Board Agenda

1. **Call to Order and Roll Call**
2. **Announcement Regarding: Compliance with Open Meeting Law**
3. **Public Comment:** Comment during this portion of the agenda must be limited to matters on the agenda for action. If you wish to be heard, come forward and give your name for the record. The amount of discussion, as well as the amount of time any single speaker is allowed, may be limited.
4. Report on Youth Neighborhood Association Partnership Program Applications submitted by Las Vegas Light of the World Church - Care packages for Elders; LLDM Youth Volunteers - The Light of the World Youth Volunteers; Heroes & Hearts - The Blessing Project; Jobs for Nevada's Graduates - Operation Sibling; CC Ronnow Elementary School - One World, One Night; and Cheyenne High School Batteries Included/GEMS - Teddy Bears & Tees
5. Presentations on Youth Neighborhood Association Partnership Program applications by presenters listed on the December 6 and 9, 2021 agendas who were excused by the Board on the presenter's originally scheduled meeting date
6. Discussion for possible action regarding the scoring and recommended funding of the Youth Neighborhood Association Partnership Program for Fiscal Year 2021-22
7. **Citizen Participation:** Public comment during this portion of the agenda must be limited to matters within the jurisdiction of the Board. No subject may be acted upon by the Board unless that subject is on the agenda and is scheduled for action. If you wish to be heard, come forward and give your name for the record. The amount of discussion on any single subject, as well as the amount of time any single speaker is allowed, may be limited.
8. **Adjournment**

Facilities are provided throughout City Hall for the convenience of persons with disabilities. Reasonable efforts will be made to assist and accommodate persons with disabilities or impairments. If you need an accommodation to attend and participate in this meeting, please call the City Clerk's office at 702-229-6311 and advise of your need at least 48 hours in advance of the meeting. Dial 7-1-1 for Relay Nevada.

THIS MEETING HAS BEEN PROPERLY NOTICED AND POSTED AT THE FOLLOWING LOCATIONS
IN ACCORDANCE WITH THE NOTICING STANDARDS AS OUTLINED IN NRS 241.020:

Youth Neighborhood Association Partnership Program

Neighborhood Youth Serving the Community

Summary of Presentations

(Information compiled from ZoomGrants.com Application)

Monday, December 13, 2021

3:45 p.m. – Las Vegas Light of the World Church – Care Packages for Elders

Me and the members of my group got together and brainstormed ideas of ways we could help our community. We came up with four ideas and voted which one would be the best for us. We chose care packages for the Elders

3:45 p.m. – LLDY Youth Volunteers – The Light of the World Youth Volunteers

Our project was selected as a group, debating on many projects and came to this awesome project, where we will be handing out baskets for our elderly women on Mother's Day. We will be handing out baskets with goods and needs that we think they will need and make them feel special.

4:15 p.m. – Heroes & Hearts – The Blessing Project

"The Blessing Project" was birthed from the heart of a four year old social entrepreneur and philanthropist, Mr. Justyn Boumah, who saw a need with essential workers during the heart of the 2020 pandemic. Specifically Justyn, now six years old and CEO/Founder of Heroes and Hearts, Inc, asked the pivotal question of, "Why don't I see Garbagemen being thanked on the news?" When no one in his family could answer why these important community workers were not being highlighted like our incredibly hardworking medical professionals who were and are on the frontlines, every day, Justyn boldly stated, "I want to thank them." and with that statement and determination nearly 300 essential workers: Police Officers, FBI Agents, Construction Workers, Bus Drivers, Medical Professionals, Culinary Professionals, Librarians, Firefighters, Members of Clergy, and yes Garbage Men and Women, as well as others have received Justyn's "Thank You Bags". The "Thank You Bags" to our community workers are filled with some of Justyn's favorite things M&M's, Goldfish crackers, granola bars, hand sanitizer, soup (cup of noodles), bubblegum, pens and pencils, notebooks, masks and tissue.

4:15 p.m. – Jobs for Nevada's Graduates - Operation Sibling

Operation Siblings is an after-school program dedicated to helping eighth-graders at K.O Knudson Middle School transition into high school. We plan to provide tutoring services, give foresight into what the high school environment will look like, and provide them with the funds necessary to succeed in high school. Each class was tasked with developing their own service project and those projects were later presented at our career association meeting. We then put it to a vote and Operation Siblings emerged the victor.

We plan on fundraising in order to create a grant for economically disadvantaged future high schoolers to pay off their corresponding high school fees.

4:15 p.m. – CC Ronnow Elementary School – One World, One Night

To promote cultural awareness through food experiences. In preparation of the event, students learn about cultures, which will culminate in a family engagement night where families can "travel" to various countries to learn about the cultures and to try the food from different cultures. Youth volunteers will learn about the cultures, do arts and crafts projects, and determine which foods to feature on the day of the event. The adult advisor had previously done this project, and when presented with possible ideas, the students were interested in doing another project like this. Families of the students at the school will be invited to attend the One World, One Night event where they will receive a "passport" to "travel" to various countries.

4:45 p.m. – Cheyenne High School Batteries Included/GEMS – Teddy Bears & Tees

Our objective is to inspire, educate, and motivate young children in a fun and unique way. We plan to have approximately 15 educational and etiquette stations in which our young attendees can visit each one and learn a specific skill. Our desire to give back to our community and our younger kids was overwhelming. Through their participation in these valuable educational activities would be beneficial.

4:45 p.m. – Kay Carl Student Council – Kay Carl Gratitude Gifts

Our student council members will be creating gratitude boxes to deliver to our local community members who serve our community every day. Some get recognized, but most do not. So we wanted them to know we appreciate them and recognize their hard work. We selected this project because during the pandemic many essential workers didn't receive the gratitude they deserved. They risked their lives and health daily to serve others. We will open the making of the boxes and the delivery process to others in our community.

4:45 p.m. – Coping Kids – Coping Skills for Kids

We currently offer peer support groups to various kids (in 3 separate parts of town) to teach coping skills and how to identify and articulate emotions. Most children have experienced some degree of trauma, stress, and/ or loss. We have limited supplies to use for our activities and would like to purchase them as well as workbooks for the kids to take home and use during the times they are most "at-risk". We would offer these workbooks to the kids and we would keep the supplies used for the activities to be used now and in the future. We would also like to create a training manual and reproduce those so that this kind of support can be continued after I have left for college in 2.5 years.

--- 5:30 p.m. BOARD MEMBER DINNER ---

6:15 p.m. DELIBERATIONS

Mother's Day Gift Baskets

LLDM Youth Volunteers

We are a youth group from The Light of the World Church. The Light of the World Church instills moral values to their youth, teaching us to respect ourselves and others and do good in our community.

Through our church youth group we volunteer in different community events like vaccine drives, neighborhood cleaning, and other activities.

This is the first time that our group is applying for the YNAPP Grant.

RETIREMENT HOME CARE PACKAGES (Gift Baskets)

- Give gift baskets to elderly women on Mother's Day to show appreciation for their special role in our community.
- LOCATION: Arthur McCants Manor (East Las Vegas)
- IMPACT: By going out to give these Care Packages, we are demonstrating our appreciation to all the mothers who are in this place, showing that there are people who care about them. We know that some of these places can get lonely and by going out and gifting them these baskets, we hope to make them feel special and remembered. Hoping to make their day!
- PARTICIPANTS: Youth volunteers.

Budget

- Amount Requested: \$1,250
- The money will be spent by buying all the products that we need and start fixing them to get ready to hand them out to the elderly.
- Our community service hours will be 45. Those hours will be spent by getting the items, getting the baskets ready and handing them out to the elderly. We have 15 young women volunteering to make these baskets.

The Distribution:

1. Put flyers in the lobby
2. Drop them in people's homes
3. Invite residents to receive their gifts at a Mother's day gift party

Getting the Word Out

- Before and after every volunteer activity there will be meetings to reflect on what can be done to improve and set goals.
- Our experiences will be shared by using social media platforms. It will also be talked about in our church with all members and can be referred to as an example.

Why Should the Grant Review Board Fund Our Project?

- Recently the Arthur McCants Manor apartments got caught on fire causing the elders who were affected to move out. How do I know about this? A friend of mine had told me about the incident that happened. Her own grandmother who lived there was affected. Thankfully, she has people that care for her and check up on her, but there are women who don't have the same care. We think it would help if we gave them gift baskets that contain self care products and other small gestures. We want to help them with these gift baskets so they can feel like they are being supported.

Conclusion

- We want to make the elderly have a great time, make them happy and spread all the happy energy our youth has.
- Being part of this project so far has been a great experience for me and the youth volunteers. Creating this project gave me hope that we can all come together to make our community a better place.
- We hope to come back with more projects, more opportunities and to be part of the YNAPP team. It's a great program and we are glad to part of it!

Gift Baskets for the Elderly

(Fathers day)

About me

Hello my name is Simri Perez. I am 16 years old. I love working with other people and communicating with others. I have organized a group of young people to help elders and make elderly Father's Day boxes for them. I have done community work in the past and I hope to the same here and have an wonderful experience while doing it.

Retirement Home Care Packages (gift baskets)

We will give the elderly men Father's Day gift baskets and show our gratitude for everything they give us.

LOCATION: Arthur McCants Manor (East Las Vegas)

Reasons: By giving these care packages to them, we show them how grateful we are towards them. Some elderly maybe haven't seen their grandchildren ever since the pandemic and maybe what some quality time with young people to share all the things they have already experienced

Participants: Youth volunteers.

Group Description

Our organization is a group of 15 young boys from 12-19 year olds from this community and It's our first time applying for funding. We have never gotten any funding at all in the past, we are asking for \$1,058

Project Description

How did you come up with the idea for your project?

We had a group discussion on what we could help our community active more with this program

What will need to be done and who will do it?

We will need the materials we asked for so we can make the boxes for the elders

How will youth and adults work together in this project

The youth will make the boxes and organize them and the adults will transport and accompany us to the elderly home. We will go to Aurther Mccants Manor (elderly home) and give them Father's Day gift baskets

Why am I doing this?

When ever I pass through the manor I feel like the residents seem sad or depressed because though out this pandemic the seniors haven't been with their family members and it probably affects their mental health. What I want to do is make gift boxes for them with goodies and spend time with them and share stories with them. My goal is to put a smile on their faces.

Budget

- Are budget is \$1,058 and we plan to spend all of the funds.
Hair combs,Loofa, shaving creams, boxes, Chap sticks, razors, and slippers.
- We will be spending all of are funds on supplying gifts we need.
- The members of my group are planning to make 64 gift baskets
- Are team has pledged a total of 35 hours of volunteering.

Getting the Word Out

One way we are getting the word out is through social media and talking to other people about this project. Social media is the best way of getting the word out because it's free and other people who we didn't even know existed can reach it and also share it to other people. We will also make fliers and distribute them to the members of the building.

Why Should the Grant Review Board Fund Our Project?

It give the youth of our community a chance to show our gratitude for all people of olderage that have taught us a younger people. It also gives an opportunity to show our great fullness to them and just trying to put a smile on their face.

Conclusion

I feel this opportunity with help us as youth to cherish his moments with the elders. I also think this would help us as youth to do a project like this again, so they can have a memorable fathers day experience.

Operation Siblings

Kanisha Harrell, Bryan Romero, Rafael Pena, Cristian Cernas, Elaina Catillon

What is it?

The commanding goal of Operation Siblings is to help make the transition from middle school to high school run smoothly. We would like to do this by bringing awareness to all of the opportunities high school provides, as well as raising money to support students throughout all of their high school endeavors. Each of our members will serve as mentors to a group of eighth graders.

How

Project Determination:

- Presented different ideas to the class, voted on the best one
- The winning idea from each class was presented to the Career Associations group, and Operation Siblings emerged the victor

Plans:

- Biweekly tutoring at K0 Knudson Middle School
- School tour at Valley High School
 - Representative from each club/organization
 - School resource representatives
- Carnival to raise money for a school fund

Volunteers:

- Brandon Romero
- Allison Aguilar, an 8th grade ambassador from K0
- Entire Jobs for Nevada Graduates program

YNAPP Background

- In February of 2020, we received \$1,250 to fund Project YAY.
- We filled backpacks for homeless youth
- We donated clothes to the Nevada Partnership for Homeless Youth (NPHY)
- We held an event where we put together backpacks at the East Las Vegas Community Center

Previous Project

Project Necessities

Tutoring Supplies (pens, pencils, notebooks, paper,)	\$150
--	-------

Dunk Tank	\$350
-----------	-------

Potato Sacks	\$19
--------------	------

$\frac{3}{4}$ Inch Thick Rope	\$10
-------------------------------	------

Face Paint	\$30
------------	------

Basketballs(donated)	\$0
----------------------	-----

1 $\frac{1}{4}$ Inch Thick Rope	\$32
---------------------------------	------

Pie Tins	\$10
----------	------

Whipped Cream, Sugar, Baking Soda, Cookie Tins, Tooth Picks	\$100
--	-------

Necessities Continued

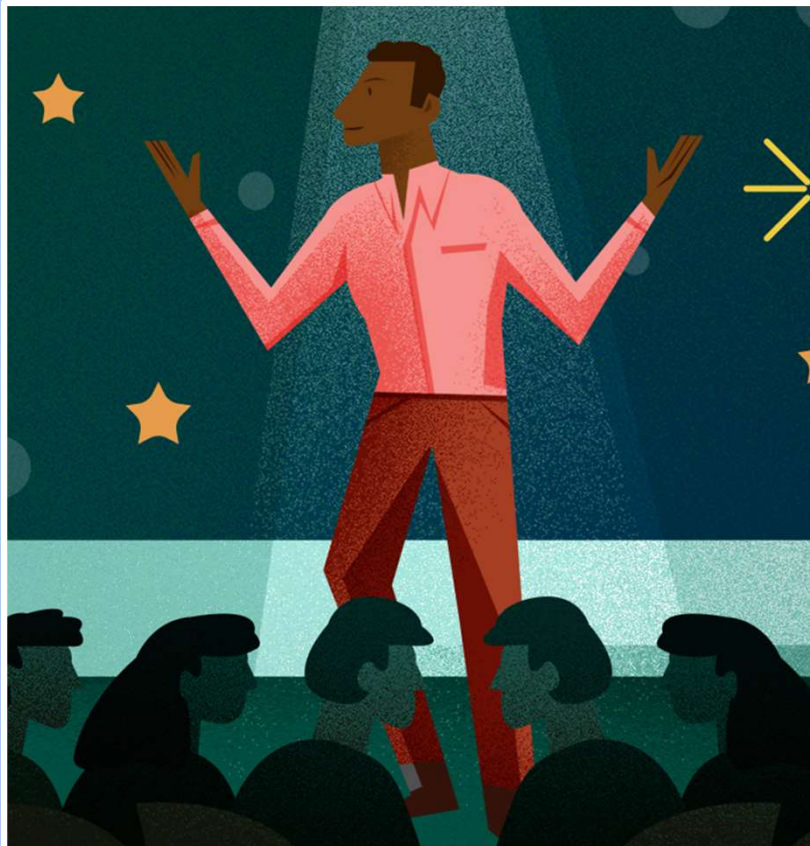

Ring Toss	\$37
Paint	\$80
Tables(Folding tables)	\$228
100ct Mini Stuffed Animals	\$84
Giant Uno	\$15
Giant Checkers	\$15
Giant Bowling	\$21
Down the Clown	\$50
Poster Boards	\$10
Wrist Bands	\$9

Tutoring

- Biweekly tutoring
- 30 Volunteers
- Each volunteer will take 1-2 students
- Content specific tutors

Getting the Word Out

- Presentation for last event
- Taking photos/ videos during event
- We are willing to present our YNAPP Project in the Showcase at the end of May

Why

- 63% of High School students in Las Vegas are economically disadvantaged.
- 76% of the students attending Valley High School are economically disadvantaged
- 100% of Middle school students attending KO Knudson are economically disadvantaged

Conclusion

- Operation Siblings help kids of the future by helping them gain resources and knowledge about what's to come when they enter high school
- Valley High School's J4NG program has been working on this project since September
- We plan to have an ongoing partnership and funds with K.O. Knudson
- All these plans will be executed with COVID protocols taken into consideration

CC Ronnow Elementary

One World, One Night

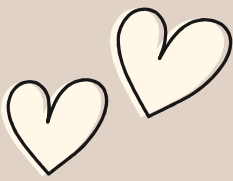

HELLO! We're

Zariah Calahan - Team leader

Elmer Amaya - Co-leader

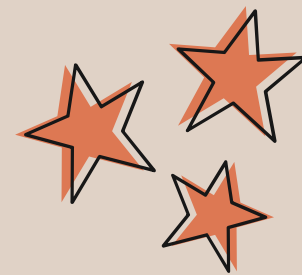

Itzel Serrano - Member

Reynaldo Cano - Member

Group Description

- CC Ronnow Elementary
 - An older community that loves to come together.
 - Some families have been in the neighborhood for generations.
 - A school hoping to show their students there is so much more to this world than just our little piece.

Project Description

- A multicultural night with families and LOTS of food
- Arts & Crafts
- At CC Ronnow ES
- Students and parents coming together to learn and experience different cultures and foods
- School's attitude and diversity gave us ideas

Why Should the Grant Review Board Fund Our Project?

Celebrating other people our school our families

Become a closer community

Conclusion

Coping Kids

COPING SKILLS FOR KIDS

Introduction

- Robert Barsel – Team Captain
- Coping Kids began in 2017
- Trained under best practices as dictated by the National Alliance for Grieving Children (NAGC)

Group Description – About Coping Kids

Coping Kids

- Started by me in 2017
- Comprised of kids and adults dedicated to providing mental health education to children 5-18 including but not limited to topics such as:
 - Being able to identify and articulate emotions
 - How to use healthy coping skills to manage said emotions

This is the first time that we have applied for YNAPP funding.

Who are the volunteers?

Kelly Knight

- 7 years of facilitator experience in the realm of peer support and grief groups

Symphony Wang

- Student at the Meadows School and president of the Peer Support Social (PSS) club

Erika Kiefer

- Recreational Therapist with a degree from BYU and an author of 3 Young Adult books.

Project Description

This project will benefit children at Nevada Youth Network, the Meadows School, and Project 150.

- Nevada Youth Network started in 2013 to help foster growth and independence in young people of color.
 - A Peer support group headed by Erika Kiefer, a Recreational Therapist, and my mother and me, trained peer support group facilitators, runs there every other week since 2019.
- Project 150 starting in 2011 offers support and services to homeless, displaced, and disadvantaged high school students in southern Nevada.
 - A peer support group headed by my mother and me has been offered there sporadically since mid 2021 as a workshop for youth development.

Nevada Youth Network

Project Description Continued

The Meadows School

- Founded as a college preparatory school in 1984 and educates approximately 850 students per year in grades preK-12
- I have attended Meadows since Kindergarten
- My family and I lobbied the Board for 5 years from 2012 to 2017 to hire a School Counselor to support students' mental health.
 - I proposed leading Peer Support groups within the elementary school student when I was in 7th grade and have been working on developing a student/counselor run program for the Elementary, Middle, and High Schools ever since.
 - I have been leading Elementary School Peer Support Groups there since 2019 and High School groups with Symphony and our school counselor since 2021.
 - In February 2022, groups will be starting in Middle School as well.

Project Description Continued

The project is **already** underway.

- Peer Support Groups have already been created or are in the process of being created.
- Training is being developed currently by Dr. Pugliese (School counselor) and me.
- Reproductions of workbooks have already been purchased; these funds will allow us to reproduce them for participants.
- Funds will also be used to purchase necessary materials for the activities Erika does so our organization can preform these activities when she is unavailable

Timeline

- Research and Reproduction of workbooks - February 2022
- Purchasing Supplies – February 2022
- Developing/Writing/Reproducing Training Manual – June 2022
- Peer Support Nevada Youth Network – March 2022
- Peer Support Project 150 – March 2022
- Peer Support Meadows Upper School – February-May 2022
- Peer Support Meadows Lower School – February-May 2022

Budget

Requested Funding amount - \$1,250

Items to Purchase for Project

- Color Reproduction of Workbooks 25 (Elementary) - \$467.50
- Color Reproduction of Workbooks 35 (Teens) - \$654.50
- Supplies for group activities - \$77.90
 - Bandanas, Hula Hoops, Cones, tarp, books, spoons, activity cards, therapy game, memory maze – total \$596.91
 - Money will go towards buying these materials
- Black and White Reproduction of Training Manual 10 - \$50.10
- Our team has pledged a total of **47** hours totaling **\$1,316** worth of volunteering, but will undoubtedly donate many more as we are currently donating more than that on a quarterly basis.

Getting the Word Out

Website

- Currently filling out paperwork to obtain our 501c3 status and developing a website
- Goal is to provide awareness about the issue of teen mental health and provide coping skills information online.

Future projects

- Currently creating a training manual to educate other kids on how to facilitate Peer Support Groups so that after I leave for college in 2024, the service can continue in Las Vegas.
- Joined the Leukemia and Lymphoma Society's Student of the Year program to learn how to fund raise in order to apply those skills to fundraising for Coping Kids.
 - Created a team for a 2022 fund raising campaign and developed an "elevator pitch" to target businesses for sponsorship.

Getting the Word Out Continued

Future projects Continued

- Would would like to propose a bill in the 2023 Legislative Session to require schools to:
 - Provide education about Mental Health
 - Teach coping skills and self-care as part of Middle and High School Health curriculum.

We would love to have this Board's help in spreading the word about this issue and welcome the opportunity to present at the YNAPP Project Showcase.

Why Should the Grant Review Board Fund Our Project?

This project is near and dear to my heart and has been a huge part of my life since I was 12 years old. Losing my father when I was 5 was just the first part of this journey for me. My family and I benefited from a Peer Support Group for grieving kids which helped my sister and me feel safe, supported, and normal at a time in our lives where none of those things were easy. I learned the value of support of my peers and how powerful feeling understood can be. After months of attending the group, I came to realize how healing it was to offer *my* support to others. That experience led to my desire to help kids who feel alone, isolated, and or misunderstood. I soon realized that those kids were everywhere...it didn't matter the socioeconomic background, race, religion, or even life experiences; kids were hurting and struggling everywhere for a multitude of reasons. At age 12, I decided to go through the year-long training at my Grief Group and became a trained facilitator. I then took our curriculum and generalized it so that it could be applied to any circumstance, not just grief. I worked with the Counselor at Meadows to fine tooth my curriculum and have been using it at Meadows since 2018, at Nevada Youth Network since 2019, and at Project 150 since earlier this year. The Pandemic made us miss Group at Nevada Youth Network and Meadows, and created even more isolation for our kids. That was when I realized that we needed to offer our participants something that they could take home to help them remember the skills they had learned in Group and thus, why we need funding.

Why Should the Grant Review Board Fund Our Project ? Continued

In the years that I have been facilitating groups, I have heard stories that have made my heart heavy, and I have seen how the collective support of group members has lifted children's spirits and given them the tools to work through their struggles. I have watched kids who have never trusted anyone be able to trust my mom and me and begin to open up and share a part of themselves that they had learned to keep quiet. I know what we do works...it worked for me, and I have seen it work for countless others. As human beings, understanding and support of others can be more healing than medicine or therapy. Now, more than ever, do we need to offer this support as kids struggle with mental health issues as it relates to the isolation, fear, and uncertainty of the Pandemic. Our nation is facing a new level of teen suicide and mental illness. In a December 7 article within the New York Times, it stated that "symptoms of depression and anxiety have doubled during the pandemic, with 25% of youth experiencing depressive symptoms and 20% experiencing anxiety symptoms." In addition, the article stated that "in early 2021, emergency department visits in the United States for suspected suicide attempts were 51% higher for adolescent girls and 4% higher for adolescent boys compared to the same time period in early 2019." All I wish is that my father's passing can somehow be of service to the many kids in our community struggling in some way.

Conclusion

Thank you for all that you do to help this community and for believing that kids can make a difference. I've seen this watching my sister at age 17 present her own bill to the Education Committee in the State Assembly to require that teachers be trained on how to support students who have experienced a trauma. She worked in junction with Dr. Malich, Clark County School District Counselors, and Channel 10 to create a 30-minute training that every public school district employee must watch annually. Her passion was educating teachers to help kids, while my passion is educating kids on how to support each other and themselves. I have seen her make concrete changes in our great state and I hope that this Board will provide me with funding to help me in my efforts to provide coping skills to struggling kids. Thank you for your time and consideration and happy holidays to you all.

Lanya Sanders - 11th

Get to Know Our Program

- Hello, we are the batteries included program coming from Cheyenne High School.
 - Batteries Included is a student lead program that focuses on building leadership skills and servicing our community
- We, as a group, do various things for our community:
 - Volunteer wherever help is needed.
 - Attend leadership conferences.
 - Plan and go on field trips to gain experience and knowledge.

We took the time to find capable members for our program, and even have some students from the Student Council here presenting with us today!

Project Description

We want to invite younger kids (age 7-8) to come to our Teddy Bears and Tees event to Adopt a bear and visit the six of our different stations! Each station is setup to teach the kids a skill that they can use in life. The goal is for them to learn while having fun!

- Every kid will receive a bear with a folder.
 - The folder will include the bear's birth certificate, the stamp card, and three bear bucks.
 - Every bear will be assigned a name before the workshop starts. And the stamp card (given at the start) will be stamped at each station by one of our various members.
 - Once you get to a particular station, we will have a little shop where the kids can use the three bear bucks given to them.
 - Each one is to be used for a shirt, pants, and an accessory of their choice.

Our Stations (in Order)

- Painting/Drawing
- Reading
- Making Friendship Bracelets
- Play-Doh
- How to Brush Your Teeth
- How to Tie Your Shoes

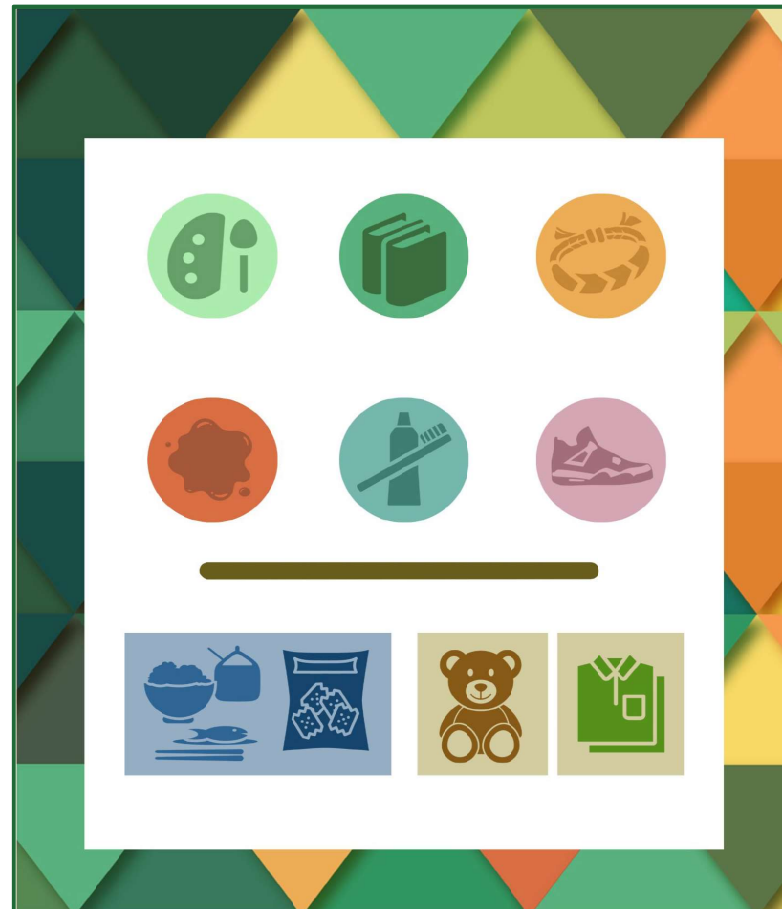

What's Our Budget Looking Like?

- We have **\$1250** (overall) for our entire budget! This is what it looks like:
 - 3 rectangle tables (6 for activities, 2 for concession stand/goodie bag table, 1 for teddy bear pick up/ adoption papers)
 - Snacks and Drinks
 - Masks (one for the teddy bear and extra for anyone who doesn't bring one)
 - Teddy Bears
 - Copies of Papers and Folders
 - Chairs
 - Hand Sanitizer

Budget (cont.)

- Additional things that are a part of our \$1250 budget include:
 - 3D Stickers
 - T-shirts
 - Bear Accessories (Shirts, Pants, Shoes etc.)
 - Paintbrushes
 - Crayons
 - Color pencils
 - Paint
 - Books

Outline #3

A vertical stamp card featuring a cartoon brown teddy bear on the left side. The bear has large eyes, a black nose, and is wearing a red bow tie. Its paws are visible at the bottom. The right side of the card is white and contains the title "TEDDY BEAR STAMP CARD" in a simple, uppercase font. Below the title is a line of text: "Take this with you; make sure you get a stamp from every station for a goodie bag!". Underneath this text are ten empty circles arranged in two rows of five, intended for stamps. At the bottom of the card is a red rectangular box with the word "Name:" in bold black text.

How We Plan to Get the Word Out

- Posters
- Flyers
- Digital flyers (Using Canva)
- School Promotion
 - On School Website
 - Bulletin Boards
- Email Teachers to Notify Students

Examples!

Why You Should Fund!

We want to bring kids together by:

- Having fun.
- Learning new things.
- Bonding with others.
- Taking care of themselves and those around them!

After COVID happened, some kids had to skip preschool/kindergarten or had school online. Because of this, many of them missed being taught certain things and missed out on have a kindergarten/preschool experience. So, we want to show the kids that we are here and care for them with Teddy Bears and Tees.

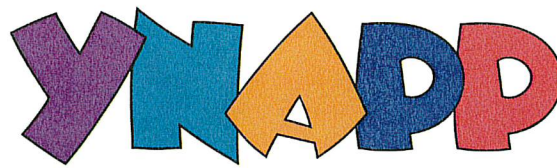

Any Questions?

**Thank You So Much For
Your Time!**

Have a Great Day!

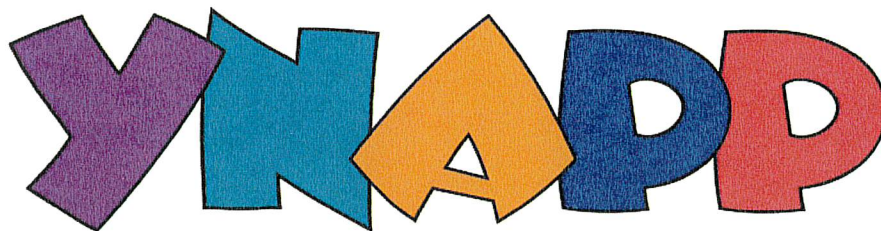

Youth Neighborhood Association Partnership Program

Neighborhood Youth Serving the Community

Summary of Presentations

(Information compiled from ZoomGrants.com Application)

Monday, December 13, 2021

3:45 p.m. – Las Vegas Light of the World Church – Care Packages for Elders

Me and the members of my group got together and brainstormed ideas of ways we could help our community. We came up with four ideas and voted which one would be the best for us. We chose care packages for the Elders

3:45 p.m. – LLDY Youth Volunteers – The Light of the World Youth Volunteers

Our project was selected as a group, debating on many projects and came to this awesome project, where we will be handing out baskets for our elderly women on Mother's Day. We will be handing out baskets with goods and needs that we think they will need and make them feel special.

4:15 p.m. – Heroes & Hearts – The Blessing Project

"The Blessing Project" was birthed from the heart of a four year old social entrepreneur and philanthropist, Mr. Justyn Boumah, who saw a need with essential workers during the heart of the 2020 pandemic. Specifically Justyn, now six years old and CEO/Founder of Heroes and Hearts, Inc, asked the pivotal question of, "Why don't I see Garbagemen being thanked on the news?" When no one in his family could answer why these important community workers were not being highlighted like our incredibly hardworking medical professionals who were and are on the frontlines, every day, Justyn boldly stated, "I want to thank them." and with that statement and determination nearly 300 essential workers: Police Officers, FBI Agents, Construction Workers, Bus Drivers, Medical Professionals, Culinary Professionals, Librarians, Firefighters, Members of Clergy, and yes Garbage Men and Women, as well as others have received Justyn's "Thank You Bags". The "Thank You Bags" to our community workers are filled with some of Justyn's favorite things M&M's, Goldfish crackers, granola bars, hand sanitizer, soup (cup of noodles), bubblegum, pens and pencils, notebooks, masks and tissue.

4:15 p.m. – Jobs for Nevada's Graduates - Operation Sibling

Operation Siblings is an after-school program dedicated to helping eighth-graders at K.O Knudson Middle School transition into high school. We plan to provide tutoring services, give foresight into what the high school environment will look like, and provide them with the funds necessary to succeed in high school. Each class was tasked with developing their own service project and those projects were later presented at our career association meeting. We then put it to a vote and Operation Siblings emerged the victor.

We plan on fundraising in order to create a grant for economically disadvantaged future high schoolers to pay off their corresponding high school fees.

4:15 p.m. – CC Ronnow Elementary School – One World, One Night

To promote cultural awareness through food experiences. In preparation of the event, students learn about cultures, which will culminate in a family engagement night where families can "travel" to various countries to learn about the cultures and to try the food from different cultures. Youth volunteers will learn about the cultures, do arts and crafts projects, and determine which foods to feature on the day of the event. The adult advisor had previously done this project, and when presented with possible ideas, the students were interested in doing another project like this. Families of the students at the school will be invited to attend the One World, One Night event where they will receive a "passport" to "travel" to various countries.

4:45 p.m. – Cheyenne High School Batteries Included/GEMS – Teddy Bears & Tees

Our objective is to inspire, educate, and motivate young children in a fun and unique way. We plan to have approximately 15 educational and etiquette stations in which our young attendees can visit each one and learn a specific skill. Our desire to give back to our community and our younger kids was overwhelming. Through their participation in these valuable educational activities would be beneficial.

4:45 p.m. – Kay Carl Student Council – Kay Carl Gratitude Gifts

Our student council members will be creating gratitude boxes to deliver to our local community members who serve our community every day. Some get recognized, but most do not. So we wanted them to know we appreciate them and recognize their hard work. We selected this project because during the pandemic many essential workers didn't receive the gratitude they deserved. They risked their lives and health daily to serve others. We will open the making of the boxes and the delivery process to others in our community.

4:45 p.m. – Coping Kids – Coping Skills for Kids

We currently offer peer support groups to various kids (in 3 separate parts of town) to teach coping skills and how to identify and articulate emotions. Most children have experienced some degree of trauma, stress, and/ or loss. We have limited supplies to use for our activities and would like to purchase them as well as workbooks for the kids to take home and use during the times they are most "at-risk". We would offer these workbooks to the kids and we would keep the supplies used for the activities to be used now and in the future. We would also like to create a training manual and reproduce those so that this kind of support can be continued after I have left for college in 2.5 years.

--- 5:30 p.m. BOARD MEMBER DINNER ---

6:15 p.m. DELIBERATIONS

Mother's Day Gift Baskets

LLDM Youth Volunteers

We are a youth group from The Light of the World Church. The Light of the World Church instills moral values to their youth, teaching us to respect ourselves and others and do good in our community.

Through our church youth group we volunteer in different community events like vaccine drives, neighborhood cleaning, and other activities.

This is the first time that our group is applying for the YNAPP Grant.

RETIREMENT HOME CARE PACKAGES (Gift Baskets)

- Give gift baskets to elderly women on Mother's Day to show appreciation for their special role in our community.
- LOCATION: Arthur McCants Manor (East Las Vegas)
- IMPACT: By going out to give these Care Packages, we are demonstrating our appreciation to all the mothers who are in this place, showing that there are people who care about them. We know that some of these places can get lonely and by going out and gifting them these baskets, we hope to make them feel special and remembered. Hoping to make their day!
- PARTICIPANTS: Youth volunteers.

Budget

- Amount Requested: \$1,250
- The money will be spent by buying all the products that we need and start fixing them to get ready to hand them out to the elderly.
- Our community service hours will be 45. Those hours will be spent by getting the items, getting the baskets ready and handing them out to the elderly. We have 15 young women volunteering to make these baskets.

The Distribution:

1. Put flyers in the lobby
2. Drop them in people's homes
3. Invite residents to receive their gifts at a Mother's day gift party

Getting the Word Out

- Before and after every volunteer activity there will be meetings to reflect on what can be done to improve and set goals.
- Our experiences will be shared by using social media platforms. It will also be talked about in our church with all members and can be referred to as an example.

Why Should the Grant Review Board Fund Our Project?

- Recently the Arthur McCants Manor apartments got caught on fire causing the elders who were affected to move out. How do I know about this? A friend of mine had told me about the incident that happened. Her own grandmother who lived there was affected. Thankfully, she has people that care for her and check up on her, but there are women who don't have the same care. We think it would help if we gave them gift baskets that contain self care products and other small gestures. We want to help them with these gift baskets so they can feel like they are being supported.

Conclusion

- We want to make the elderly have a great time, make them happy and spread all the happy energy our youth has.
- Being part of this project so far has been a great experience for me and the youth volunteers. Creating this project gave me hope that we can all come together to make our community a better place.
- We hope to come back with more projects, more opportunities and to be part of the YNAPP team. It's a great program and we are glad to part of it!

Gift Baskets for the Elderly

(Fathers day)

About me

Hello my name is Simri Perez. I am 16 years old. I love working with other people and communicating with others. I have organized a group of young people to help elders and make elderly Father's Day boxes for them. I have done community work in the past and I hope to the same here and have an wonderful experience while doing it.

Retirement Home Care Packages (gift baskets)

We will give the elderly men Father's Day gift baskets and show our gratitude for everything they give us.

LOCATION: Arthur McCants Manor (East Las Vegas)

Reasons: By giving these care packages to them, we show them how grateful we are towards them. Some elderly maybe haven't seen their grandchildren ever since the pandemic and maybe what some quality time with young people to share all the things they have already experienced

Participants: Youth volunteers.

Group Description

Our organization is a group of 15 young boys from 12-19 year olds from this community and It's our first time applying for funding. We have never gotten any funding at all in the past, we are asking for \$1,058

Project Description

How did you come up with the idea for your project?

We had a group discussion on what we could help our community active more with this program

What will need to be done and who will do it?

We will need the materials we asked for so we can make the boxes for the elders

How will youth and adults work together in this project

The youth will make the boxes and organize them and the adults will transport and accompany us to the elderly home. We will go to Aurther Mccants Manor (elderly home) and give them Father's Day gift baskets

Why am I doing this?

When ever I pass through the manor I feel like the residents seem sad or depressed because though out this pandemic the seniors haven't been with their family members and it probably affects their mental health. What I want to do is make gift boxes for them with goodies and spend time with them and share stories with them. My goal is to put a smile on their faces.

Budget

- Are budget is \$1,058 and we plan to spend all of the funds.
Hair combs,Loofa, shaving creams, boxes, Chap sticks, razors, and slippers.
- We will be spending all of are funds on supplying gifts we need.
- The members of my group are planning to make 64 gift baskets
- Are team has pledged a total of 35 hours of volunteering.

Getting the Word Out

One way we are getting the word out is through social media and talking to other people about this project. Social media is the best way of getting the word out because it's free and other people who we didn't even know existed can reach it and also share it to other people. We will also make fliers and distribute them to the members of the building.

Why Should the Grant Review Board Fund Our Project?

It give the youth of our community a chance to show our gratitude for all people of olderage that have taught us a younger people. It also gives an opportunity to show our great fullness to them and just trying to put a smile on their face.

Conclusion

I feel this opportunity with help us as youth to cherish his moments with the elders. I also think this would help us as youth to do a project like this again, so they can have a memorable fathers day experience.

Operation Siblings

Kanisha Harrell, Bryan Romero, Rafael Pena, Cristian Cernas, Elaina Catillon

What is it?

The commanding goal of Operation Siblings is to help make the transition from middle school to high school run smoothly. We would like to do this by bringing awareness to all of the opportunities high school provides, as well as raising money to support students throughout all of their high school endeavors. Each of our members will serve as mentors to a group of eighth graders.

How

Project Determination:

- Presented different ideas to the class, voted on the best one
- The winning idea from each class was presented to the Career Associations group, and Operation Siblings emerged the victor

Plans:

- Biweekly tutoring at K0 Knudson Middle School
- School tour at Valley High School
 - Representative from each club/organization
 - School resource representatives
- Carnival to raise money for a school fund

Volunteers:

- Brandon Romero
- Allison Aguilar, an 8th grade ambassador from K0
- Entire Jobs for Nevada Graduates program

YNAPP Background

- In February of 2020, we received \$1,250 to fund Project YAY.
- We filled backpacks for homeless youth
- We donated clothes to the Nevada Partnership for Homeless Youth (NPHY)
- We held an event where we put together backpacks at the East Las Vegas Community Center

Previous Project

Project Necessities

Tutoring Supplies (pens, pencils, notebooks, paper,)	\$150
--	-------

Dunk Tank	\$350
-----------	-------

100ct Mini Stuffed Animals	\$84
Giant Uno	\$15
Giant Checkers	\$15
Giant Bowling	\$21
Down the Clown	\$50
Poster Boards	\$10
Wrist Bands	\$9

Tutoring

- Biweekly tutoring
- 30 Volunteers
- Each volunteer will take 1-2 students
- Content specific tutors

Getting the Word Out

- Presentation for last event
- Taking photos/ videos during event
- We are willing to present our YNAPP Project in the Showcase at the end of May

Why

- 63% of High School students in Las Vegas are economically disadvantaged.
- 76% of the students attending Valley High School are economically disadvantaged
- 100% of Middle school students attending KO Knudson are economically disadvantaged

Conclusion

- Operation Siblings help kids of the future by helping them gain resources and knowledge about what's to come when they enter high school
- Valley High School's J4NG program has been working on this project since September
- We plan to have an ongoing partnership and funds with K.O. Knudson
- All these plans will be executed with COVID protocols taken into consideration

CC Ronnow Elementary

One World, One Night

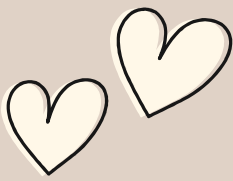

HELLO! We're

Zariah Calahan - Team leader

Elmer Amaya - Co-leader

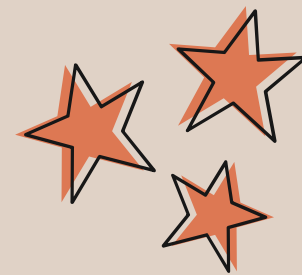

Itzel Serrano - Member

Reynaldo Cano - Member

Group Description

- CC Ronnow Elementary
 - An older community that loves to come together.
 - Some families have been in the neighborhood for generations.
 - A school hoping to show their students there is so much more to this world than just our little piece.

Project Description

- A multicultural night with families and LOTS of food
- Arts & Crafts
- At CC Ronnow ES
- Students and parents coming together to learn and experience different cultures and foods
- School's attitude and diversity gave us ideas

Coping Kids

COPING SKILLS FOR KIDS

Introduction

- Robert Barsel – Team Captain
- Coping Kids began in 2017
- Trained under best practices as dictated by the National Alliance for Grieving Children (NAGC)

Group Description – About Coping Kids

Coping Kids

- Started by me in 2017
- Comprised of kids and adults dedicated to providing mental health education to children 5-18 including but not limited to topics such as:
 - Being able to identify and articulate emotions
 - How to use healthy coping skills to manage said emotions

This is the first time that we have applied for YNAPP funding.

Who are the volunteers?

Kelly Knight

- 7 years of facilitator experience in the realm of peer support and grief groups

Symphony Wang

- Student at the Meadows School and president of the Peer Support Social (PSS) club

Erika Kiefer

- Recreational Therapist with a degree from BYU and an author of 3 Young Adult books.

Project Description

This project will benefit children at Nevada Youth Network, the Meadows School, and Project 150.

- Nevada Youth Network started in 2013 to help foster growth and independence in young people of color.
 - A Peer support group headed by Erika Kiefer, a Recreational Therapist, and my mother and me, trained peer support group facilitators, runs there every other week since 2019.
- Project 150 starting in 2011 offers support and services to homeless, displaced, and disadvantaged high school students in southern Nevada.
 - A peer support group headed by my mother and me has been offered there sporadically since mid 2021 as a workshop for youth development.

Nevada Youth Network

Project Description Continued

The Meadows School

- Founded as a college preparatory school in 1984 and educates approximately 850 students per year in grades preK-12
- I have attended Meadows since Kindergarten
- My family and I lobbied the Board for 5 years from 2012 to 2017 to hire a School Counselor to support students' mental health.
 - I proposed leading Peer Support groups within the elementary school student when I was in 7th grade and have been working on developing a student/counselor run program for the Elementary, Middle, and High Schools ever since.
 - I have been leading Elementary School Peer Support Groups there since 2019 and High School groups with Symphony and our school counselor since 2021.
 - In February 2022, groups will be starting in Middle School as well.

Project Description Continued

The project is **already** underway.

- Peer Support Groups have already been created or are in the process of being created.
- Training is being developed currently by Dr. Pugliese (School counselor) and me.
- Reproductions of workbooks have already been purchased; these funds will allow us to reproduce them for participants.
- Funds will also be used to purchase necessary materials for the activities Erika does so our organization can preform these activities when she is unavailable

Timeline

- Research and Reproduction of workbooks - February 2022
- Purchasing Supplies – February 2022
- Developing/Writing/Reproducing Training Manual – June 2022
- Peer Support Nevada Youth Network – March 2022
- Peer Support Project 150 – March 2022
- Peer Support Meadows Upper School – February-May 2022
- Peer Support Meadows Lower School – February-May 2022

Budget

Requested Funding amount - \$1,250

Items to Purchase for Project

- Color Reproduction of Workbooks 25 (Elementary) - \$467.50
- Color Reproduction of Workbooks 35 (Teens) - \$654.50
- Supplies for group activities - \$77.90
 - Bandanas, Hula Hoops, Cones, tarp, books, spoons, activity cards, therapy game, memory maze – total \$596.91
 - Money will go towards buying these materials
- Black and White Reproduction of Training Manual 10 - \$50.10
- Our team has pledged a total of **47** hours totaling **\$1,316** worth of volunteering, but will undoubtedly donate many more as we are currently donating more than that on a quarterly basis.

Getting the Word Out

Website

- Currently filling out paperwork to obtain our 501c3 status and developing a website
- Goal is to provide awareness about the issue of teen mental health and provide coping skills information online.

Future projects

- Currently creating a training manual to educate other kids on how to facilitate Peer Support Groups so that after I leave for college in 2024, the service can continue in Las Vegas.
- Joined the Leukemia and Lymphoma Society's Student of the Year program to learn how to fund raise in order to apply those skills to fundraising for Coping Kids.
 - Created a team for a 2022 fund raising campaign and developed an "elevator pitch" to target businesses for sponsorship.

Getting the Word Out Continued

Future projects Continued

- Would would like to propose a bill in the 2023 Legislative Session to require schools to:
 - Provide education about Mental Health
 - Teach coping skills and self-care as part of Middle and High School Health curriculum.

We would love to have this Board's help in spreading the word about this issue and welcome the opportunity to present at the YNAPP Project Showcase.

Why Should the Grant Review Board Fund Our Project?

This project is near and dear to my heart and has been a huge part of my life since I was 12 years old. Losing my father when I was 5 was just the first part of this journey for me. My family and I benefited from a Peer Support Group for grieving kids which helped my sister and me feel safe, supported, and normal at a time in our lives where none of those things were easy. I learned the value of support of my peers and how powerful feeling understood can be. After months of attending the group, I came to realize how healing it was to offer *my* support to others. That experience led to my desire to help kids who feel alone, isolated, and or misunderstood. I soon realized that those kids were everywhere...it didn't matter the socioeconomic background, race, religion, or even life experiences; kids were hurting and struggling everywhere for a multitude of reasons. At age 12, I decided to go through the year-long training at my Grief Group and became a trained facilitator. I then took our curriculum and generalized it so that it could be applied to any circumstance, not just grief. I worked with the Counselor at Meadows to fine tooth my curriculum and have been using it at Meadows since 2018, at Nevada Youth Network since 2019, and at Project 150 since earlier this year. The Pandemic made us miss Group at Nevada Youth Network and Meadows, and created even more isolation for our kids. That was when I realized that we needed to offer our participants something that they could take home to help them remember the skills they had learned in Group and thus, why we need funding.

Why Should the Grant Review Board Fund Our Project ? Continued

In the years that I have been facilitating groups, I have heard stories that have made my heart heavy, and I have seen how the collective support of group members has lifted children's spirits and given them the tools to work through their struggles. I have watched kids who have never trusted anyone be able to trust my mom and me and begin to open up and share a part of themselves that they had learned to keep quiet. I know what we do works...it worked for me, and I have seen it work for countless others. As human beings, understanding and support of others can be more healing than medicine or therapy. Now, more than ever, do we need to offer this support as kids struggle with mental health issues as it relates to the isolation, fear, and uncertainty of the Pandemic. Our nation is facing a new level of teen suicide and mental illness. In a December 7 article within the New York Times, it stated that "symptoms of depression and anxiety have doubled during the pandemic, with 25% of youth experiencing depressive symptoms and 20% experiencing anxiety symptoms." In addition, the article stated that "in early 2021, emergency department visits in the United States for suspected suicide attempts were 51% higher for adolescent girls and 4% higher for adolescent boys compared to the same time period in early 2019." All I wish is that my father's passing can somehow be of service to the many kids in our community struggling in some way.

Conclusion

Thank you for all that you do to help this community and for believing that kids can make a difference. I've seen this watching my sister at age 17 present her own bill to the Education Committee in the State Assembly to require that teachers be trained on how to support students who have experienced a trauma. She worked in junction with Dr. Malich, Clark County School District Counselors, and Channel 10 to create a 30-minute training that every public school district employee must watch annually. Her passion was educating teachers to help kids, while my passion is educating kids on how to support each other and themselves. I have seen her make concrete changes in our great state and I hope that this Board will provide me with funding to help me in my efforts to provide coping skills to struggling kids. Thank you for your time and consideration and happy holidays to you all.

Taniyah Jackson - 9th

Nzinga Frank - 10th

Lakayla Sanders - 9th

Lanya Sanders - 11th

Get to Know Our Program

- Hello, we are the batteries included program coming from Cheyenne High School.
 - Batteries Included is a student lead program that focuses on building leadership skills and servicing our community
- We, as a group, do various things for our community:
 - Volunteer wherever help is needed.
 - Attend leadership conferences.
 - Plan and go on field trips to gain experience and knowledge.

We took the time to find capable members for our program, and even have some students from the Student Council here presenting with us today!

Project Description

We want to invite younger kids (age 7-8) to come to our Teddy Bears and Tees event to Adopt a bear and visit the six of our different stations! Each station is setup to teach the kids a skill that they can use in life. The goal is for them to learn while having fun!

- Every kid will receive a bear with a folder.
 - The folder will include the bear's birth certificate, the stamp card, and three bear bucks.
 - Every bear will be assigned a name before the workshop starts. And the stamp card (given at the start) will be stamped at each station by one of our various members.
 - Once you get to a particular station, we will have a little shop where the kids can use the three bear bucks given to them.
 - Each one is to be used for a shirt, pants, and an accessory of their choice.

Our Stations (in Order)

- Painting/Drawing
- Reading
- Making Friendship Bracelets
- Play-Doh
- How to Brush Your Teeth
- How to Tie Your Shoes

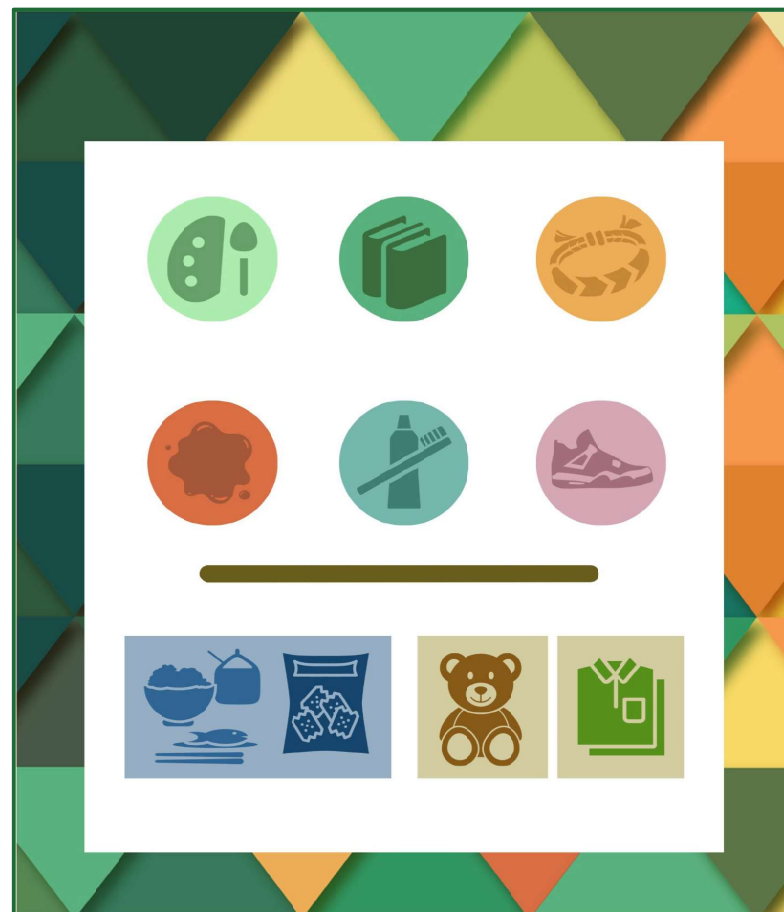

What's Our Budget Looking Like?

- We have **\$1250** (overall) for our entire budget! This is what it looks like:
 - 3 rectangle tables (6 for activities, 2 for concession stand/goodie bag table, 1 for teddy bear pick up/ adoption papers)
 - Snacks and Drinks
 - Masks (one for the teddy bear and extra for anyone who doesn't bring one)
 - Teddy Bears
 - Copies of Papers and Folders
 - Chairs
 - Hand Sanitizer

Budget (cont.)

- Additional things that are a part of our \$1250 budget include:
 - 3D Stickers
 - T-shirts
 - Bear Accessories (Shirts, Pants, Shoes etc.)
 - Paintbrushes
 - Crayons
 - Color pencils
 - Paint
 - Books

Outline #3

A vertical stamp card featuring a cartoon brown teddy bear on the left side. The bear has large eyes, a black nose, and is wearing a red bow tie. Its paws are visible at the bottom. The right side of the card is white and contains the title "TEDDY BEAR STAMP CARD" in a simple, uppercase font. Below the title is a line of text: "Take this with you; make sure you get a stamp from every station for a goodie bag!". Underneath this text are ten empty circles arranged in two rows of five, intended for stamps. At the bottom of the card is a solid red horizontal band with the word "Name:" in bold black text, followed by a blank space for writing a name.

How We Plan to Get the Word Out

- Posters
- Flyers
- Digital flyers (Using Canva)
- School Promotion
 - On School Website
 - Bulletin Boards
- Email Teachers to Notify Students

Examples!

Why You Should Fund!

We want to bring kids together by:

- Having fun.
- Learning new things.
- Bonding with others.
- Taking care of themselves and those around them!

After COVID happened, some kids had to skip preschool/kindergarten or had school online. Because of this, many of them missed being taught certain things and missed out on have a kindergarten/preschool experience. So, we want to show the kids that we are here and care for them with Teddy Bears and Tees.

Any Questions?

**Thank You So Much For
Your Time!**

Have a Great Day!
