

**Additional Conditions:**

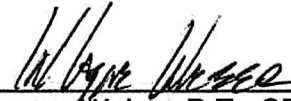

1. Per discussions with the engineer, CLV will maintain the storm drain in Alpine Ridge alignment from Stephen to the CC215, while Clark County will provide maintenance from Stephen north to Ann in the patent easement. Ensure that a manhole has been added to the plans to separate CLV and CC maintenance.
2. Any improvements within Clark county jurisdiction not depicted on the above mentioned grading plans may require an Update to this Technical Drainage Study.

The County's review is solely based on the information submitted by the Engineer of Record. The County's review is strictly limited to compliance with minimum County Codes and Standards. The Engineer of Record is responsible for researching and addressing situations that may require designs above and beyond the minimum codes for issues of public safety and impacts to upstream, downstream and adjacent properties. The County assumes no liability for information data, designs or conclusions of the Engineer of Record.
