WHEREAS, LVMC Chapter 13.36 is concerned with the administration and regulation of City parks;

and

WHEREAS, LVMC 13.36.150 authorizes the establishment and regulation of children's parks, which are parks intended primarily for the use of children twelve years of age or younger; and

WHEREAS, as part of its focus on the preservation of neighborhoods, the City Council believes it is important to have parks within the community that provide a safe and comfortable recreational environment for children; and

WHEREAS, Gary Dexter Park, located at 800 Upland Boulevard and hereafter referred to as "Dexter Park," is located in an established neighborhood, serving various types of residential properties; and

WHEREAS, the present environment found in Dexter Park includes security concerns that are inconsistent with the use and enjoyment of the park by children; and

WHEREAS, because of the location of Dexter Park and the fact that families within the neighborhood have no other park environment located nearby, the City Council finds it in the interest of the public health, safety, and welfare to designate a portion of Dexter Park as a children's park; and

WHEREAS, the designation of a portion of Dexter Park as a children's park will have the effect of making that portion of the park subject to all of the provisions of LVMC Chapter 13.36 that govern children's parks.
