TECHNICAL DRAINAGE STUDY
Kyle Canyon Gateway West Arete
Clark County

Dear Mr. Morton:

The Nevada Department of Transportation (NDOT) Hydraulics Section has received and reviewed the following document(s) for the above-referenced project.

Document:	Dated:
NDOT Email	November 2022
CLV Memorandum	March 2024
Drainage Information Form	March 2024
Westwood Letter	March 2023
KB Home Plans	February 2024
Addendum to TDS Kyle Canyon	January 2024
Addendum 2 to TDS Kyle Canyon	March 2024
TDS Kyle Canyon Gateway West	October 2023
KB Homes Kyle Canyon West Arete plans U1	March 2024
KB Homes Kyle Canyon West Arete plans U2	March 2024

The drainage design information presented in the reviewed document(s):

X	is acceptable in concept. Any changes to the Drainage Study shall be resubmitted to the Department for additional review and acceptance.
	is acceptable in concept. Final Hydraulic Section approval will be based on review of final design documents submitted with the NDOT Right-Of-Way Occupancy Permit application that must be submitted for this project. The following comments should be addressed with the permit application:
	must be supplemented or modified to satisfy the following comment(s) before preliminary Hydraulic Section approval can be granted:

All submittals regarding this project must be forwarded through (or copied to) the local NDOT District permitting office. All pertinent drainage design documents (including those previously submitted for preliminary review) must be submitted to the local NDOT District permitting office with the Right-Of-Way Occupancy Permit Application. All plans and reports must be signed and stamped by a Nevada registered civil engineer.

No liability is assumed by the Department in performing this review. Verification and acceptance of all background information, design data and conclusions is the responsibility of the consulting engineer.

Please email me at ehonjas@dot.nv.gov should you have any questions.

Sincerely,

Erin Honjas, P.E.
Hydraulic Engineer
Nevada Department of Transportation
