Technical/Add1/Add2	06/12/2025	06/30/2025	BC	

The above-referenced project is located within the **City of Las Vegas** adjacent to Clark County unincorporated areas. The drainage study was approved by City of Las Vegas on June 10, 2025, and submitted to Clark County for concurrence on June 12, 2025. In addition, the County has received the City of Las Vegas acceptance letter dated June 10, 2025 for the Technical Drainage Study (DS5847C).

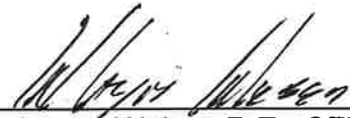

The County concurs with the acceptance of this Drainage Study by the City of Las Vegas. Please note that the County's review of this development is limited to drainage issues significant to Clark County unincorporated areas.

The County's review is solely based on the information submitted by the Engineer of Record. The County's review is strictly limited to compliance with minimum County Codes and Standards. The Engineer of Record is responsible for researching and addressing situations that may require designs above and beyond the minimum codes for issues of public safety and impacts to upstream, downstream and adjacent properties. The County assumes no liability for information, data, designs or conclusions of the Engineer of Record.
