**TECHNICAL DRAINAGE STUDY.761**

IONNA FREMONT  
SR 582 Fremont Street & Atlantic Street  
Clark County

Dear Kevin Hurtado:

The Nevada Department of Transportation (NDOT) Hydraulics Division has received and reviewed the following document(s) for the above-referenced project.

Document:	Dated:
Technical Drainage Study	August 26, 2025
NDOT Drainage Information Form	August 27, 2025
City Of Las Vegas Inter-Office Memorandum	August 26, 2025
NDOT Memo	August 29, 2025

The drainage design information presented in the reviewed document(s):

X	is acceptable in concept. Final Hydraulic Division approval will be based on review of final design documents submitted with the NDOT Right-Of-Way Occupancy Permit application that must be submitted for this project.
	is acceptable in concept. Final Hydraulic Division approval will be based on review of final design documents submitted with the NDOT Right-Of-Way Occupancy Permit application that must be submitted for this project. The following comments should be addressed with the permit application:
	must be supplemented or modified to satisfy the following comment(s) before preliminary Hydraulic Division approval can be granted:

**All submittals regarding this project must be forwarded through (or copied to) the local NDOT District permitting office.** All pertinent drainage design documents (including those previously submitted for preliminary review) must be submitted to the local NDOT District permitting office with the Right-Of-Way Occupancy Permit Application. All plans and reports must be signed and stamped by a Nevada registered civil engineer.

No liability is assumed by the Department in performing this review. Verification and acceptance of all background information, design data and conclusions is the responsibility of the consulting engineer.

Please email me at eherron@dot.nv.gov should you have any questions.

Sincerely,

Eric Herron, GISP
