Prepared by Kimley-Horn and Associates, Inc.

Dear Mr. Schroder,

The Nevada Department of Transportation has reviewed the traffic impact analysis for the referenced project. The study is approved subject to the following condition:

1. An Encroachment Permit from NDOT will be required for any work performed within State right-of-way. Review during the Encroachment Permit process may result in further modification to the proposed improvements, or denial.

Should you have any questions regarding the foregoing, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael H. Yates".

Michael H. Yates, PE
District I Traffic Engineer
