The screenshot displays a records management application window titled "Records - Record FOL.21.35 - 1". The main window shows a table with columns for "Box Number", "Record Number", and "Title". A single record is visible with "FOL.21.35" in the Record Number column and "Oaths of Office" in the Title column. Below the table, a "Properties" pane shows details for the record, including "Record Number" (FOL.21.35), "Title" (Oaths of Office), "Date Created" (Friday, October 22, 2021 at 4:46:10 PM), "Date Registered" (Friday, October 22, 2021 at 4:46:10 PM), "Assignee" (At home: City Clerk since Wednesday, March 29, 20...), and "Latest Part" (FOL.21.35). A "Search for Records" dialog box is open in the foreground. The dialog has tabs for "Search", "Filter", "Record Types", "Sort", "Results", and "Options". The "Search" tab is active, showing a "Search By" dropdown set to "Title Word" and a search input field containing "technician". Below the input field is an "Advanced word search" checkbox which is unchecked. At the bottom of the dialog, there are radio buttons for "AND" (selected) and "OR", and buttons for "New", "Insert", "Delete", "NOT", and "Reset". The search results area shows "container:FOL.21.35" and "and title:technician". At the bottom of the dialog are buttons for "OK", "Cancel", "Open", "Editor", and "Help".
