7. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.
8. Prior to the exercising of the Site Development Plan Review as expressed in Title 19.16.100(J), the Developer shall be required to record a Declaration of Private Maintenance Requirements ("DPMR") as a covenant on all associated properties and on behalf of all current and future property owners. The DPMR shall include a listing of all privately owned and/or maintained infrastructure improvements, along with assignment of maintenance responsibility for each of the subject site's landscaped areas including, but not limited to, perimeter landscape buffers, parking lot landscaping, and foundation landscaping, and shall provide a brief description of the required level of maintenance for privately maintained components including, but not limited to, building elevations, parking lot striping, trash enclosures and driveway pans.
