RE: TMP-25075 - TENTATIVE MAP - CAROLINE'S COURT

Dear Mr. Khakshouri:

Your request for a Tentative Map FOR A ONE-LOT COMMERCIAL SUBDIVISION on 23.62 acres at the northwest corner of El Capitan Way and Durango Drive (APNs 125-17-601-012, 017 and 125-17-202-001), T-C (Town Center) Zone [SC-TC (Service Commercial - Town Center) Special Land Use Designation], Ward 6 (Ross), was considered by the Planning Commission on November 29, 2007.

The Planning Commission voted to **APPROVE** your request, subject to the following:

Planning and Development

1. Approval of the Tentative Map shall be for no more than two (2) years. If a Final Map is not recorded on all or a portion of the area embraced by the Tentative Map within two (2) years of the approval of the Tentative Map, this action is void.
2. Approval and conformance to Conditions of Approval for Variance (VAR-25403).
3. All development shall conform to the Conditions of Approval for Site Development Plan Review (SDR-20496).
4. Street names must be provided in accordance with the City's Street Naming Regulations.
5. In conjunction with creation, declaration and recordation of the subject common-interest community, and prior to recordation of the Covenants, Codes and Restrictions ("CC&R"), or conveyance of any unit within the community, the Developer is required to record a Declaration of Private Maintenance Requirements ("DPMR") as a covenant on all associated properties, and on behalf of all current and future property owners. The DPMR is to include a listing of all privately owned and/or maintained infrastructure improvements,

along with assignment of maintenance responsibility for each to the common interest community or the respective individual property owners, and is to provide a brief description of the required level of maintenance for privately maintained components. The DPMR must be reviewed and approved by the City of Las Vegas Department of Field Operations prior to recordation, and must include a statement that all properties within the community are subject to assessment for all associated costs should private maintenance obligations not be met, and the City of Las Vegas be required to provide for said maintenance. Also, the CC&R are to include a statement of obligation of compliance with the DPMR. Following recordation, the Developer is to submit copies of the recorded DPMR and CC&R documents to the City of Las Vegas Department of Field Operations. The plan shall note that the recreational trail to be transferred to the ownership of the City of Las Vegas shall be maintained at a basic level through utilization of public resources. The basic level to be defined as removal of debris and surface grading once every calendar year. Should additional maintenance activities be requested by the common interest community, or members thereof, the associated costs shall be assessed to the common interest community and/or members thereof.

6. All development is subject to the conditions of City Departments and State Subdivision Statutes.

Public Works

7. In accordance with Site Development Plan Review SDR-20496, Condition A, the Final Map for this site shall grant perpetual vehicular and utility access easements to Assessor's Parcel Number 125-17-601-015.
8. The Final Map for this site shall be labeled as a Merger and Re-Subdivision.
9. Grant the required Multi-Use Transportation Trail easement along the northern boundary of this site and adjacent to El Capitan Way on the Final Map for this site. The trail easement shall be within a common lot.
10. Sewer service for this commercial subdivision shall be shown in accordance with one of the following three alternatives, and the appropriate Note shall appear on the face of the recorded Final Map:
 - I. Onsite sewers, 8-inches in diameter or larger, are public sewers within 20 foot wide dedicated public sewer easements.
 - II. Onsite sewers are a common element privately owned and maintained per the Conditions, Covenants, and Restrictions (CC&Rs) of this commercial subdivision.
 - III. Onsite sewers are a common element privately owned and maintained per the Joint Use Agreement of this commercial subdivision.

11. All lots created by this commercial subdivision map shall have perpetual, irrevocable common access rights to all driveways servicing this overall site unless incompatible uses can be demonstrated to the satisfaction of the City Engineer. Add a note to this effect on the Final Map.
12. All subdivided parcels comprising this commercial subdivision shall provide perpetual intersite common drainage rights across all existing and future parcel limits and a note to this effect shall appear on the Final Map for this site.
13. Site development to comply with all applicable conditions of approval for Site Development Plan Review SDR-20496 and all other applicable site-related actions.
14. The approval of all Public Works related improvements shown on this Tentative Map is in concept only. Specific design and construction details relating to size, type and/or alignment of improvements, including but not limited to street, sewer and drainage improvements, shall be resolved prior to approval of the construction plans by the City. No deviations from adopted City Standards shall be allowed unless specific written approval for such is received from the City Engineer prior to the recordation of a Final Map or the approval of subdivision-related construction plans, whichever may occur first. Approval of this Tentative Map does not constitute approval of any deviations. If such approval cannot be obtained, a revised Tentative Map must be submitted showing elimination of such deviations.

This action by the Planning Commission on **November 29, 2007** is final unless a written appeal is filed with the City Clerk within seven days of the date of the Planning Commission's decision or there is a review action filed by the City Council within the same time period. The Notice of Final Action was filed with the Las Vegas City Clerk on **November 30, 2007**.

Sincerely,

Andrew P. Reed, AICP
