RE: SDR-16914 - SITE DEVELOPMENT PLAN REVIEW

Dear Mr. Hellums:

Your request for a Site Development Plan Review FOR A 6 LOT SINGLE FAMILY RESIDENTIAL DEVELOPMENT on 1.08 acres on the north side of Smoke Ranch Road, approximately 467 feet east of Michael Way (APN 138-13-801-068), R-E (Residential Estates) Zone under Resolution of Intent to R-PD6 (Residential Planned Development - 6 Units per Acre), Ward 5 (Weekly), was considered by the Planning Commission on November 2, 2006.

The Planning Commission voted to recommend ***APPROVAL*** of your request, subject to the following:

Planning and Development

1. Conformance to the conditions for Rezoning (ZON-16915), and Variance (VAR-16996) if approved.
2. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the principal building on the site. An Extension of Time may be filed for consideration by the City of Las Vegas.
3. All development shall be in conformance with the site plan, landscape plan, and building elevations, date stamped 09/18/06, except as amended by conditions herein.
4. The standards for this development shall include a Minimum lot size of 3.884 square feet and Building height shall not exceed two stories or 35 feet, whichever is less.
5. The setbacks for this development shall be a minimum of 15 feet to the front of the house, 20 feet to the front of the garage as measured from back of sidewalk or from back of curb if no sidewalk is provided, 5 feet on the side, 5 feet on the corner side, and 10 feet in the rear.

6. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time as Final Map submittal. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications.
7. No turf shall be permitted in the non-recreational common areas, such as medians and amenity zones in this development.
8. Pre-planting and post-planting landscape inspections are required to ensure the appropriate plant material, location, size of planters, and landscape plans are being utilized. The Planning and Development Department must be contacted to schedule an inspection prior to the start of the landscape installation and after the landscape installation is completed. A certificate of occupancy will not be issued or the final inspection will not be approved until the landscape inspections have been completed.
9. Air conditioning units shall not be mounted on rooftops.
10. All utility boxes exceeding 27 cubic feet in size shall meet the standards of LVMC Title 19.12.040.
11. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.
12. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

13. The driveway for Lot 1 shall be relocated to the north portion of the lot, unless otherwise allowed by the City Traffic Engineer.

14. Provide public sewer easements for all public sewers not located within existing public street right-of-way prior to the issuance of any permits. Improvement Drawings submitted to the City for review shall not be approved for construction until all required public sewer easements necessary to connect this site to the existing public sewer system have been granted to the City.
15. A Homeowners' Association shall be established to maintain all private roadways, landscaping and common areas created with this development. All landscaping shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.
16. The entrance driveway shall be designed, located and constructed to meet the intent of Standard Drawing #222a.
17. Site development to comply with all applicable conditions of approval for Zoning Reclassification ZON-16915 and all other applicable site-related actions.
18. The approval of all Public Works related improvements shown on this Site Development Plan Review is in concept only. Specific design and construction details relating to size, type and/or alignment of improvements, including but not limited to street, sewer and drainage improvements, shall be resolved prior to submittal of a Tentative Map or construction drawings, whichever may occur first. No deviations from adopted City Standards shall be allowed unless specific written approval for such is received from the City Engineer prior to the submittal of a Tentative Map or construction drawings, whichever may occur first.

This item will be considered by the City Council on *December 6, 2006*, at 1:00 P.M. in the Council Chambers of City Hall, 400 Stewart Avenue, Las Vegas, Nevada. ***The Council requires that you or your representative be present at this meeting.*** If you or your representative chooses not to attend, the City Council may act in your absence without your input.

Sincerely,

John Korkosz, Planning Supervisor
