RE: TMP-16274 - TENTATIVE MAP

Dear Ms. Diggins:

Your request for a Tentative Map FOR A ONE LOT COMMERCIAL SUBDIVISION on 26.12 acres at 2800 Fremont Street (APNs 162-01-201-001 and 002), C-2 (General Commercial) Zone, Ward 3 (Reese), was considered by the Planning Commission on October 5, 2006.

The Planning Commission voted to ***APPROVE*** your request, subject to the following:

Planning and Development

1. Approval of the Tentative Map shall be for no more than two (2) years. If a Final Map is not recorded on all or a portion of the area embraced by the Tentative Map within two (2) years of the approval of the Tentative Map, this action is void.
2. All development is subject to the conditions of City Departments and State Subdivision Statutes.

Public Works

3. Remove all substandard public street improvements and unused driveway cuts adjacent to this site, if any, and replace with new improvements meeting current City Standards prior to recordation of this map. All existing paving damaged or removed by this development shall be restored at its original location and to its original width concurrent with development of this site.
4. Construct all incomplete half-street improvements, if any, adjacent to this site prior to recordation of this map.
5. All new driveways or modifications to existing driveways shall be designed, located and constructed in accordance with Standard Drawing #222a. Driveways within Fremont Street shall also receive approval from the Nevada Department of Transportation.

(Mayor Pro Tem)
Larry Brown
Lawrence Weekly
Steve Wolfson
Lois Tarkanian
Steven D. Ross

City Manager
Douglas A. Selby

6. Unless otherwise allowed by the City Engineer, construct sidewalk on at least one side of all access drives connecting this site to the adjacent public streets concurrent with development of this site. The connecting sidewalk shall extend from the sidewalk on the public street to the first intersection of the on-site roadway network and shall be terminated on-site with a handicap ramp.
7. Sewer service for this commercial subdivision shall be shown in accordance with one of the following three alternatives, and the appropriate Note shall appear on the face of the recorded Final Map:
 - I. Onsite sewers, 8-inches in diameter or larger, are public sewers within 20 foot wide dedicated public sewer easements.
 - II. Onsite sewers are a common element privately owned and maintained per the Conditions, Covenants, and Restrictions(CC&Rs) of this commercial subdivision.
 - III. Onsite sewers are a common element privately owned and maintained per the Joint Use Agreement of this commercial subdivision.
8. All subdivided parcels comprising this commercial subdivision shall provide perpetual intersite common drainage rights across all existing and future parcel limits and a note to this effect shall appear on the Final Map for this site.
9. In accordance with the intent of a Commercial Subdivision, all sites within this subdivision shall have perpetual common access to all driveways connecting this site to the abutting streets and a note to this effect shall appear on the Final Map for this site. No barriers (e.g. curbs, wall, etc.) shall be erected within the boundaries of the overall commercial subdivision map site which would prohibit any vehicle on this site from utilizing any driveway connecting this commercial development site to the abutting public streets.
10. The Final Map for this site shall show all Sight Visibility Restriction Zones (SVRZ's) adjacent to public streets and include the following note: "No walls, fences, trees, shrubs, utility appurtenances or any other object, other than traffic control devices and street light poles, may be constructed or installed within the Sight Visibility Restriction Zone (S.V.R.Z.) unless said object is maintained at less than 24 inches in height measured from adjacent top of curb, or where no curb exists, a height of 27 inches measured from the top of adjacent asphalt, gravel, or pavement street surface. Area shall be labeled as "Privately Maintained".

11. Landscape and maintain all unimproved rights-of-way, if any, adjacent to this site.
12. Obtain an Occupancy Permit from the Nevada Department of Transportation for all landscaping and private improvements, if any, in the Fremont Street public right-of-way adjacent to this site.
13. Submit an Encroachment Agreement for all landscaping, if any, located in the public rights-of-way adjacent to this site prior to occupancy of this site.
14. An update to the previously approved Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any grading or building permits, submittal of any construction drawings or the submittal of a Final Map for this site, whichever may occur first. Provide and improve all drainageways as recommended in the approved drainage plan/study.
15. Prior to the recordation of a Final Map for this site, all requirements must be complied with or such future compliance must be guaranteed by an approved performance security method(s) in accordance with City of Las Vegas Municipal Code Sections 18.14.020 and 18.14.030.
16. The approval of all Public Works related improvements shown on this Tentative Map is in concept only. Specific design and construction details relating to size, type and/or alignment of improvements, including but not limited to street, sewer and drainage improvements, shall be resolved prior to approval of the construction plans by the City. No deviations from adopted City Standards shall be allowed unless specific written approval for such is received from the City Engineer prior to the recordation of a Final Map or the approval of subdivision-related construction plans, whichever may occur first. Approval of this Tentative Map does not constitute approval of any deviations. If such approval cannot be obtained, a revised Tentative Map must be submitted showing elimination of such deviations.
