RE: SDR-14790 – SITE DEVELOPMENT PLAN REVIEW
CITY COUNCIL MEETING OF SEPTEMBER 20, 2006

Dear Mr. Fitzpatrick:

The City Council at a regular meeting held September 20, 2006 APPROVED the request for a Site Development Plan Review FOR A PROPOSED 100,700 SQUARE-FOOT, FOUR-STORY MINI-WAREHOUSE FACILITY on 4.0 acres at 295 South Martin L. King Boulevard (APN 139-33-501-012), M (Industrial) Zone. The Notice of Final Action was filed with the Las Vegas City Clerk on September 21, 2006. This approval is subject to:

Planning and Development

1. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the principal building on the site. An Extension of Time may be filed for consideration by the City of Las Vegas.
2. All development shall be in conformance with the site plan, landscape plan, and building elevations date stamped 06/28/06, except as amended by conditions herein.
3. A revised site plan shall be submitted to and approved by the Planning and Development Department, prior to the time application is made for a building permit, to show an additional handicapped parking space and to show a roof on the trash enclosure, per Title 19 requirements.
4. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, and shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. The technical landscape plan shall replace proposed Mexican Fan Palm trees located at the ends of parking rows with appropriate 24-inch box shade trees.

5. Pre-planting and post-planting landscape inspections are required to ensure the appropriate plant material, location, size of planters, and landscape plans are being utilized. The Planning and Development Department must be contacted to schedule an inspection prior to the start of the landscape installation and after the landscape installation is completed. A certificate of occupancy will not be issued or the final inspection will not be approved until the landscape inspections have been completed.
6. Reflective glazing at the pedestrian level is prohibited. Glazing above the pedestrian level shall be limited to a maximum reflectance rating of 22% (as defined by the National Institute of Standards and Technology).
7. All utility boxes exceeding 27 cubic feet shall meet the standards of LVMC Title 19.12.040.
8. Parking lot lighting standards shall be no more than 30 feet in height and shall utilize downward-directed lights with full cut-off luminaries. Lighting on the exterior of buildings shall be shielded and shall be downward-directed. Non-residential property lighting shall be directed away from residential property or screened, and shall not create fugitive lighting on adjacent properties.
9. Prior to the submittal of a building permit application, the applicant shall meet with Planning and Development Department staff to develop a comprehensive address plan for the subject site. A copy of the approved address plan shall be submitted with any future building permit applications related to the site.
10. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

Public Works

11. Provide a copy of a recorded Joint Access Agreement between this site and the adjoining parcel to the south (Assessor's Parcel Number 139-33-601-002) prior to the issuance of any permits.
12. Meet with the Fire Protection Engineering Section of the Department of Fire Services to discuss fire requirements for the proposed use of this facility.
13. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits, submittal of any construction drawings or the submittal of a Map subdividing this site, whichever may occur first. Provide and improve all drainageways recommended in the approved drainage plan/study. The developer of this site shall be responsible to

Mr. Jim Fitzpatrick

construct such neighborhood or local drainage facility improvements as are recommended by the City of Las Vegas Neighborhood Drainage Studies and approved Drainage Plan/Study concurrent with development of this site. In lieu of constructing improvements, in whole or in part, the developer may agree to contribute monies for the construction of neighborhood or local drainage improvements, the amount of such monies shall be determined by the approved Drainage Plan/Study and shall be contributed prior to the issuance of any building or grading permits, or the recordation of a Map subdividing this site, whichever may occur first, if allowed by the City Engineer.

Sincerely,

Angela Crolli
