RE: TMP-14328 - TENTATIVE MAP - MACKENZIE PARC

Dear Applicant:

Your request for a Tentative Map FOR AN 11-LOT SINGLE-FAMILY RESIDENTIAL SUBDIVISION on 4.62 acres at the northeast corner of Ann Road and Maverick Street (APN 125-26-803-005), U (Undeveloped) Zone [R (Rural Density Residential) Master Plan Designation] under Resolution of Intent to R-PD2 (Residential Planned Development - 2 Units Per Acre) Zone, Ward 6 (Ross), was considered by the Planning Commission on July 27, 2006.

The Planning Commission voted to **APPROVE** your request, subject to the following:

Planning and Development

1. Approval of the Tentative Map shall be for no more than two (2) years. If a Final Map is not recorded on all or a portion of the area embraced by the Tentative Map within two (2) years of the approval of the Tentative Map, this action is void.
2. All development shall conform to the Conditions of Approval for Site Development Plan Review (SDR-12374), Rezoning (ZON-11987), Waiver (WVR-11985), and Variance (VAR-11982).
3. Street names must be provided in accordance with the City's Street Naming Regulations.
4. The street name proposed for this development is a duplicate street name. An alternative street name approved by the Fire Communications Center shall be provided prior to submittal of a Final Map.
5. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.

6. In conjunction with creation, declaration and recordation of the subject common-interest community, and prior to recordation of the Covenants, Codes and Restrictions ("CC&R"), or conveyance of any unit within the community, the Developer is required to record a Declaration of Private Maintenance Requirements ("DPMR") as a covenant on all associated properties, and on behalf of all current and future property owners. The DPMR is to include a listing of all privately owned and/or maintained infrastructure improvements, along with assignment of maintenance responsibility for each to the common interest community or the respective individual property owners, and is to provide a brief description of the required level of maintenance for privately maintained components. The DPMR must be reviewed and approved by the City of Las Vegas Department of Field Operations prior to recordation, and must include a statement that all properties within the community are subject to assessment for all associated costs should private maintenance obligations not be met, and the City of Las Vegas be required to provide for said maintenance. Also, the CC&R are to include a statement of obligation of compliance with the DPMR. Following recordation, the Developer is to submit copies of the recorded DPMR and CC&R documents to the City of Las Vegas Department of Field Operations.
7. All development is subject to the conditions of City Departments and State Subdivision Statutes.

Public Works

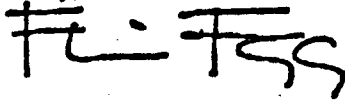

8. A minimum of two lanes of asphalt pavement on the major access street(s) adjacent to this site, and a working sanitary sewer connection shall be in place prior to final inspection of any units within this development. All off-site improvements adjacent to this site, including all required landscaped areas between the perimeter walls and adjacent public streets, shall be constructed and accepted prior to issuance of building permits beyond 75%. The above thresholds notwithstanding, all required improvements shall be constructed within 24 months of approval of construction drawings. No partial bond releases will be allowed until all perimeter roadway improvements are in place.
9. Label the private streets on the Final Map. Additionally, the private streets must be public utility easements (P.U.E.), City of Las Vegas sewer easements and public drainage easements to be privately maintained by the Homeowner's Association.
10. Site development to comply with all applicable conditions of approval for Zoning Reclassification ZON-11987 and all other subsequent site-related actions.

11. The approval of all Public Works related improvements shown on this Tentative Map is in concept only. Specific design and construction details relating to size, type and/or alignment of improvements, including but not limited to street, sewer and drainage improvements, shall be resolved prior to approval of the construction plans by the City. No deviations from adopted City Standards shall be allowed unless specific written approval for such is received from the City Engineer prior to the recordation of a Final Map or the approval of subdivision-related construction plans, whichever may occur first. Approval of this Tentative Map does not constitute approval of any deviations. If such approval cannot be obtained, a revised Tentative Map must be submitted showing elimination of such deviations.

This action by the Planning Commission on **July 27, 2006** is final unless a written appeal is filed with the City Clerk within seven days of the date of the Planning Commission's decision or there is a review action filed by the City Council within the same time period. The Notice of Final Action was filed with the Las Vegas City Clerk on **July 28, 2006**.

Sincerely,
