**RE: ABEYANCE - TMP-11311 - NORTH BUFFALO BUSINESS CENTRE -
TENTATIVE MAP**

Dear Mr. Cummings:

Your request for a Tentative Map FOR A ONE LOT COMMERCIAL SUBDIVISION on 1.93 acres adjacent to the northeast corner of Buffalo Drive and Buckskin Avenue (APN 138-10-301-010), U (Undeveloped) Zone [O (Office) General Plan Designation] under Resolution of Intent to O (Office) Zone, Ward 4 (Brown), was considered by the Planning Commission on March 23, 2006.

The Planning Commission voted to **APPROVE** your request, subject to the following:

Planning and Development

1. Approval of the Tentative Map shall be for no more than two (2) years. If a Final Map is not recorded on all or a portion of the area embraced by the Tentative Map within two (2) years of the approval of the Tentative Map, a new Tentative Map must be filed.
2. All development shall conform to the Conditions of Approval for Site Development Plan Review (SDR-5811), General Plan Amendment (GPA-5803), Review of Condition (ROC-7262), and Variance (VAR-5852).
3. Prior to the sale of any lots or units, the developer is required to adopt on behalf of the common interest community association and all members thereof, and record as a covenant on all applicable parcels, a plan for the maintenance of all infrastructure improvements. The plan is to include a listing of all infrastructure improvements, along with assignment of maintenance responsibility to the common interest community, an individual property owner, or the City of Las Vegas, along with the proposed level of maintenance for privately maintained components. The agreement must include a certification by the licensed professional engineer of record that all infrastructure components are addressed

in the maintenance plan. The plan must include a statement that all properties within the community are subject to assessment for all associated costs should private maintenance obligations not be met, and the City of Las Vegas be required to provide for said maintenance. The adoption process must include recordation of the plan against all parcels concurrent with the recordation of the Covenants, Conditions and Restrictions for the subdivision.

4. All development is subject to the conditions of City Departments and State Subdivision Statutes.

Public Works

5. Sewer service for this commercial subdivision shall be shown in accordance with one of the following three alternatives, and the appropriate Note shall appear on the face of the recorded Final Map:
 - I. Onsite sewers, 8-inches in diameter or larger, are public sewers within 20 – foot wide dedicated public sewer easements.
 - II. Onsite sewers are a common element privately owned and maintained per the Conditions, Covenants, and Restrictions (CC&Rs) of this commercial subdivision.
 - III. Onsite sewers are a common element privately owned and maintained per the Joint Use Agreement of this commercial subdivision.
6. Show all Sight Visibility Restriction Zones (SVRZ's) adjacent to public streets and include the following note: "No walls, fences, trees, shrubs, utility appurtenances or any other object, other than traffic control devices and street light poles, may be constructed or installed within the Sight Visibility Restriction Zone (S.V.R.Z.) unless said object is maintained at less than 24 inches in height measured from adjacent top of curb, or where no curb exists, a height of 27 inches measured from the top of adjacent asphalt, gravel, or pavement street surface. Area shall be labeled as "Privately Maintained".
7. Site development to comply with all applicable conditions of approval for ZON-5805, SDR-5811 and all other subsequent site-related actions.
8. The approval of all Public Works related improvements shown on this Tentative Map is in concept only. Specific design and construction details relating to size, type and/or alignment of improvements, including but not limited to street, sewer and drainage improvements, shall be resolved prior to approval of the construction plans by the City.

No deviations from adopted City Standards shall be allowed unless specific written approval for such is received from the City Engineer prior to the recordation of a Final Map or the approval of subdivision-related construction plans, whichever may occur first. Approval of this Tentative Map does not constitute approval of any deviations. If such approval cannot be obtained, a revised Tentative Map must be submitted showing elimination of such deviations.

This action by the Planning Commission on **March 23, 2006** is final unless a written appeal is filed with the City Clerk within seven days of the date of the Planning Commission's decision or there is a review action filed by the City Council within the same time period. The Notice of Final Action was filed with the Las Vegas City Clerk on **March 24, 2006**.

Sincerely,

Gary Leibold, Planning Supervisor
